

Memorandum of Understanding

Between

 **ICTACADEMY**

ICT Academy

And

**MEERUT
INSTITUTE OF
TECHNOLOGY**

Meerut Institute of Technology

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered on this day of 05th December 2020

BETWEEN

M/s ICT Academy, a non profit Society incorporated under the Tamilnadu Societies Registration Act, 1975 and having its Office at B – 308 & 309, Som Datt Chamber – 1, Bhikaji Cama Place, New Delhi – 110066 (hereinafter called as "**ICT ACADEMY**" which expression shall, wherever the context so permits mean and include successors and assigns.)

AND

Meerut Institute of Technology, Meerut a technical education institute established under Vishnu Education Foundation and having its office at NH-58, Baral Partapur Bypass Road, Meerut, 250103, Uttar Pradesh, India (hereinafter called as "**MIT, Meerut**" which expression shall, wherever the context so permits mean and include successors and assigns.)

WHEREAS

ICT ACADEMY is established as a society with Initiative of Government of India, State Governments and Industry. It is the pioneering venture under the public-private-partnership (PPP) model that endeavours to train the higher education teachers in the areas of Information and Communication Technology (ICT) thereby making their students to be industry-ready.

The core objective of ICT ACADEMY is to train the faculty members of Engineering, Management, Arts and Science Colleges across the nation. ICT ACADEMY will develop and maintain a world class ICT industry related curriculum and content in close association with Academia and industry, which would be made available to faculty members throughout the state through an online portal. Industry experts would train the learned faculty to keep them abreast of the industry demands and thereby the students. The Academy shall have a core team of faculty members to conduct the training. This core team would be supported by faculty members deputed from Industry as well drawn from the educational Institutions.

About Meerut Institute of Technology, Meerut

The trust "Vishnu Education Foundation" was formed in 2007 by Er. Vishnu Saran, the known philanthropist, and like minded persons. Like minded philanthropists of this region joined hands and took upon themselves the social causes and established charitable hospitals and vocational schools. They felt the need on the turn of the century to train the technical man power for the new millennium and established engineering institutes, hence the foundation of Meerut Institute of Engineering & Technology,

Lipaul

[Signature]

Meerut was laid in 1997 to prepare young man and women for the new millennium. Then promoters founded Meerut Institute of Technology in 2007 under another charitable trust Vishnu Education Foundation.

The promoters realizing the need to train young men and women for the new millennium for the industrialized India under the shadows of Globalization of trade and thus established Meerut Institute of Technology at Meerut in 2007. In 2008 the promoters have established one more institute for educating students in the field of computer application. These institutes are now approved as single Technical campus (or integrated campus) as per latest guidelines of AICTE since July 2010, working in the name and style of MIT Group of Institutions, in 8.598 Acres of land under the preview of AICTE in a phased manner. This Institute is being promoted keeping the above cardinal principles in view Academic excellence, in serene calm environment, state of the art laboratories equipped with all facilities, are its hall mark.

ICT ACADEMY is agreeable to enter into this MOU with MIT, Meerut as per the terms and conditions set out hereunder:

Now this MoU witnesses as under:

1. Scope of the MoU

1.1 The MIT, Meerut hereby agrees to become the **Institutional Member** of ICT ACADEMY

1.2 ICT ACADEMY and MIT, Meerut would collaborate to offer services to the faculty members of the college in the areas of Information and Communication Technology.

2 Role of ICT ACADEMY

2.1 ICT ACADEMY shall conduct minimum of ten industry relevant faculty development training program every year in the domain of ICT

2.2 ICT Academy conducts Faculty Development Programs and expert-led workshops for the faculty members through Skycampus Virtual FDPs / In-Class Training Programs / Blended mode.

2.3 ICT Academy would train minimum 20 faculty members of its member institutions in a year. Every Faculty development Program is supported with effective pedagogical tools for the faculty to use in transferring the knowledge to students in the colleges.

2.4 ICT ACADEMY shall provide faculty training and certification for minimum of 03 faculty members of MIT, Meerut for every course, however the maximum number of faculties may exceed up to 15 faculty members per course whenever the venue is at MIT, Meerut campus

2.5 ICT ACADEMY shall provide various domain specific training programs either drawn from the Industry or approved by the industry at a subsidized cost to the students of the affiliated institutions based on the interest of the institution

Wipul

[Signature]

2.6 ICT Academy shall also support the institution in getting the membership and resources from various corporate partners to the university.

2.6.1 ICT Academy will organize 3 SkyCampus Seminars at MIT, Meerut based on the confirmation from the institution.

- HR Conclave
- Startup Conclave
- Technical Conclave

Among the above organized in a year wherein minimum 3 to 4 industry speakers will be invited to address the students on the topic given by the institution

2.7 ICT ACADEMY would provide training to 3 teachers of MIT, Meerut on every training program apart from the 20 certifications as specified in clause 2.2 whenever the venue is out of the MIT, Meerut campus.

2.8 ICT ACADEMY would invite MIT, Meerut to nominate two teachers on every special training program at free of cost.

2.9 ICT ACADEMY would provide online access to ICT ACADEMY research journals on quarterly basis at free of cost.

- ICTACT Journal on Communication Technology (IJCT) (*UGC CARE Listed*)
- ICTACT Journal on Image & Video Processing (IJVP) (*UGC CARE Listed*)
- ICTACT Journal on Soft Computing (IJSC) (*UGC CARE Listed*)
- ICTACT Journal on Microelectronics (IJME) (*UGC CARE Listed*)
- ICTACT Journal on Management Studies (IJMS)
- ICTACT Journal on Data Science and Machine Learning (JDML)

2.10 ICT ACADEMY shall notify about the programs to MIT, Meerut and assist in the active participation of faculty members.

2.11 Free Software, Tools, Training & Assessment from ICT ACADEMY Technology Partners

2.11.1 Oracle Academy

2.11.2 Free Software – Oracle 11 G (120 Licenses) & Trained faculty will train and certify any number of students at free of cost

2.11.3 The 120 licenses will be provided to each department for the colleges opting for ICT Academy Membership

2.11.4 The licenses provided by Oracle is Academic version which is not meant for Commercial Purpose.

2.11.5 Through the installed licenses trained and certified faculty members will teach the students, provide soft copy materials, conduct exam in Oracle portal and sign the certificate of Oracle for the students.

2.11.6 Faculty members will be trained in Oracle Java Fundamentals and **Java Programming & Oracle Programming using PL/SQL**

2.11.7 No cost involved for the faculty or students to get trained and certified in Oracle programs mentioned above.

[Handwritten signature]

[Handwritten signature]

2.11.8 The licenses provided by Oracle is valid for 3 years which will be renewed after the mentioned period

2.11.9 The certificate which the faculty getting from Oracle is globally valid

2.12 Amazon Web Service Educate member

2.12.1 On-line training program from Amazon Web Services (AWS-Educate), at free of cost for one year **(\$200 credit for each faculty & \$100 credit for each student)**

2.12.2 Provide educators and students with resources for cloud-related learning. Those at member institutions receive twice as many AWS credits, demos and special on-campus programs.

2.12.3 Professors, teaching assistants, and educators receive access to AWS technology, open source content for their courses, training resources, and a community of cloud evangelists.

2.12.4 Students receive credits for hands-on experience with AWS technology, training, content, career pathways and the AWS Educate Job Board.

2.12.5 Path to Cloud Learning

2.12.6 AWS Educate Cloud Career Pathways provide students with access to credits, training, and the option to choose their desired cloud career. AWS Educate delivers a personalized path that includes content, knowledge checks, and badging that guides them through the learning process. The Cloud Career Pathways are available in all countries globally, with some exceptions.

2.12.7 Find Cloud Job

2.12.8 The AWS Educate Job Board includes entry-level cloud jobs from global employers and companies. Students can search job requisitions that match their selected job family and skill set, and apply for positions directly in the Job Board. Features associated with the AWS Educate Job Board are available in all countries globally, with some exceptions.

2.13 Skill Development Program with Placement support

2.13.1 ICT Academy will organize various Skill Development programs in association with industry partners will also be supported by corporate to hire the trained students on various niche technologies. This programs may vary from time to time which will be communicated well in advance to the member college to identify the students.

2.14 Youth Contests

- ICT Academy Youth Talk – Delhi NCR
- Kalam Book Writing contest

All member college students can take part in both the contests with no cost implications and the winner of the contests will be awarded with cash prizes and trip to foreign countries

2.15 Supporting International / National Conferences – (All Disciplines, according to the scope of ICT Academy)

2.15.1 Articles selected in the conference will undergo one review process to ensure the quality of the paper and it will be published based on the recommendation from the reviewer. ICT ACADEMY will support the colleges in bringing Experts and Professionals from Academia and Corporate to enable the colleges to get the relevant resources according to the conference titles

Wipul

MIT, Meerut shall also provide necessary food facility free of cost to the resource persons during the programs to be conducted by ICT ACADEMY at MIT, Meerut campus.

3.5 MIT, Meerut shall send a formal communication to all its departments to nominate faculty members for the FDPs jointly organized by ICT Academy.

3.6 Institutional Membership Fees

MIT, Meerut has agreed to pay INR 59000/- (Fifty Nine Thousand only) to become the Institutional Member of ICT Academy. And the payment details are as follows Online transfer carrying the reference number PUNBH20340056499 on 05.12.2020

Other Terms

3.7 Both the Parties shall explore & jointly develop new courses for the teachers from time to time, the terms for the same will be discussed as and when required and mutually agree upon the terms and the commercials in writing.

3.8 Both the Parties shall explore to work on specific ICT related research areas as per the industry requirements and agreed upon by both the parties.

4 Operation of this MoU

4.1 Upon execution of this MoU, ICT ACADEMY shall communicate to the MIT, Meerut the training schedules. Thereupon, the Parties shall mutually discuss and agree on the operational terms based on which ICT ACADEMY would offer its various other services.

5 Validity of this MoU

5.1 The MoU may be renewed on completion of one year and on the terms mutually agreed to between the Parties. Being failed on which will stand suspended until resolved.

5.2 The Parties shall enter into firm binding agreements on the areas which are not covered under this MoU. Upon the execution of such agreements, this MoU may be terminated. Both parties shall have right to terminate this MoU if any of the party does not comply with its obligations under this MoU by issuing 30 days prior notice.

6 CONFIDENTIALITY

6.1 The Parties shall treat all information, documents, contents and materials pertaining to ICT ACADEMY or MIT, Meerut provided under this MoU as confidential.

6.2 ICT ACADEMY or MIT, Meerut shall not disclose any aspect of any confidential information to any third party in any manner whatsoever other than in the normal course of agreed terms under this MoU.

6.3 The confidentiality of information shall survive the termination of this Agreement.

6.4 Upon the termination of this MoU, MIT, Meerut shall return all the contents, training materials and such other information provided by ICT ACADEMY under this MoU duly with out any undue delay and in cases where such information is not capable of being returned destroy the same and provide a certificate that to ICT ACADEMY.

9 INTELLECTUAL PROPERTY

9.1 All the intellectual property rights with respect to the programs, contents provided by ICT ACADEMY shall vest with ICT ACADEMY and upon the termination of this Agreement by efflux of time or such other earlier termination, the college shall not have the right to use programs, contents, and such other training materials installed under this MoU and return the same to ICT ACADEMY. The MIT, Meerut shall not infringe the intellectual property rights of ICT ACADEMY and shall duly intimate of any such infringement by any third parties.

10 INDEMNITY

10.1 Both Parties agrees to hold harmless and indemnify, from and against all action, demands, proceedings, prosecutions, attachments, claims or causes of action whatsoever, including (but not limited to) attorneys' fees and other costs arising out of:

- (a) Any breach of this Agreement by both parties
- (b) Any negligence on the part by both parties

Wipal

q

11 NOTICES

11.1 All notices regarding this Agreement shall be by personal delivery or by certified or registered mail, postage prepaid, at the addresses as either of them may so provide by notice given to the other in the same manner.

12 GOVERNING LAW:

This MOU is made under and shall be governed by and construed under the laws of the Republic of India under the jurisdiction of the courts at Delhi.

13 ARBITRATION

In the event any of any claim, controversy, dispute or difference between Parties, arising out of or in connection with or in relation to this Agreement, either Party will be entitled refer the same to arbitration in accordance with the rules of arbitration of the Arbitration and Conciliation Act 1996. There shall be three arbitrators, one to be appointed by ICT ACADEMY, the other to be appointed by MIT, Meerut and the third to be appointed by the two arbitrators appointed by the Parties. The award of the arbitrators shall be final and binding on the Parties. The Arbitration proceedings shall be held at Delhi.

In witness whereof the Parties have executed this MoU on this day of 05th December 2020

Cisco Academy Membership Agreement

Welcome to the Cisco Networking Academy. This agreement governs your Academy's participation in the Cisco Networking Academy.

The Networking Academy Membership Guide for Cisco Academies ("NAMGCA") describes the benefits, roles and responsibilities of Cisco Systems, Inc. or its subsidiary responsible for distribution in the country in which you are located ("Cisco") and your Academy. The NAMGCA forms part of this agreement, and will be made available to your Academy by Cisco. Your Academy should review the NAMGCA carefully before agreeing to participate in the Cisco Networking Academy. By accepting this agreement your Academy agrees to comply with the NAMGCA. As the Cisco Networking Academy evolves, changes to the NAMGCA may be appropriate. Cisco will exercise reasonable efforts to provide advance notice to your Academy of any major changes to the NAMGCA.

Cisco provides all resources, course materials, services, websites or other deliverables "as is", without warranty of any kind (as far as Cisco is permitted to do so by law). Further details are set out in the NAMGCA.

The following provisions (a)-(c) govern your treatment of personal information of Academy and Cisco Networking Academy participants (*i.e.* employees, students, instructors, administrators, or any other of your Cisco Networking Academy participants) ("Cisco Networking Academy Participants") provided to or otherwise obtained by Cisco from your Academy in connection with the Cisco Networking Academy:

- (a) By entering into this agreement, your Academy will ensure that Cisco Networking Academy Participants have given their unambiguous consent, to the processing of their personal information by Cisco: (i) from within and outside of the European Economic Area and those countries deemed to have adequate data protection laws in connection with processing the personal information; and (ii) in accordance with Cisco Networking Academy Privacy Policy, as amended from time to time and located at <http://www.cisco.com/web/siteassets/legal/privacy.html>.
- (b) Your Academy agrees to comply with: (i) applicable data protection laws and regulations, including your Academy's obligations as data controller under those laws and regulations; and (ii) Cisco's Networking Academy Privacy Policy located at <http://www.cisco.com/web/siteassets/legal/privacy.html>.
- (c) To the maximum extent permitted by law, your Academy shall defend, indemnify and hold harmless Cisco and its officers, directors, employees, shareholders, customers, agents, successors and assigns from and against any and all loss, damages, liabilities, settlement, costs or expense (including legal expenses and the expenses of other professionals) as incurred, resulting from or arising out of your Academy's breach of applicable laws relating to the treatment of personal information including any claim for the unauthorized solicitation, collection, storage, forwarding, or use of personal information. As a condition to such defense and indemnification, Cisco will provide your Academy with prompt written notice of the claim and permit your Academy to control the defense, settlement, adjustment or compromise of any such claim. Cisco may employ counsel at its own expense to assist it with respect to any such claim; provided, however, that if such counsel is necessary because of a conflict of interest of either your Academy or your Academy's counsel or because your Academy does not assume control, your Academy will bear the expense of such counsel. Cisco shall have no authority to settle any claim on behalf of your Academy.

Your term of membership in the Cisco Networking Academy is three years (36 months), commencing on the date when Cisco executes this agreement. The term shall be automatically renewed for additional twelve (12) month terms unless (i) sixty (60) days prior to the end of the then-current term one party gives written notice to the other party of its election not to renew this agreement. Notwithstanding the foregoing, either Cisco or your Academy may terminate this agreement without any liability to the other party for any reason or for no reason by providing at least thirty (30) days' written notice to the other. Either party may refuse to extend or renew the three year- term for any reason or no reason.

Cisco Networking Academy®
| Mind Wide Open™

By clicking "Accept", you represent that you are authorized to enter into this agreement (including the NAMGCA) on behalf of your Academy.

On behalf of the Cisco Networking Academy global community, Welcome! By signing this agreement your Academy is taking an important step in bringing new opportunities and knowledge to your students, the future architects of the networked economy!

Dear Prateek Vashishtha,

Welcome to AWS Academy!

This letter confirms that Meerut Institute of Technology has been accepted into the AWS Academy program with Amazon Internet Services Private Limited ("AISPL") and is authorized to administer and deliver the AWS Academy **Cloud Computing Architecture** curriculum from the locations listed below. To add more locations, you'll need written approval from us.

Institutions accepted into AWS Academy also agree to the rules and polices described in the AWS Academy Terms & Conditions and Program Guide, which you should have already received. These include:

- AWS Academy curriculum may only be delivered by AWS-accredited instructors
- Institutions must have a minimum of two AWS-accredited instructors for each AWS Academy-authorized curriculum
- Deliver each AWS Academy authorized curriculum in its entirety
- Deliver AWS Academy curriculum over a minimum period of 6 weeks

Approved locations for the program:

Main Campus
NH 58, baral partapur Bypass road Meerut
Meerut, Uttar Pradesh 250103
India

To login to the AWS Academy portal, go to <https://www.awsacademy.com/login>.

We look forward to your participation and wish your institution, educators, and students success in their AWS cloud computing journey with Amazon Internet Services Private Limited.

Sincerely,
The AWS Academy Team (Amazon Internet Services Private Ltd)

Amazon Internet Services Private Ltd. is a subsidiary of Amazon.com, Inc. Amazon.com is a registered trademark of Amazon.com, Inc. This message was produced and distributed by Amazon Internet Services Private Ltd., Ground Floor, Eros Corporate Towers, Nehru Place, New Delhi - 110 019, India.

AWS Academy Program Terms & Conditions

Last updated [August 24, 2020]

This AWS Academy Program Agreement (the “Academy Agreement”) is entered into between Amazon Web Services, Inc. (or the entity noted in Section 7 below) (“AWS,” “we,” “us”, or “our”) and you, and is made a part of the AWS Customer Agreement (available at <https://aws.amazon.com/agreement>) (the “Customer Agreement”), as may both be updated by us from time to time. The Academy Agreement is effective as of the date you click an “I ACCEPT” button or check the box presented with this Academy Agreement (“Effective Date”). If there is a conflict between the Customer Agreement and the Academy Agreement, the Academy Agreement will control. The AWS Customer Agreement and the Academy Agreement contain terms that govern your participation in the AWS Academy Program (the “Program”), described at <https://aws.amazon.com/education/awsacademy/> and its subpages (the “Program Site”). By accepting the terms of the Agreements, you represent to us that: (1) you are lawfully able to enter into them, and (2) if you are entering into them on behalf of an educational institution or entity (“Entity”), you have legal authority to bind that Entity.

1. The AWS Academy Program

1.1 Program Eligibility. To be eligible for the Program, you must:

- (a) be (or represent) an accredited educational institution; and
- (b) submit a Program application that is approved by AWS.

1.2 Program Requirements. At all times during your participation in the Program, you must:

- (a) comply with all additional requirements associated with the Program as specified on the AWS Academy Program Site, the AWS Academy Program Guide, the AWS Academy Welcome Letter (“Program Materials”), and the AWS Acceptable Use Policy (available at <https://aws.amazon.com/aup/>), which may all be updated from time to time;
- (b) enroll students in the Program and provide students with access (which may include on-line access) to Academy curriculum; and
- (c) appoint a Program point of contact (“Program POC”) who will be responsible for communicating with AWS about the Program and ensuring compliance with Program Requirements.

2. **License and Restrictions.** AWS may give you access to the Program Site, Program Materials, virtual training labs, content, courseware, curriculum and other Program-related tools (collectively “Academy Tools”) via a Program account in your name. AWS gives you a limited, royalty-free, revocable, non-exclusive, non-sublicensable, non-transferrable license to access, use, and integrate (into your learning management system (“LMS”)) the Academy Tools. You may not modify (except for non-substantive formatting to integrate into your LMS), create derivative works of, resell, or sublicense the Academy Tools.

3. Privacy.

3.1. AWS and Your Personal Information. AWS will treat any personally identifiable information (“Personal Information”) we collect from you as Account Information in accordance with the [AWS Privacy Notice](https://aws.amazon.com/privacy/) (located at <https://aws.amazon.com/privacy/>). Personal Information is information that relates to you individually, including your name, email address, birth date, etc. Information which is de-identified, anonymized, or aggregated such that it no longer relates to an identified or identifiable individual is not Personal Information.

3.2 FERPA. If you are subject to the United States Family Educational Rights and Privacy Act (“FERPA”), AWS acknowledges that, for purposes of this Academy Agreement, you may designate AWS as a “school official” with “legitimate educational interests” in information that is regulated by FERPA and its implementing regulations. AWS will abide by the limitations and requirements imposed by 34 CFR 99.33(a) on school officials. You agree that we may share your information with third party Program providers in connection with the administration of, or providing benefits under, the Program. For the avoidance of doubt, you and your end users may use the Program to disclose information to persons other than AWS and AWS will not be responsible for any such disclosure.

4. Term; Termination.

4.1 Term. The Academy Agreement will begin on the Effective Date, and will remain in effect until terminated.

4.2. Termination.

4.2(a) Termination for Convenience. Either party may terminate the Academy Agreement for any reason by giving the other party 30 days’ advance notice of termination.

4.2(b) Termination for Cause. We may terminate the Academy Agreement on less than 30 days’ advance notice if: (i) an earlier termination is needed to comply with law or requests of a governmental entity; or (ii) you materially breach your obligations under the Academy Agreement.

4.3 Effect of Termination. Upon termination, (a) all licenses granted by you or us arising from participation in the Program will terminate; (b) you will immediately cease use of all Program Benefits; and (c) you will no longer identify yourself or hold yourself out as a Program participant. If the parties terminate the Academy Agreement under Section 4.2(a), they agree to a wind-down period (“Wind-down Period”), for up to a maximum of four (4) months. During the Wind-down Period, the parties will cooperate to ensure that then-enrolled Academy students will have access to Academy Tools so that they may complete the Academy curriculum in its entirety. The Wind-down Period will not extend to students enrolled after any such termination.

5. Representations and Warranties. You represent and warrant that (a) you will not use Academy Tools in a manner not authorized by this Agreement (e.g., you will not infringe on a third party’s proprietary rights); (b) your participation in the Program will not cause injury to AWS or any third party; (c) you will not misrepresent or embellish your relationship with AWS; and (d) you are responsible for any dispute between you and any third party relating to your participation in the Program.

6. Miscellaneous.

6.1 Publicity and Reference Rights. You agree to comply with the Marketing Guidelines set forth in the Program Materials, and to serve as a reference for AWS and the Program. You further agree that AWS may: (a) use your name and organization logo (provided promptly by you to AWS, upon our request) on the Program Site ((or AWS site located at <http://aws.amazon.com>) and any subpages) and in public announcements, customer lists, commercial presentations, flyers, brochures, newsletters and other marketing collateral (the "Items"); and (b) reproduce, publish, distribute and translate, for advertising, merchandising and publicity purposes, all or any part of the Items.

6.2 Entire Agreement; English Language. The Academy Agreement (including any terms incorporated by reference herein) represents the entire agreement between you and us regarding the subject matter of the Program. If we provide you with a translation of the Academy Agreement, the English language version of the Academy Agreement will control if there is any conflict.

7. Special Provisions for India. Notwithstanding anything to the contrary contained in this Academy Agreement, the following provisions will apply if an Academy Program is operating in India:

7.1 Contracting Party. Your contracting party will be Amazon Internet Services Private Limited ("AISPL"), and this Agreement is an agreement between you and AISPL, located at Ground Floor, EROS Plaza, Eros Corporate Centre, Nehru place, New Delhi, India – 110019. All references to "AWS," "we," or "us" in this Agreement, Welcome Letter, and Program Guide shall be deemed as referring to AISPL;

7.2 Taxes. Each party will be responsible, as required under applicable law, for identifying and paying all taxes and other governmental fees and charges (and any penalties, interest, and other additions thereto) that are imposed on that party upon or with respect to Program participation, including receipt of Program Benefits. All fees and charges payable will be exclusive of applicable national, state, or local sales or use taxes or value-added tax or service tax or goods and services tax (collectively, "Taxes") that AISPL is legally obligated to charge under the applicable laws. The Taxes charged by AISPL will be stated in the invoice pursuant to applicable laws. AISPL may charge and you will pay any applicable Taxes, which are stated separately on the invoice. Any withholding taxes that may be applicable to the fees and charges payable to us are for our account. You will pay the fees and charges in our invoice in full (gross) without applying any withholding taxes. If you separately deposit applicable withholding taxes on such fees and charges to the applicable government treasury and issue us a withholding tax certificate evidencing such deposit, following receipt of the withholding tax certificate in original form, we will reimburse to you an amount equal to the taxes that are evidenced as deposited.

7.3 Privacy. The Privacy Policy referred in Section 3.1 shall be deemed to refer to the Privacy Policy located at <https://aws.amazon.com/privacy/>.

7.4 Notice. The address for notice to AISPL is: Ground Floor, EROS Plaza, Eros Corporate Centre, Nehru place, New Delhi, India – 110019, Attention: Legal Department, Facsimile: 011-47985609.

7.5 Governing Law/Disputes. The laws of India, without reference to conflict of law rules, govern this Agreement and any dispute of any sort that might arise between the parties. All disputes and differences arising out of or in connection with this Agreement will be referred to arbitration by a sole arbitrator appointed by AISPL. The decision and award determined by such arbitration will be final and binding upon

the parties. The arbitration will be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996, as may be in force from time to time. The arbitration proceedings will be conducted in English and the seat of the arbitration will be New Delhi.

AWS Academy Program Guide

Version 3.2, August 4, 2020

Welcome

Introduction

AWS Academy is a global program that provides educational institutions and non-profits (collectively, "institutions") with access to an AWS-authored curriculum so they can offer cloud computing courses to their students. By participating in AWS Academy, institutions can help students become proficient in Amazon Web Services (AWS) technology and gain industry-recognized AWS Certifications.

This Program Guide provides an overview of AWS Academy, including curriculum, program benefits, requirements, and information about how to participate. Besides the Program Guide, please read the [AWS Academy Terms & Conditions](#), located on the AWS Academy Portal and any successor or related locations designated by us, which govern your participation in the program.

AWS Academy Curriculum

AWS Academy courses are developed and maintained by AWS. Each learning path within the AWS Academy curriculum addresses different subject areas. AWS Academy courses are packaged in a modular format that may be delivered to students as synchronous or asynchronous learning in either an educator-led or virtual classroom environment.

Each learning path is designed to help students prepare for an AWS Certification. Students are provided with access to free certification practice exams and discounted certification exams that are aligned to the course. AWS Academy courses must be delivered by accredited educators who have completed the AWS educator accreditation requirements for each course they teach.

Requirements for Delivery

Institutions and AWS Academy accredited educators must:

- Comply with the [AWS Academy Terms & Conditions](#), located on the AWS Academy Portal, and any successor or related locations designated by us and all requirements described in this AWS Academy Program Guide;
- Be approved by AWS for each AWS Academy course they intend to deliver to students;
- Deliver AWS Academy courses only to students enrolled at the institution;
- Deliver AWS Academy courses in their entirety (to accommodate time constraints or other considerations, a course may be truncated into segments, as long as all segments are delivered);
- Deliver AWS Academy courses over a minimum period of weeks specified in the course outline;
- Keep AWS Academy courses updated with most recent version of the provided courseware;
- Deliver AWS Academy courses to students as synchronous (i.e. real time) or asynchronous learning in either an educator-led or virtual classroom environment;
- Meet the following requirements when delivering AWS Academy courses asynchronously:
 - Institutions are permitted to integrate the AWS Academy courseware into their Learning Management System (LMS). Institutions must strictly adhere to the guidelines for content usage as defined in the [AWS Academy Terms & Conditions](#), located on the AWS Academy Portal, and any successor or related locations designated by us.

AWS Academy Membership

As an AWS Academy member, your institution has access to AWS Academy courses that can be delivered to students by AWS Academy accredited educators.

How Institutions Can Apply

Membership in AWS Academy is open to all institutions approved by AWS Academy. More information about how to apply is available at aws.amazon.com/training/awsacademy. To deliver AWS Academy courses, you must become an AWS Academy accredited educator and possess advanced AWS technical knowledge.

Requirements for Institutions

To participate in AWS Academy, institutions must:

- Agree to the [AWS Academy Terms & Conditions](#), located on the AWS Academy Portal, and any successor or related locations designated by us and all requirements described in the AWS Academy Program Guide;
- Nominate educator(s) within 2 weeks of signing the AWS Academy Terms & Conditions;
- Agree to use the AWS Academy name, logos and branding materials as per the PR and brand guidelines found on the AWS Academy portal on the "Resources" tab;
- Administer and deliver AWS Academy courses only in AWS-approved countries (Please review the AWS Academy website for list of approved countries).
- Appoint an institutional central point of contact (CPOC) responsible for overseeing all AWS Academy program requirements and activities within the educational institution and the institution's communications with AWS. This includes ensuring that educators are updated with relevant program updates that AWS provides to the CPOC;
- Receive written AWS approval for each AWS Academy course you intend to deliver;
- Have an AWS Academy accredited educator deliver the AWS Academy course or courses;
- Agree not to provide third-party organizations with access to AWS Academy courses or other program components. For example, you may not use program benefits to provide fee-for-service training to any individual, institution, or entity not currently enrolled at your institution as a bona fide student;
- Ensure at least 75% of students in each class complete a course evaluation. The evaluation, provided by AWS through a survey software platform, will help assess student satisfaction with AWS Academy content and delivery.

AWS Academy Membership

AWS will review each member institution annually to determine whether it continues to meet program compliance requirements. AWS reserves the right to terminate the membership of AWS Academy institutions that do not meet the requirements set forth in the [AWS Academy Terms & Conditions](#), located on the AWS Academy Portal, and any successor or related locations designated by us and Program Guide.

Upon termination of an institution's participation in AWS Academy as set forth in the AWS Academy Terms & Conditions, the institution must cease all activity related to participation in AWS Academy, including:

- Ceasing to identify as a participant in AWS Academy;
- Removing the AWS Academy logo from all the institution's websites and marketing materials;
- Discontinuing all uses of AWS Academy program benefits.

Benefits for Member Institutions

AWS Academy members receive a number of benefits that are solely for use by institutions, educators and students participating in AWS Academy, including:

- Access to courses developed and maintained by AWS;
- Course updates that reflect new AWS releases and best practices;
- Listing in the AWS Academy directory of participating institutions on the AWS Academy website after delivering a class;
- Access to AWS Academy logos and branding, which must be used in adherence with the [PR and brand guidelines](#), found on the AWS Academy portal;
- Access to free practice exams and serialized discount certification coupons for AWS Academy accredited educators and AWS Academy students within their institution;
- Invitation to AWS Academy events, such as AWS Academy conferences and webinars. Your regional AWS Academy Program Manager will notify you when opportunities to participate are available.

AWS Academy Educators

To deliver AWS Academy courses, you must become an AWS Academy accredited educator and possess advanced AWS technical knowledge.

How to Become an AWS Academy Accredited Educator

To become an AWS Academy accredited educator, you must be nominated by an AWS Academy member institution. All nominations are reviewed by AWS to determine whether candidates meet program requirements.

Program educator candidates who successfully complete the educator accreditation requirements for an AWS Academy course become accredited to teach the course at their respective AWS Academy member institution. AWS Academy will confirm approval of your status as an AWS Academy accredited educator in writing to both you and the AWS Academy CPOC at the sponsoring member institution.

If you do not successfully complete the above steps, AWS will provide you with feedback on any areas that need correction or improvement, as well as any steps that may be taken to continue the approval process.

Benefits for Educators

AWS Academy accredited educators receive the following program benefits:

- Access to complete courses developed and maintained by AWS;
- Course updates that reflect new AWS releases and best practices;
- Complimentary seats in AWS-delivered courses relevant to AWS Academy courses they are preparing to teach;
- Access to the AWS Academy accredited educator logo;
- Access to free certification practice exams and discounted certification exams;
- Invitation to AWS Academy conferences, webinars, and other events;
- Technical support.

Requirements for Educators

AWS Academy educators must:

- Be nominated by an approved AWS Academy member institution to become an AWS Academy accredited educator;
- Acknowledge the Program Guide in the AWS Academy portal no later than 2 days after their nomination is accepted (link to acknowledge the Program Guide will expire after 2 days).
- Attend an introductory call hosted by the Technical Program Manager within 30 days of acknowledging the Program Guide.
- Complete self-study in 3 months for foundation level or 6 months for associate-level courses
- Take the respective AWS Certification exam no more than 30 days after completing the course

- 
- Comply with the [AWS Academy Terms & Conditions](#) located on the AWS Academy Portal, and any successor or related locations designated by us and all requirements described in the AWS Academy Program Guide;
 - Agree to use the AWS Academy name, logos and branding materials as per the PR and brand guidelines found on the AWS Academy portal;
 - Deliver AWS Academy courses only from the AWS Academy member institutions and within the country that is on the member institution's profile;
 - Deliver only the AWS Academy courses for which they are accredited;
 - Deliver a minimum of one complete AWS Academy course each academic year;
 - Stay current on AWS services and the AWS Academy courses that an educator is accredited to deliver;
 - For AWS Academy courses where the AWS Academy educator accreditation process requires AWS Certification, AWS Academy accredited educators must meet recertification requirements as described at <https://aws.amazon.com/certification/recertification>;
 - Provide a current institution email address to accept all AWS Academy-related communications from AWS;
 - Consistently deliver a high-quality learning experience for AWS Academy students;
 - Ensure that at least 75% of students in each class complete an AWS Academy course evaluation form.

AWS Academy Marketing Guidelines

Logos and Marketing Assets

AWS Academy logos and branding, i.e., "AWS Marks," may be used per the AWS Trademark Guidelines at <https://aws.amazon.com/trademark-guidelines/> and the brand guidelines found in the AWS Academy portal under the "Resources" tab, which may be updated from time to time at our discretion. Logos and other digital marketing materials can be accessed by participating institutions and accredited educators at <https://www.awsacademy.com/AcademyDocs>. Below, please find some examples of the assets we provide to member institutions.

Program logo

The AWS Academy logo may be used in digital or print media:

- to promote the program and associated courses
- to promote an institution's or educator's participation in the program
- to acknowledge that AWS Academy provided the course material your institution teaches

Please review the brand guidelines in detail for instructions and restrictions.

AWS Academy accredited educator logo

This logo is awarded to an individual who has successfully been accredited to teach AWS Academy courses at their member institution. It can be used:

- in a digital or print educator profile (e.g., faculty bio, LinkedIn, email signature);
- in conjunction with promotion of the program and associated course(s) being taught by the educator.

Please refer to the brand guidelines for additional instructions and restrictions.

Other Marketing Assets

AWS Academy offers a number of marketing resources that member institutions can use online or in print, including flyers and social media ads. Institutions can access these materials in AWS Academy portal. They must be used in compliance with the brand guidelines.

AWS Academy Marketing Guidelines

Program Name and Titles

Use the approved names and titles below in all marketing and promotions.

Item	Approved	Do not use

AWS Academy Marketing Guidelines

Involvement in AWS Academy

We are grateful for your institution's participation in AWS Academy. Following is some information about AWS Academy that may be shared with students.

About AWS Academy

AWS Academy provides higher education institutions with free, ready-to-teach cloud computing curriculum developed and maintained by AWS. With professional development opportunities and courses aligned to AWS Certifications, AWS Academy empowers educators to deliver hands-on learning experiences that prepare students for industry-recognized certifications and in-demand cloud jobs.

About the curriculum

The AWS Academy curriculum is designed to help students develop technical expertise in cloud computing and help them prepare for AWS Certification.

About AWS Certification

Upon successful completion of an AWS Academy course, students get access to a free practice exam and serialized discounted certification coupon for AWS Certification exams.

AWS Certifications recognize individuals with the technical skills and expertise to design, deploy, and operate applications and operations on AWS. For more information about AWS Certification, visit <https://aws.amazon.com/certification/>.

Please contact your AWS Academy Technical Program Manager if you have any questions.

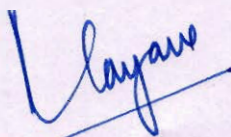

If you have additional questions
about AWS Academy, contact your
Technical Program Manager.

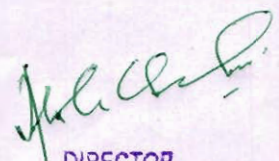

MEMORANDUM OF UNDERSTANDING
between
MEERUT INSTITUTE OF TECHNOLOGY, MEERUT
and
MEERUT INSTITUTE OF ENGINEERING AND TECHNOLOGY, MEERUT

1. This MEMORANDUM OF UNDERSTANDING (hereinafter referred to as MoU) is hereby made and entered into on this date 03-OCT-2019 by and between the MEERUT INSTITUTE OF TECHNOLOGY, NH-58, Bye-Pass Road, Baral Partapur, Meerut - 250103, hereinafter referred to as MIT, and the MEERUT INSTITUTE OF ENGINEERING AND TECHNOLOGY, N.H. 58, Delhi-Roorkee Highway, Baghpat Road Bypass Crossing Meerut - 250005, hereinafter referred to as MIET.
2. The Programme for which this MoU is signed is to be known as "EXCHANGE OF FACULTY/ STUDENTS".
3. Whereas the MIET is desirous of working on collaborative basis in the fields of academics, education and research under the said programme with MIT, the two parties to this MoU, with the intention of both being legally bound, accept the following terms and conditions:
4. The two institutions shall seek to promote:
 - a. **Faculty Exchanges**
 - I. The exchange of faculty to the mutual benefit of both institutions,
 - II. Collaboration in teaching, research and development in the field of mutual interest,
 - III. The exchange of academic materials and publications,
 - IV. Conducting lectures,
 - V. Undertaking joint research,
 - VI. Attachment of faculty for purposes of curriculum development and review, attendance of courses, upgrading of teaching and research skills,
 - VII. Participating in seminars, symposiums, and other types of academic discussions,
 - VIII. Co-supervising post-graduate students,
 - IX. Conducting study tours and joint consultancy work.

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visit or an assignment or such exchange, including those concerning salary, travel funding, health insurance, and housing will be worked out between the institutes. A separate agreement will be entered into giving such details including term of exchange of any intellectual property.

Meerut-250005 (U.P.)

DIRECTOR
MEERUT INSTITUTE OF TECHNOLOGY
MEERUT

b. Student Exchange

MIT and MIET agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study.

- I. Exchange students will be selected by mutual agreement between the home institution and the host institution.
- II. An exchange student will continue to be treated as full-time student at his/her home institution.
- III. An exchange student will be considered as full-time "exchange" student at the host institution.
- IV. His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- V. The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- VI. MIT and MIET agree to provide suitable accommodation and living expenses for student exchange, if required.
- VII. The exchange students will pay tuition and other fees at their home institution.

c. Other Areas:

- I. to exchange information on research and educational programs,
- II. to exchange information on teaching, learning material and other literature relevant to their educational and research programs,
- III. to jointly organize short-term continuing education programs on topics of mutual interest and to invite each other's faculty to participate therein,
- IV. to organize jointly seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein,
- V. to propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty to participate therein,
- VI. to exchange, on a reciprocal basis, students at Undergraduate, Graduate levels for limited periods of time for purpose of education and /or research,
- VII. the provision of cultural and intellectual enrichment opportunities for staff and students of both institutes,
- VIII. to use laboratory facilities in specific cases for a limited period,
- IX. to permit students, staff and faculty members to use library facility.

MIT and MIET agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions.

5. Force Majeure

Director

Meerut Institute of Engineering & Technology
NH-58, Baghat Road Crossing, Bypass Road

DIRECTOR
MEERUT INSTITUTE OF TECHNOLOGY
MEERUT

In the event of non-fulfillment of the terms and conditions stated above due to any reason of force majeure namely fires, wars, riots, strikes, natural calamities, etc., neither the MIET nor MIT shall be held responsible for any loss or consequential loss.

6. Amendment

The obligation of the MIET and MIT has been outlined in this MoU. However, during the operation of the MoU, circumstances may arise which call for alteration or modifications of this MoU. These modifications/alterations will be mutually discussed and agreed upon in writing.

7. Termination

Either institution may terminate the MoU by giving written notice of six months in advance to the other institution. Once terminated, neither MIT nor MIET will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, MIT and MIET will ensure that the provisions of this Memorandum shall continue to apply to all activities in progress until their completion.

8. Validity

This MoU shall be initially valid for five years from the date of signing and to be renewed subsequently by mutual consent of both the parties.

9. Arbitration

Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultations and agreements by the parties to the memorandum.

INTERNSHALA COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 21st June 2019 by and between:

Scholiverse Educare Private Limited, having its registered office at B-610, Unitech Business Zone, Nirvana Country, Sector-50, Haryana - 122018, acting through its authorized representative Samay Bhatnagar, Head, University Relations (hereinafter referred to as “**Internshala**”);

AND

Meerut Institute Of Technology , Meerut (hereinafter referred to as the “**College**” which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative Sanjeev Maheshwari, Professor.

Overview:

This agreement is regarding the college registration of ‘Meerut Institute Of Technology , Meerut’ with ‘Internshala’.

Responsibilities of Internshala:

- Create student accounts for all the students registered by the College.
- Provide weekly internship update to all the students registered by the College as per their filled in preferences
- Safeguard students’ data as per Internshala privacy policy (<https://internshala.com/privacy>)
- Inform the College when students get selected for an internship
- Inform the College about all internship campaigns launched every month
- Provide an additional 10% discount on all Internshala trainings to students of the college

Responsibilities of the College:

- Recognize Internshala as the internship and training partner in all internal and external communications including on its website and in admission/media brochures
- Send a communication to all the students and faculties regarding the association and direct/encourage students to verify their accounts
- Provide the information of all the interested students of the College as required by Internshala for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College
- Regularly post a list of students selected for internships through Internshala every month on the college’s notice board
- Share necessary/relevant information regarding internship campaigns launched by Internshala with its students

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from 21st June 2019 and the initial tenure of the agreement is 1 (one) year. Upon completion of the tenure, the agreement can be renewed for another 1 year and so on with mutual consent of both parties. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Disputes:

The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives.

Signed and Delivered by The Signatory Representative of Parties to this agreement:

GROUP OF INSTITUTIONS

**MEMORANDUM OF UNDERSTANDING
BETWEEN**

**Meerut Institute of Technology
And
Wonderland IT Solutions**

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 19th Feb 2019.

BETWEEN

Meerut Institute of Technology represented herein by its Name of Competent Authority / Representative (hereinafter referred as 'Meerut Institute of Technology, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Wonderland IT Solutions, and represented herein by its Zonal / Divisional Head, Name of Competent Authority / Representative, (hereinafter referred to as "Wonderland IT Solutions, company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(Meerut Institute of Technology and Wonderland IT Solutions are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) Meerut Institute of Technology is a Higher Educational Institution

For Wonderland IT Solutions
Proprietor

- B) Meerut Institute of Technology & Wonderland IT Solutions believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) - **Name of industry** - the Wonderland IT Solutions is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - **name of trade and services under the industry concerned** - - and related fields
- F) - **Name of industry** - The Wonderland IT Solutions is promoted by **Sarika Tiwari & Chandril Bhakri, at 5th Floor Bhagwan Sahay Complex Main Road Above Central Bank of India, Naya Bans, Sector15 Uttar Pradesh, Noida, Uttar Pradesh 201301**
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 Meerut Institute of Technology and Wonderland IT Solutions co-operate and will

For Wonderland IT Solutions
S. Tiwari
Proprietor

facilitate effective utilization of the intellectual capabilities of the faculty of Meerut Institute of Technology providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Wonderland IT Solutions.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Wonderland IT Solutions will give valuable inputs to the Meerut Institute of Technology in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Meerut Institute of Technology to permit the Faculty and Students of the Wonderland IT Solutions to visit its group companies and also involve in Industrial Training Programs for the Meerut Institute of Technology. The industrial training and exposure provided to students and faculty through this

For Wonderland IT Solutions
R. Tiwari
Proprietor

association will build confidence and prepare the students to have a smooth transition from academic to working career. The Wonderland IT Solutions will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the Meerut Institute of Technology.

- 2.4 **Internships and Placement of Students:** Wonderland IT Solutions will actively engage to help the delivery of the Internship and placement of students of the Meerut Institute of Technology into internships/jobs, as per AICTE internship Policy. The Wonderland IT Solutions will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - **Name of Industry specializations, activities and services -**
- 2.6 **Skill Development Programs:** Wonderland IT Solutions to train the students of Meerut Institute of Technology on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Wonderland IT Solutions to extend the necessary support to deliver guest lectures to the students of the Meerut Institute of Technology on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Wonderland IT Solutions to train the Faculties of Meerut Institute of Technology for imparting industrial exposure/training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Meerut Institute of Technology**, the Wonderland IT Solutions to take up any program mentioned

For Wonderland IT Solutions
R. Tiwari
Proprietor

in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Name of Industry**, the Wonderland IT Solutions, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Wonderland IT Solutions after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing.
In

4.3 the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **Meerut Institute of Technology** and **Second Wonderland IT Solutions** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
