## **VISIT TO PUSA KRISHI VIGYAN MELA ICAR-IARI, NEW DELHI 2023**

Educational visit to Pusa Krishi Vigyan Mela ICAR-IARI, New Delhi was organized by the Department of Agriculture, Meerut Institute of Technology, Meerut on 03/03/2023 for the students of B.Sc. Agriculture 2nd and 3rd-year students. Students visited the Pusa Krishi Vigyan Mela organized by ICAR-IARI in New Delhi. The visit was led by Dr. Deepak Singh, Assistant Professor in Animal Husbandry, accompanied by Dr. Rishiqueel Assistant Professor in Entomology, Dr. Vipin Kumar Assistant Professor in Soil Science, and Mr. Ajay Yadav Assistant Professor in Agronomy.

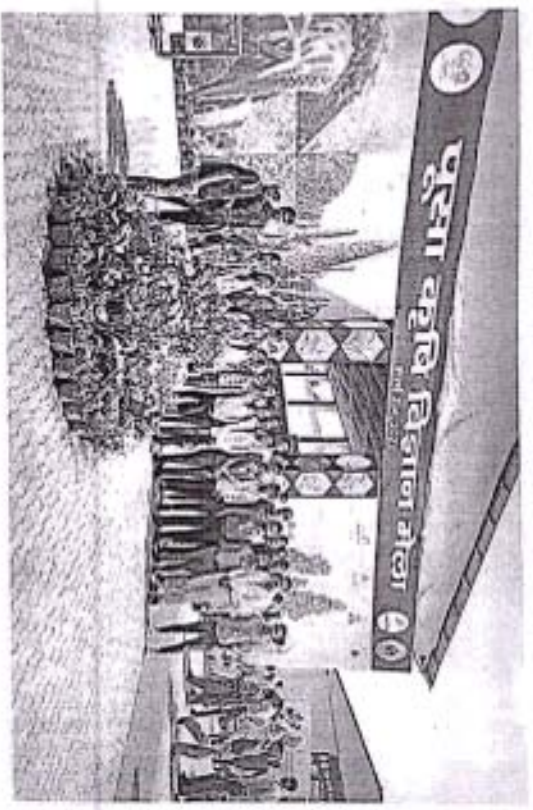

The three-days (02-04th March, 2023) Pusa Krishi Vigyan Mela with the theme of 'Nutritional, Food and Environmental security through millets (Sree Anant)' organized at the sprawling campus of ICAR-Indian Agricultural Research Institute, New Delhi.

The first technical session was chaired by Sh. Dayashankar Singh, Head, Farmers Producers Organisation Association of Uttar Pradesh and Co-chaired by Dr. Neera Bhushan, ADDG, IPM&TM, ICAR, New Delhi. Dr. Ashok Kumar Singh, Director, ICAR-IARI welcomed the Chairman, Co-chairman and panelist of the session and requested to panelists to share their experiences of start-ups with farmers.

The students had the opportunity to witness cutting-edge technologies in agriculture, including precision farming, smart irrigation systems, and advanced machinery. Demonstrations and discussions were conducted to enhance the students' understanding of modern farming practices.

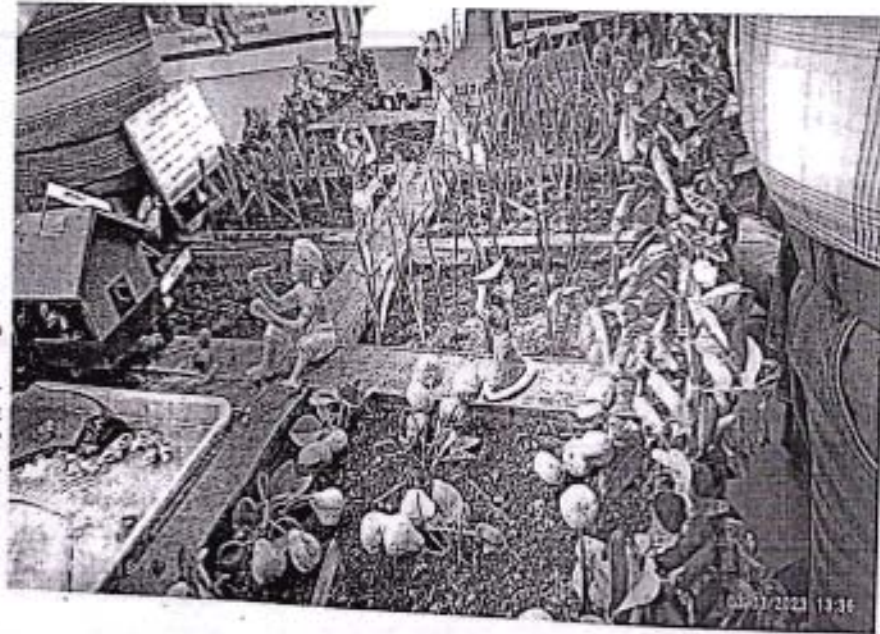

The visit facilitated networking opportunities for students, allowing them to interact with professionals, researchers, and fellow students from different agricultural institutions. This exposure broadened their perspectives on the agricultural industry.

The visit provided a comprehensive and interdisciplinary learning experience for the B.Sc. Agriculture students. The diverse expertise of the professors enriched the students' understanding of various facets of agriculture, making the visit both educational and impactful.

**A report on  
CPCSEA Approved Animal House visit  
of Pharmacy students  
on 25 Jan. 2023**

A group of students and faculty members of Department of Pharmacy Meerut Institute of Technology visited Animal House facility at MIET, Meerut on Jan 25, 2023.

This Animal house facility of MIET is registered with Committee for the Purpose of control and Supervision of Experiments on Animals (CPCSEA), Ministry of Environment, Forest and Climate Change, Government of India on and has an established Institutional Animal Ethics Committee (IAEC) that advises the students, teachers/researchers on facilities, policies and practices concerning the care and use of animals. The animal house facility is at present under the care of the Department of Pharmaceutical Technology, MIET, Meerut.

At the beginning of the visit an expert lecture was delivered by Mr. Ankit Chaudhary, Asst. Prof., Department of Pharmaceutical Technology, MIET and Ms. Jyoti Chaudhary, Asst. Prof., Department of Pharmaceutical Technology, MIET. The lecture described in detail about statutory requirements for animal house, approval status of the animal house, procedures to be followed during the housing and experimentation on animals, habitat of different category of animals, feeding habits and documentation for the effective management of an animal house.

The students were then taken to the animal house. All were instructed to wear masks, apron, shoe covers etc. in order to prevent infection spread to the animals. Mr. Ankit Chaudhary and Ms. Jyoti Chaudhary guided the students to different areas of the animal house facility viz. Change room, Quarantine room, Sick room, areas designated for various experimentation, Stock rooms for different animals etc.

Various equipments available like stainless steel racks for holding rats and mice cages having multiple row configurations and wheels for maneuverability;

polyethylene cages for mice and rats with cage lid and stainless steel wire bar, as well as water bottle; Air purification unit, air condition unit, digital Thermometer, Hygrometer and Autoclave were shown to the students.

At the end of the visit various forms and formats were also shown to them, viz.

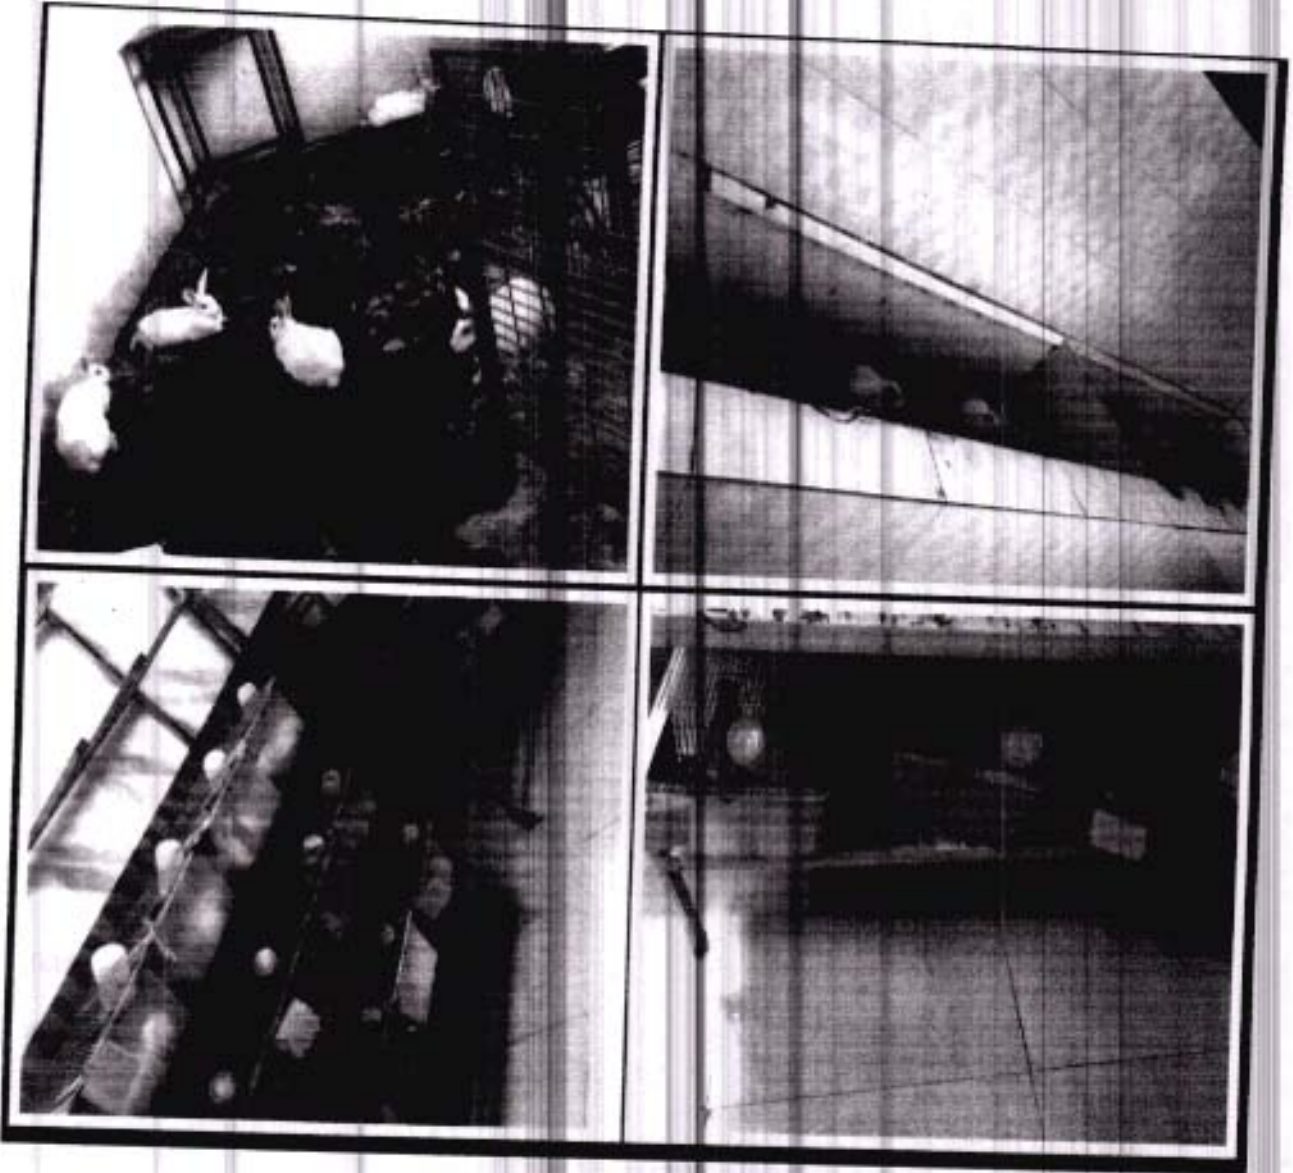

- 1) Application for the Permission of Animal Experiments (Form B)
- 2) Record of Animals Bred/Acquired/Transfer (Form C)
- 3) Record of Animals Acquired and Experiments Performed (Form D) 3

**TECHNOLOGY**

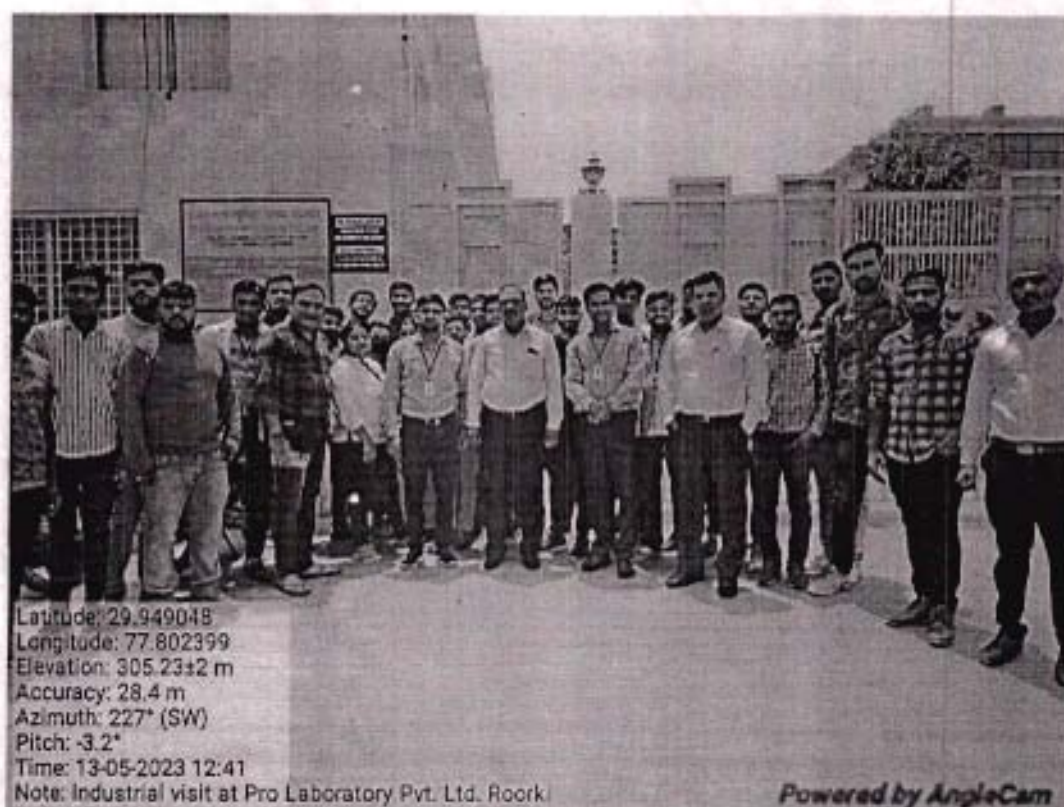

The Department of Pharmacy organized an Industrial Visit for the Pro Laboratory Pvt. Ltd. Roorkee, students of B. Pharm, on 13 May, 2023.

The total number of students were 38, accompanied by 2 faculty members, Prof. Dr. Nitin Kumar, Asst. Prof. Mr. Navneet Kumar. The tour began on 13 May, 2023, all the students assembled at college campus to board on college bus. Everyone reached the industrial site around 1:00 pm.

For security reasons everyone was instructed to submit their mobile phones and cameras to the security on the gate. Photography was not allowed inside the premises of the company.

Company presentation was given by the manager Mr. K Sharma. for different types of tablets and syrup formulation manufactured by the Pro laboratory Pvt. Ltd. for different companies such as J B Chemical Unilever etc.

Subsequently, every student went to see various industry areas, including the manufacturing area, packaging section, quality assurance department, ware house, and so on. The production of various cosmetic items for various companies was observed in the manufacturing area. Afterwards, in the QC and QA department, the semi-finished and final products were examined using various analytical instruments, including UV, IR, HPLC, and other techniques. In packaging section, they saw the packaging operations and final packing of the products.

Lastly, Mr. K. Sharma greeted and urged the kids to join their company while introducing a few of their colleagues.

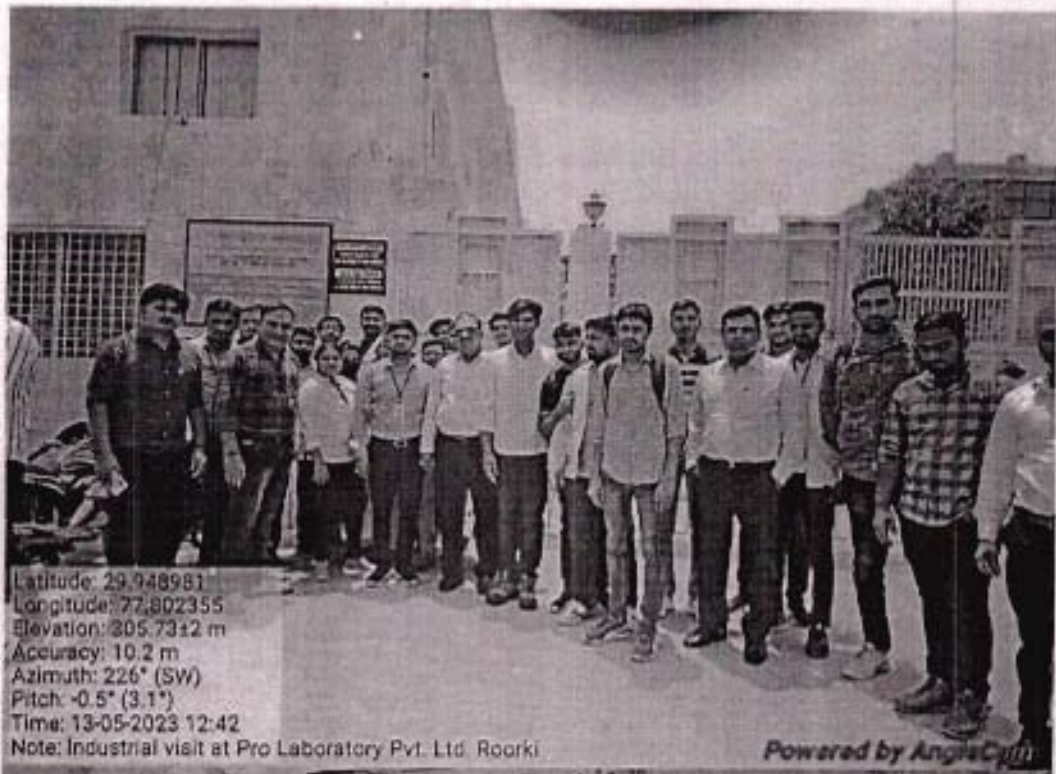

After leaving the company, we went to Roorkee for lunch. After that, we left Roorkee and returned to the college campus about 6:00 p.m.

**After reaching in company premises, management team informed all students about: -**

- 1.) Safety measures.
- 2.) Cleanliness of the premises
- 3.) Process of Cleanliness in all the areas.
- 2.) Technical platform and their control on the process.

Concluding Remark

An Industrial trip was organized on 21<sup>st</sup> June 2023 to Coca Cola Industrial plant at Greater Noida (U.P) for BBA & B.Com final year students of MIT, Meerut where the students are exposed to the entire bottling and packaging process taking place in the plant. They are also made to learn about the marketing and distribution strategies of Coco Cola. As an outcome, all the students gained substantial knowledge which will be quite helpful and applicable for them in near future.

# OASIS INFOBYTE

## INTERNSHIP OFFER LETTER

OIB/MA1/IP8260

Dear Ashutosh

5/1/2023

We are delighted to welcome you for the internship of Web Development and Designing in our fellowship. This internship is observed by Oasis Infobyte as being a learning opportunity for you.

In essence, your internship will embrace orientation and give emphasis on learning new skills with a deeper understanding of concepts through hands-on application of the knowledge you gained as an intern. Our team is confident that you will acknowledge your obligation to perform all work allocated to you to the best of your ability within lawful and reasonable direction given to you.

We look forward to a worthwhile and fruitful association which will make you equipped for future projects, wishing you the most enjoyable and truly meaningful internship program experience.

Thank you  
Team Oasis Infobyte
