15-June-2023

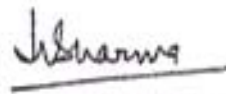

Concluding Remarks

Department of Computer Application has organized an Industrial visit to **BLOGIC SOFTWARE TECHNOLOGIES** on Tuesday i.e. June 13th, 2023 for the students of BCA Second year (Batch 2021-24).

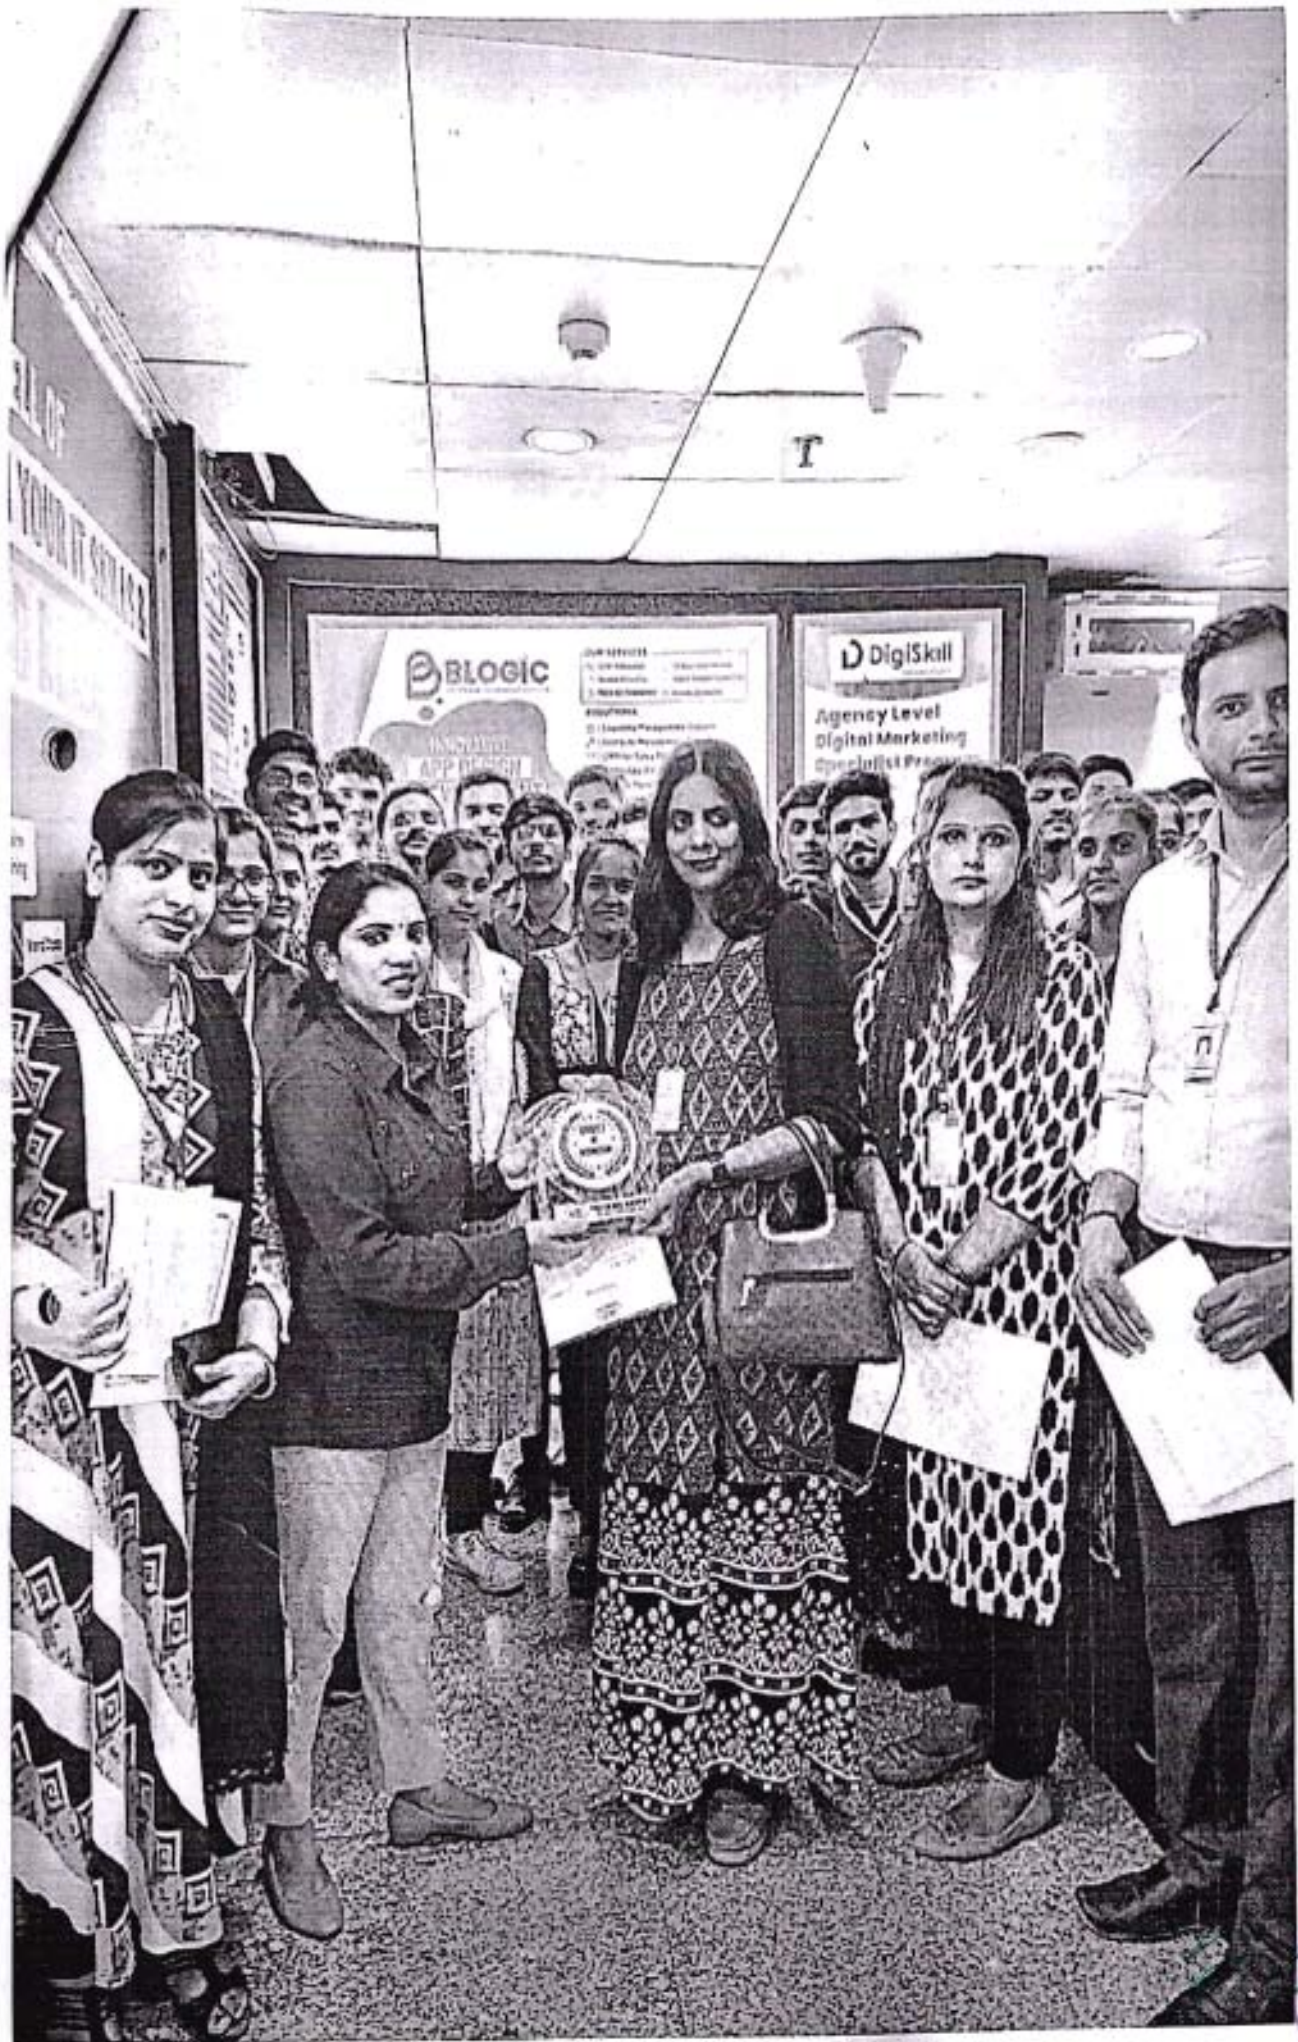

The students were briefed about the company and got an opportunity to meet the employees. Students were glad to know different techniques and methods (CCNA & JAVA Programming) being used in industries. It was an informative, interesting and a successful visit.

Thanks

Mr. Lalit Kumar

Dear Sonal Mishra Ji

Please refer to your mail dated 19.08.2023 requesting for Industrial Visit/Study tour. Head NCMRWF, Ministry of Earth Sciences, Noida, has agreed to the visit of your institution on 25th August 2023. (Friday) Your students and faculty should reach NCMRWF, A-50, Sector-62, Noida, at 11:00 AM. We have arranged two lecturers for the following topics. You should follow all COVID protocols. We are expecting students discipline in all aspects from your side. Kindly bring the students and faculty name list (Hard Copy) with contact phone and email id.

1. Weather and Climate (Medium Range Weather Forecasting) (45 Minutes)
2. High-Performance Computing (HPC) and its Related Support infrastructure (45 Minutes)

Apart from this, all the students will physically visit the High-Performance Computer (HPC) Infrastructure. (30 Minutes).

Warm Regards

MEERUT INSTITUTE OF TECHNOLOGY, MEERUT

Industrial Training Report: Barclays, Noida

Introduction:

This report summarizes the industrial training experience of 22 students (B. TECH & BCA) Second Year students from Meerut Institute of Technology, Meerut at Barclays, Noida, India. The training program took place on June 14, 2023, under the guidance of Mr. Shailesh Putana [GTT Barclays Coordinator] and Mr. Ayush Singhal [MIT, Meerut Coordinator].

Objectives:

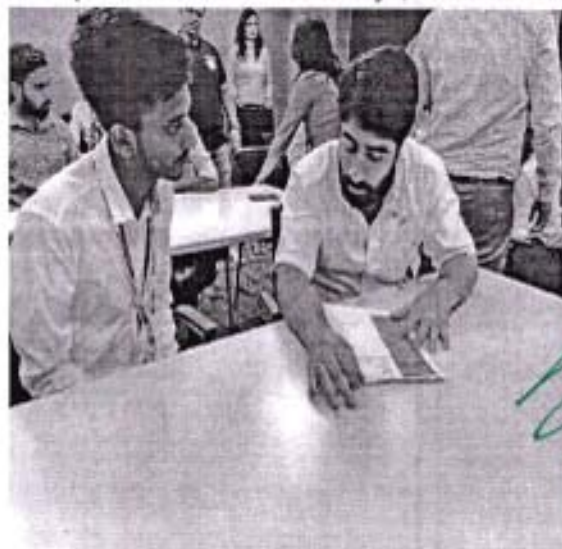

The primary objectives of the training program were:

- To provide students with practical exposure to the banking and financial services industry.
- To equip students with the necessary skills and knowledge for a career in the various domains available in Barclays.
- To bridge the gap between theoretical knowledge and practical application.
- To familiarize students with the work culture and environment at Barclays.

Activities and Learning:

The training program consisted of a variety of activities and learning sessions, including:

- **Induction:** Introduction to Barclays, its history, values, and operations.
- **Departmental Visits:** Visits to various departments within Barclays, such as Retail Banking, Investment Banking, Corporate Banking, and Technology.
- **Interactive Sessions:** Sessions with industry experts on topics such as financial markets, risk management, compliance, and customer service.

Key Learnings:

Through the training program, students gained valuable insights into the following areas:

- **Banking Operations:** Understanding of core banking functions, products, and services offered by Barclays.
- **Financial Markets:** Knowledge of different financial instruments and markets, including equity, debt, and foreign exchange.
- **Risk Management:** Importance of risk management in banking and different risk management techniques.
- **Technology in Banking:** Understanding of how technology is transforming the banking industry.
- **Professional Skills:** Development of communication, teamwork, problem-solving, and critical thinking skills.

Impact of Training:

The industrial training program at Barclays had a significant impact on the students. It provided them with valuable practical experience, enhanced their knowledge of the banking industry, and equipped them with the skills and confidence needed for a successful career in the upcoming recent technologies.

Conclusion:

The industrial training program at Barclays was a valuable learning experience for the students. It provided them with a unique opportunity to gain practical insights into the banking industry and prepare for a successful career in finance. We are grateful to Barclays for their support and guidance throughout the program.

Industrial Training Report: Barclays, Noida

Introduction:

This report summarizes the industrial training experience of 10 students (B. TECH) Third Year students from Meerut Institute of Technology, Meerut at Barclays, Noida, India. The training program took place on July 04, 2023, under the guidance of Mr. Shailesh Putana [GTT Barclays Coordinator] and Mr. Ayush Singhal [MIT, Meerut Coordinator].

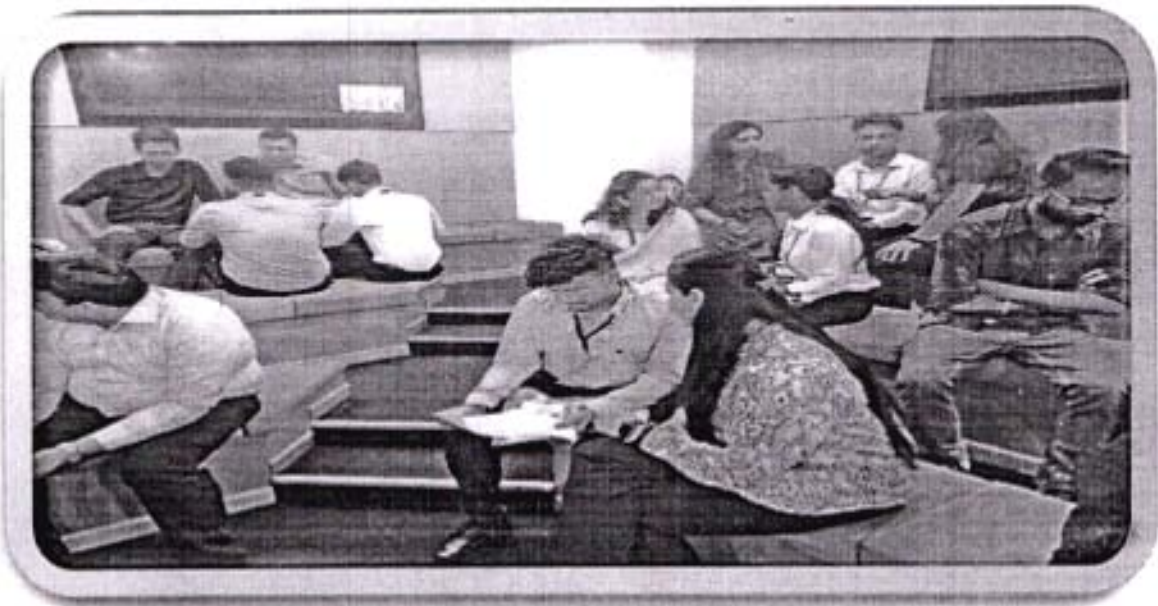

The B. TECH Third Year students of Meerut Institute of Technology, Meerut got the opportunity to go for an industrial visit to Barclays, Noida and were accompanied by Mr. Ayush Singhal (Coordinator). We reached the location at 12:20 PM together with the students and faculty of IPEC, Ghaziabad. We were taken to the conference room by one of the employees of the organization after completion of the verification process and allotment of identity cards.

In a conference room we got seated and the session began with the Directors and Head HR briefing the gathering with insights from their career and then we interacted with them. The employees briefed us about how to crack interviews and the work culture of Barclays.

During the interaction session we were assigned different volunteers and we cleared our doubts from them regarding the life in corporate, interview and also, they helped us to improve our resume.

The session was highly motivating and inspiring and helped each and every student to align themselves towards their career. The industrial training program at Barclays was a valuable learning experience for the students. We are grateful to Barclays for their support and guidance throughout the program.

Some experiences shared by our students:

"It was very inspiring and motivating experience. This industrial Visit would be very helpful for me in building my right career" --- Sweta Pandey

"This was a wonderful and a very informative experience with lots of learnings that will be helpful for us in our career." --- **Chirag Verma**

"This industrial visit was a wonderful experience, get to know about various important lessons regarding future and life. It was very motivational and beneficial" --- **Abhishek Jha**

"The mentors were very helpful and encouraging, a lot of doubt and questions about the career has been solved." --- **Santosh Jaiswal**

Introduction:

The report précises the TCS Youth Employment Program (YEP) training conducted for the B. Tech Batch 2024 at Meerut Institute of Technology (MIT), Meerut. The program aimed to enhance the employability of students by equipping them with essential skills and knowledge for a smooth transition from academia to the corporate world.

Training Period:

The training commenced on July 06, 2023 and concluded on August 25, 2023.

Program Focus: Employability Skills Development

Focus Areas:

The program emphasized both soft and technical skills development, covering aspects such as:

- **Communication:** Effective spoken and written communication skills for professional settings, including presentations, emails, and reports.
- **Technical Skills:** Industry-relevant technical knowledge and practical application in relevant fields.
- **Group Discussion and Interview Preparation:** Practical sessions on group dynamics, problem-solving, and interview etiquette to build confidence and prepare students for job interviews.
- **Bridging the Academia-Industry Gap:** Sessions highlighting the differences between academic and professional environments, helping students adapt and thrive in the corporate world.
- **Career Sustainability:** Guidance on career planning, resume writing, and job search strategies to ensure long-term career success.

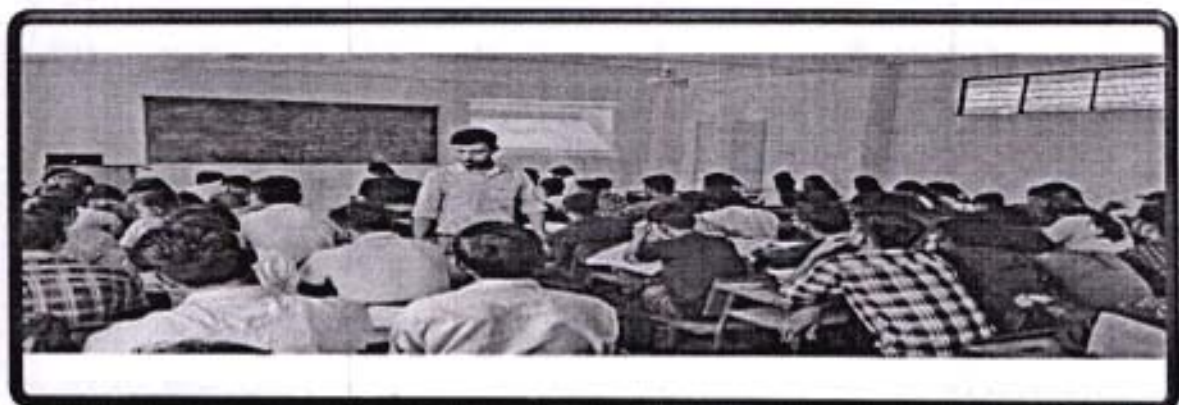

Participation and Completion:

A total of 82 students enrolled in the program, and 66 successfully completed the training under the supervision of the coordinator Mr. Ayush Singhal from Meerut Institute Of Technology, Meerut. This indicates a high degree of engagement and commitment from the students.

Trainer Expertise:

The TCS trainer (Mr. Karan Vishwakarma) was an expert in their domain with extensive experience in the corporate world. They employed engaging teaching methods and provided valuable insights to prepare students for the realities of the industry.

Key Highlights:

- **Holistic Approach:** The training addressed both communication and technical skills, recognizing the importance of both in today's job market.
- **Interactive Sessions:** Activities like Group Discussions, Interview Preparation, and theme-based workshops bridged the gap between academic knowledge and industry demands.
- **Sustainability Emphasis:** Sessions focused on how graduates can adapt and thrive in the dynamic corporate environment immediately after leaving college.
- **High Completion Rate:** 66 out of 82 enrolled students successfully completed the program, reflecting their commitment and engagement.
- **Expert Trainer:** The program benefited from the expertise of a well-qualified trainer who delivered valuable insights and guidance.

Overall Outcome:

The TCS YEP training program successfully equipped B. Tech Batch 2024 students with essential skills and knowledge to confidently enter the job market. The program's focus on both technical and soft skills, along with industry-specific guidance, helps bridge the gap between academia and the corporate world. This initiative contributes significantly to enhancing the employability of students and fostering successful careers. Last but not the least, we would like to thank Ms. ANITA Nagrath (TCS Coordinator) for providing all the details well in advance and guided us wherever required that made this training a successful one.

Conclusion:

The TCS YEP training program for B. Tech Batch 2024 at MIT, Meerut, proved to be a valuable initiative in preparing students for successful careers. By strengthening their communication skills, enhancing their technical knowledge, and providing practical career tips, the program significantly enhanced their employability prospects. The high completion rate and positive feedback from participants further validate the program's success.

Some experiences shared by our students regarding this training:

"I am grateful to TCS and MIT for providing this excellent program. The trainer was exceptional, and the overall structure was well-organized and engaging. I feel fully prepared to take on the challenges of the corporate world." --- Abhishek Mishra

"The industry-specific sessions were eye-opening. They gave me a real-world perspective on my chosen field and helped me tailor my resume and interview approach accordingly."

--- Aakriti Sharma

"The group discussions and interview preparation sessions were particularly helpful. They provided me with practical opportunities to hone my skills and receive constructive feedback. I highly recommend to attend this program to all B. Tech students."

--- Sneha Kumari

"The TCS YEP program was an invaluable experience. It not only strengthened my technical skills but also equipped me with essential soft skills like communication and teamwork. I feel much more confident about entering the job market." --- Sarthak Tyagi

The list of the students successfully completed the TCS Youth Employment Program (YEP) training is mentioned below: -

A
REPORT OF
ORIENTATION PROGRAM

BY

SHL Aspiring Minds Adaptive Test (AMCAT)

DATE

08/09/2023

Submitted By:

Ayush Singhal
Assistant Professor & Training and
Placement Coordinator,
(Department of CSE, MIT, Meerut)

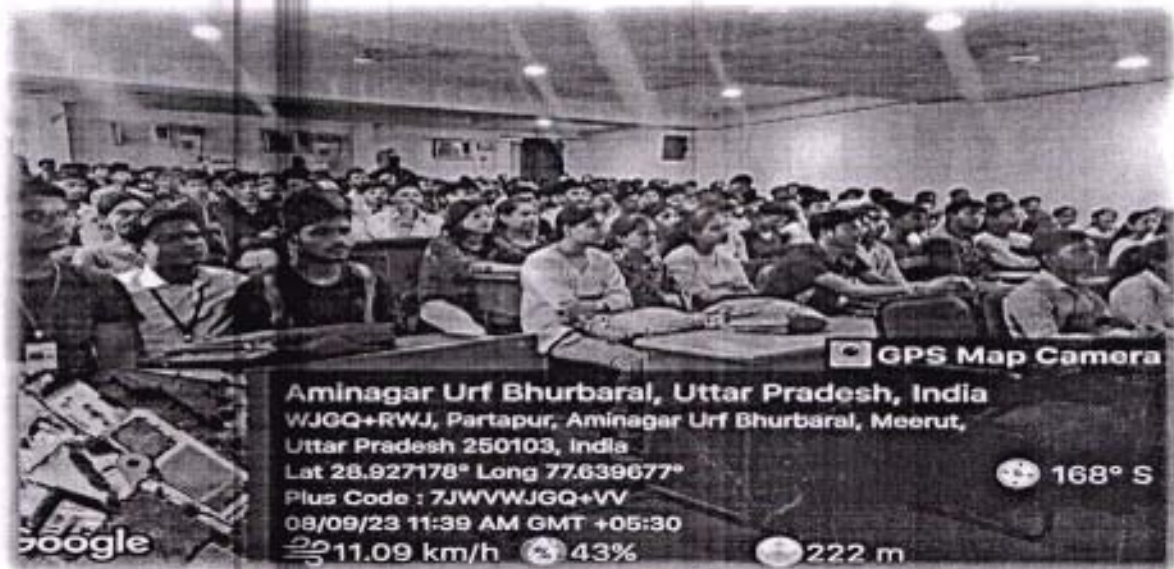

MEERUT INSTITUTE OF TECHNOLOGY, MEERUT

ORIENTATION PROGRAM REPORT:

SHL Aspiring Minds Adaptive Test (AMCAT)

Introduction:

On September 8th, 2023, Meerut Institute of Technology, Meerut hosted an orientation program by the SHL Aspiring Minds Computer Adaptive Test (AMCAT). This program aimed to educate students from various disciplines, including B. Tech, BCA, BBA, B. Com, and B. Pharma, to generate awareness about the importance of the AMCAT assessments and its role in securing successful placements. The SHL Aspiring Minds Adaptive Test (AMCAT) platform evaluates job readiness and performance potential for entry level to executive-level positions.

Program Objectives:

- **Introduce the AMCAT assessment:** The program provided a comprehensive overview of the AMCAT, including its format, content, and scoring system.
- **Highlight the importance of the AMCAT:** The program emphasized the crucial role of the AMCAT in pre-placement screening, highlighting its acceptance by numerous companies across various industries.

de

- **Guide students on preparation strategies:** The program offered valuable tips and resources for effective preparation, including practice tests, study materials, and test-taking strategies.
- **Address student queries:** The program provided an open forum for students to ask questions and clarify any doubts they had regarding the AMCAT assessment.

Speaker: Mr. Abhishek Bhardwaj (Relationship Manager SHL (AMCAT))

Program Highlights:

- **Interactive presentation:** The program featured an engaging presentation delivered by representatives from SHL Aspiring Minds. The presentation was informative and interactive, incorporating real-world examples and case studies to illustrate the value of the AMCAT.
- **Expert insights:** The program included insights from placement officers and the personnel from SHL who shared their perspectives on the importance of the AMCAT in the current job market.
- **Practice test session:** Students participated in a practice test session, allowing them to familiarize themselves with the question format and time constraints of the actual AMCAT.
- **Q&A session:** An open Q&A session provided students with the opportunity to clarify their doubts and receive personalized guidance from the program representatives.

GA

Overall Impact:

The SHL Aspiring Minds Adaptive Test (AMCAT) orientation program at Meerut Institute of Technology was well-received by the participating students. The program successfully:

- **Increased awareness:** The program raised awareness about the AMCAT assessment and its significance in the placement process.
- **Enhanced preparedness:** The program equipped students with valuable knowledge and resources to prepare effectively for the AMCAT.
- **Boosted confidence:** The program instilled confidence in students by providing them with a clear understanding of the assessment and its expectations.

Conclusion:

The SHL Aspiring Minds Adaptive Test (AMCAT) orientation program at Meerut Institute of Technology served as a valuable resource for students seeking successful placements. By providing in-depth information, practical guidance, and expert insights, the program empowered students to take control of their career journeys and excel in the competitive job market.
