INDUSTRIAL VISIT TO MOTHER DAIRY PLANT, PATPARGANJ, DELHI

On 24 April 2024, MIT Meerut organized an industrial visit to Mother Dairy in Patparganj, New Delhi for commerce students. The students were accompanied by two faculty members (Ms. Renu Singh and Ms. Meenakshi Verma).

The purpose of the visit was to provide the students with a practical introduction to the activities of a leading dairy company. Students observed the entire production process from milk collection to packaging and gained knowledge about supply chain management, quality control and hygiene standards. The importance of efficient logistics to ensure the freshness and timely delivery of dairy products to the consumer is learned. Communication with industry professionals provided valuable information on marketing strategies and the role of technology in operational efficiency. Overall, the industry visit to Mother Dairy was a valuable learning experience that helped students better understand the business of the dairy industry and provided them with practical knowledge that can be applied to their future business careers.

REPORTS ON

“Visit to National Dairy Research Institute (NDRI) Karnal”

NDRI is also a leading research institution in the field of animal genetics and breeding, livestock production and management, and animal nutrition. It has state-of-the-art research facilities, including laboratories, animal houses, and pilot plants, to carry out cutting-edge research in these fields.

On **26-10-2023**, an Educational cum Industrial tour was organized by Meerut Institute of Technology, Meerut to the National Dairy Research Institute (NDRI), Karnal, Haryana for BSc Ag 2nd year students. A group of **44** students were accompanied by **Tour coordinator Er. Raman Rohila, Dr. Deepak Singh and Mr. Vivek Verma** on **26-10-2023**. The aim was to familiarize the agriculture students with dairy farming, the processing of milk and milk products, their quality control, and contemporary research in the dairy sector. NDRI, the students first visited the Exhibition Unit, showcasing NDRI's contributions to food quality testing and dairy product innovation. Students learned about the advancement in technologies used in Dairy Sector, Animal husbandry and Sustainable Agriculture.

At the Milk Processing Unit, students observed the manufacturing processes for various dairy products, innovative methods of quality control, logistics and their marketing skills. The students also observed diverse but indigenous breeds of cattle and goat while visiting the cow shed and goat shed at National Bureau of Animal Genetic Resources (NBAGR) Unit in the same campus. Dr. B.S Meena told them about different types of Culture and floured milk. He also made them aware about different types of cattle species and their clones. They also visited the livestock department where they saw a goat breed, buffalo, buffalo clone, Cow breed and Cow clone.

Overall, the industrial visit provided valuable understandings to our students into dairy sector specifically for production and their management. The students interacted with industry experts and gained knowledge about the latest advancements in dairy technology and sustainable agriculture practices.

EDUCATIONAL TWO DAYS TOUR

REPORT ON

1st Day

Visit to National Dairy Research Institute (NDRI) Karnal

Our college MIT, Meerut has organized an educational Visit to National Dairy Research Institute (NDRI), Karnal for B.Sc. Ag III & IVth year students. Students departed from MIT, Meerut College at 10 am by college bus. A group of 44 students were escorted by tour coordinator Dr. Sahadev Singh, Dr. Praveen Sahu on 8-4-2024. The aim of the trip was to familiarize the students with different Dairy techniques. Students got the chance to learn many things from different departments in NDRI.

Students first went to Exhibition Unit, where they observed the current dairy products and animal clone techniques, and identified different cattle clones, dairy milk product. Dr. B.S. Meena taught them about different types of Culture and floured milk. They also visited the livestock department where they saw a goat breed, buffalo, buffalo clone, Cow breed and Cow clone. Students also came to know about various types of dairy products and methods of their animal clone. Students interacted with Dr. B.S. Meena happily and he gave them valuable information.

The MIT team appreciated the scholars of Institute who guided students and answered their queries. This visit will help students to understand subject matter clearly in the future also.

2nd Day

VISIT OF INDIAN INSTITUTE OF WHEAT & BARLEY RESEARCH

The Indian Institute of Wheat and Barley Research (IIWBR) is a premier agricultural research institute in India dedicated to enhancing the productivity, sustainability, and resilience of wheat and barley crops. Established with the vision to address the challenges faced by these staple crops, IIWBR plays a pivotal role in agricultural research and development.

Dr. Mangal Singh provided information about Karnal bunt disease of wheat, its origin, spread, symptoms, etc.

Then students and faculty attended a lecture by Dr.Mangal Singh in Dr.S Nagarajan seminar hall where we knew about the history of IIWBR and the developments and their achievements.

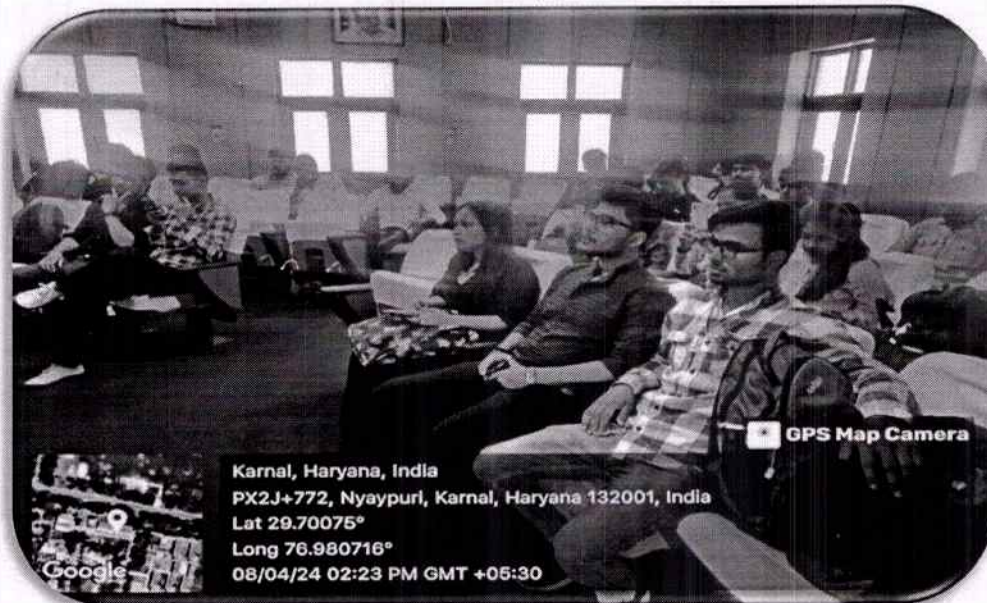

In the field we also see the durum and triticum wheat and 2 or 6 row barley crops, disease resistant variety development field, tall varieties of wheat and barley. We also visited NIVT unit where new variety are tested for disease resistance quality.

We also seen seed processing unit where several machineries are available which is used to grading, cleaning, packaging of seeds. we left IIWBR campus at 3:30 PM to return to college and we reached to the college campus around 6:00 PM. At 6:10 pm all students and teachers return back to MIT, Meerut.

“Visit to Mother Dairy, Patparganj New Delhi”

Our College MIT, Meerut has organized an Industrial visit to **MOTHER DAIRY Patparganj New Delhi** for BSc Ag 3rd and 4th year students. Students departed from MIT, Meerut College at 10 am by college bus. A group of students were escorted by Tour coordinator Er. Raman Rohila, Dr. Praveen Sahu on 24-4-2024.

“Mother Dairy” is the single largest brand of milk in India as well as in Asia, marketing about 4.45 million litres of milk per day. Mother Dairy commands 62% market share in the organized sector in and around Delhi, primarily because of consistent quality and service – whatever be the crisis – floods, transport, strike, curfew etc. Mother Dairy, Patparganj, Delhi is presently manufacturing & selling around 8.5 lakhs litres of toned milk through bulk vending shops.

The visit commenced with all the students arriving at the Mother Dairy site in Patparganj. We were warmly received and served with refreshments, creating a welcoming and comfortable atmosphere for our visit. This plant deals in production of about 10 lakh litres of toned milk and other dairy products distributed in Delhi & NCR on daily basis. College instructed the students about the decorum that was needed to be maintained on the premises. The students got excited and curious after reaching at Mother Dairy plant. They were directed to a conference room where they were welcomed by Engineer-in charge. He gave a presentation on the working & vision of the company. Engineer-in charge gave a brief introduction of White Revolution Movement led by our former prime minister Shri Lal Bahadur Shastri to provide an uplifting growth & led a transparent system in the milk production in our country.

We had the privilege of witnessing the inner workings of the Mother Dairy plant. A highlight of the visit was gaining a firsthand understanding of the milk filtration process, which involves transferring milk from containers to the processing plant, maintaining precise temperature conditions. Additionally, we were provided with an overview of Mother Dairy's extensive product range, showcasing their commitment \

to providing high-quality dairy and related products. It was a valuable experience that provided us with practical insights into the dairy industry's operations and the challenges it faces. It was truly a pleasure and really good learning exposure for our students.

Industrial visit to NCMRWF, Weather forecast Noida,

“Industrial visit provides the students with an opportunity to learn practically through interaction.” Meerut Institute of Technology successfully conducted an Industrial Visit to National Centre for Medium Range Weather Forecasting (NCMRWF) A-50, Sector-62, Noida, a renowned Centre of Excellence in Weather and Climate Modeling operating under the Ministry of Earth Sciences on May 5th, 2024.

The students of B.Sc. Ag. pre final year along with faculty members Dr. Ravi Shankar and Dr. Praveen Saho visited NCMRWF for an Industrial visit. This visit was mainly focused on to the concepts of Weather forecasting using Super Computer & AI technologies. Dr Balakrishnan Athiyaman - Senior Scientist & Head, HPC (NCMRWF) elaborate about High Performance Computing Data centre and show the latest HPC system CRAY XC40 system. Their team of Scientist and Engineers explained about the organization and methods of working with different technologies. They illustrated about the distinct models used for the Weather Prediction and forecasting. They also explained about the Super Computers (MIHIR) and how it has been used in Weather prediction and analysis. Overall, the Industrial visit was very informative and beneficial for the students, they were so excited to see First Super Computer.

It was truly a pleasure and really good learning exposure for our students of Agriculture. We extend our heartfelt gratitude to Prof. (Dr.) Dhiraj Gupta (Director), Dr Balakrishnan Athiyaman Prof. and scientist Dr. Akhilesh Mishra.

Educational Visit to KVK, Hastinapur

Department of Agriculture, MIT Meerut has organized an educational one-day trip to KVK of Hastinapur on 22/7/2024. Students of B. Sc. Agriculture (1st year) accompanied by faculty members Dr. Raghuvir Singh, Dr. Yogesh Kumar & Er. Raman Rohila.

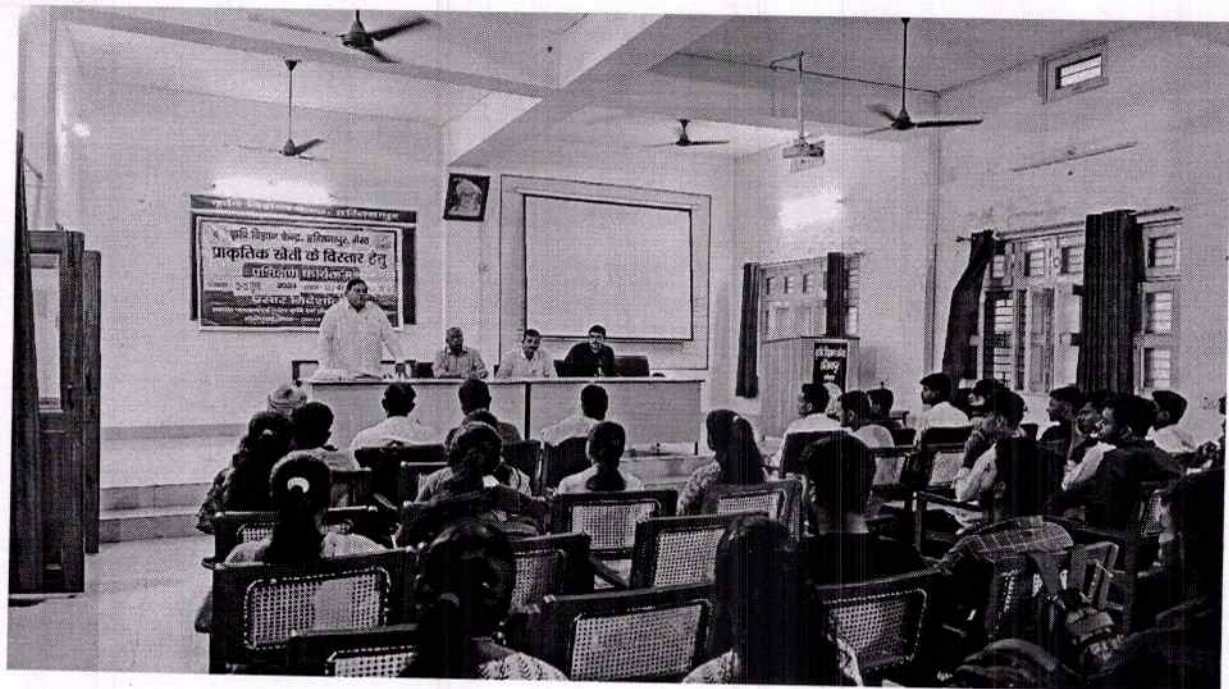

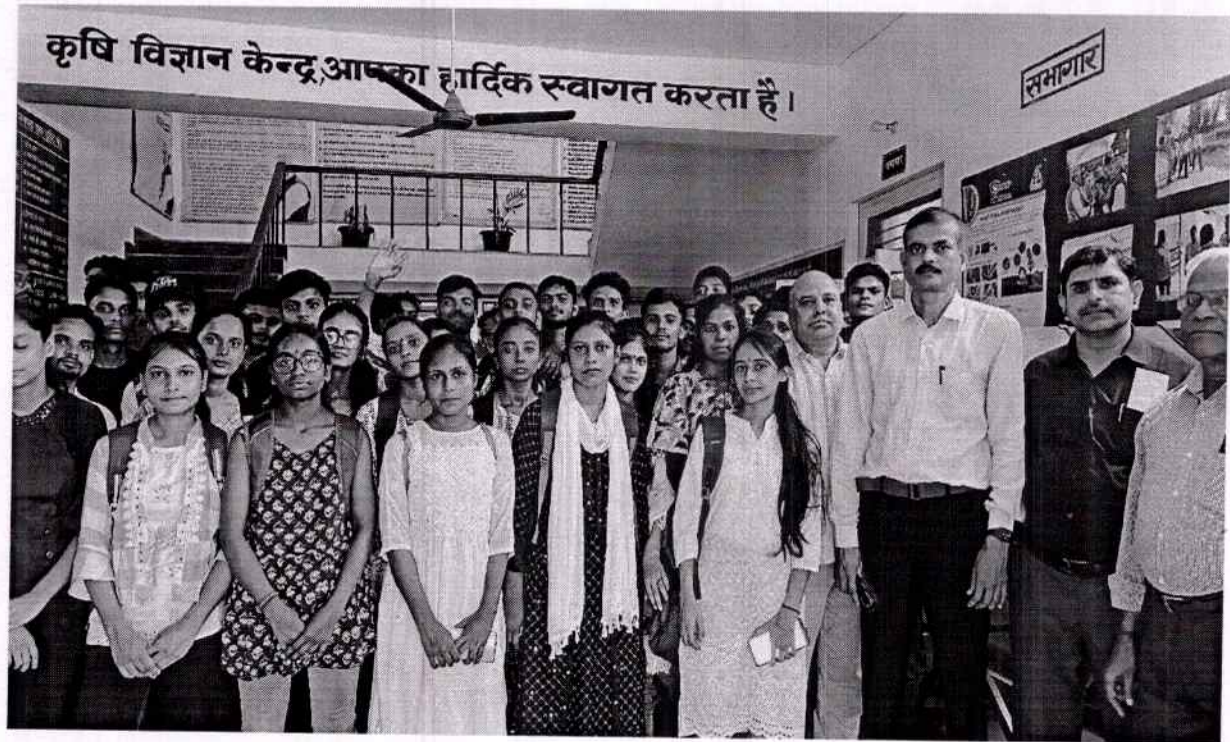

Situated in District Meerut about 37 kms. from Meerut and 100 kms. from Dehi connected through Meerut-Bijnor Road, it has been a silent witness to the majestic, grandeur, royal conflicts and princely anecdotes of Pandavas & Kauravas. Known as an over as capital city of Pandavas and Kauravas in Mahabharata times. Hastinapur is also a sacred place for Jain devotees. A number of Masterpieces of architecture and centers of great faith of Jain religion are also worth visiting here as- Jambu-dweep Jain Temple, Shwetambar Jain Temple, Prachin Digambar Jain Temple, Astapad Jain Temple and Shri Kailash Parvat Jain Temple etc. The students were educated about the historical and mythological significance of Hastinapura during the visit.

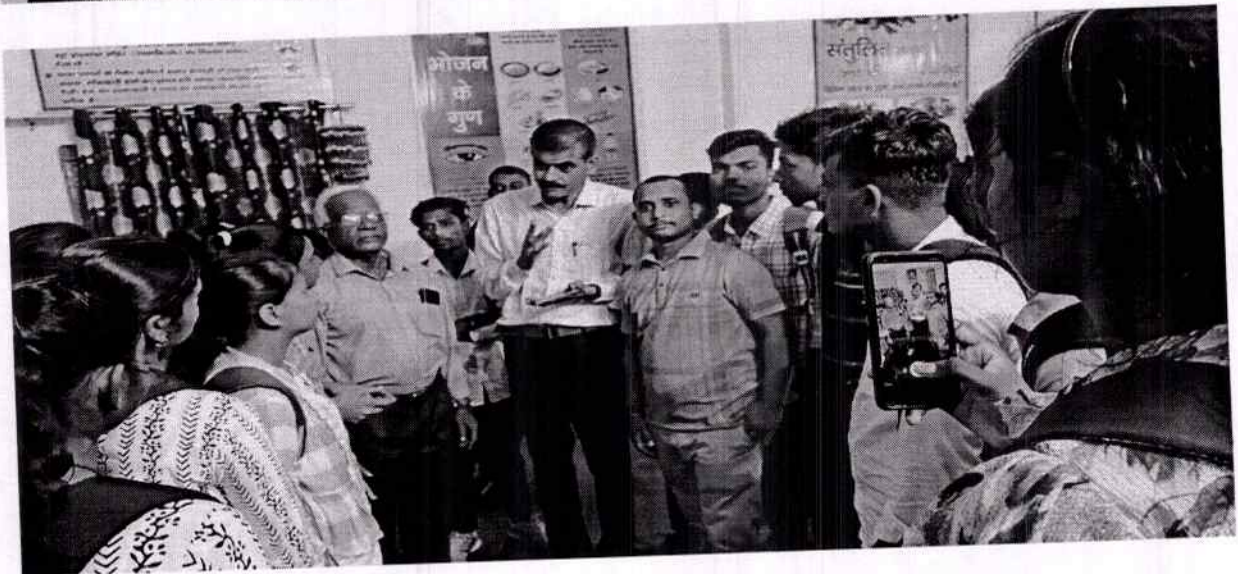

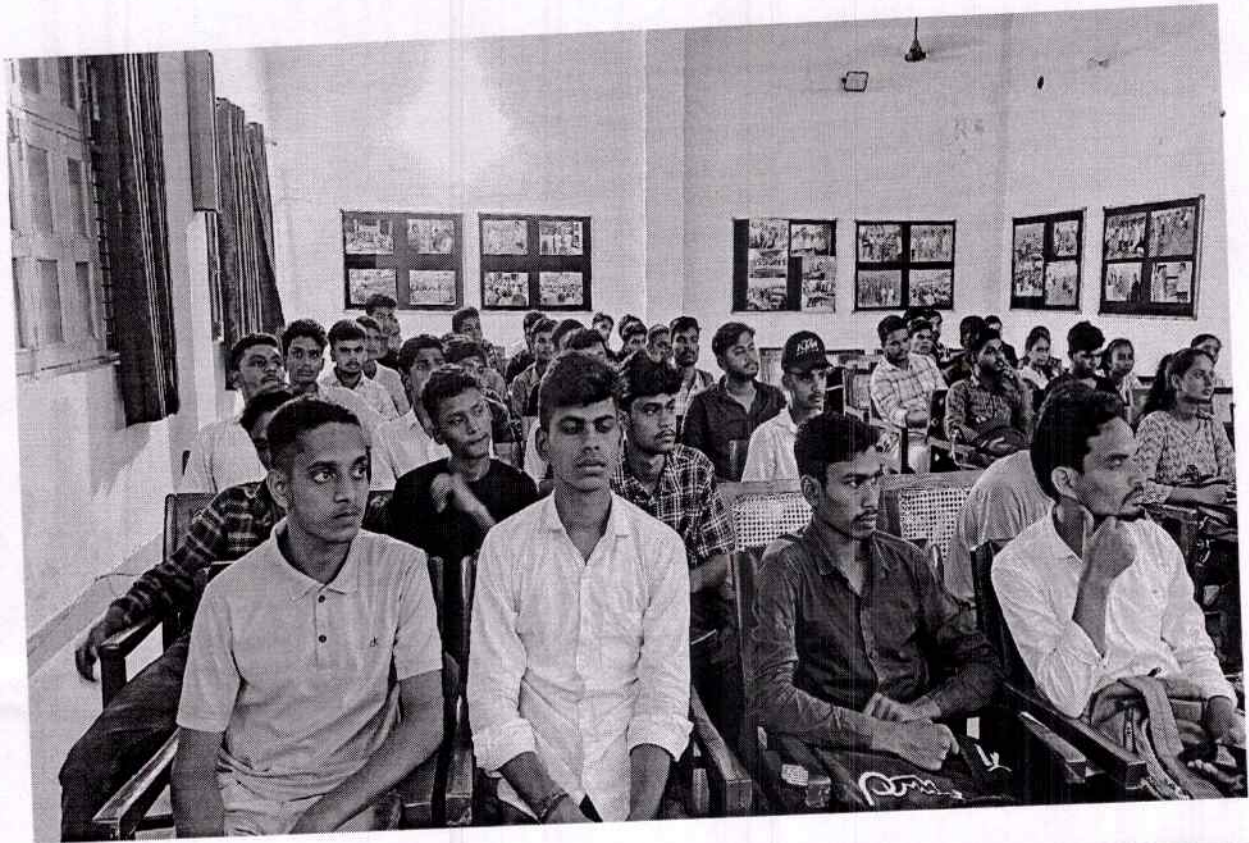

Students visited the natural farming unit of Krishi Vigyan Kendra, Hastinapur on 22/7/2024 to get the information on natural farming. Students visited the crop cafeteria where Dr. Rakesh Sharma Scientist, & Dr. Anita Yadav KVK provided students the information on Crop Management and Farms homemade Products.

Students were happy by having information of all scientific technology adopted by farmers and new launched concepts for better agricultural practices.

Educational Visit to KVK Shamli and Baghra, Muzaffarnagar

Department of Agriculture, MIT Meerut organized an educational one-day trip to KVKs of Shamli & Muzaffarnagar on 13/8/2024. Students of B.Sc. Agriculture (1st year) accompanied by faculty members Dr. Rishi pal, Dr. J.P Kanaujia, Dr. Yogesh Kumar & Dr. Vivek Kumar.

A group of 110 B.Sc. students from MIT, visited KVK On 27/09/2019. This practical excursion was part of our AG-208 Agricultural Extension Education course, where we delved into the world of agriculture and expanded our knowledge. The students visited KVK instructional farms and interacted with the Scientist and SMS at KVK. Dr. Ajay Yadav Scientist. Dr. Sandeep Choudhary, KVK Shamli gave students the information on sugarcane varieties and their sowing methods. We explored various aspects of agricultural practices and gained valuable insights into animal husbandry, vermicomposting techniques and many more.

The experts at KVK shared their extensive knowledge through practical demonstrations, enabling us to understand the real-world applications of our classroom learning.

Witnessing the meticulous care given to livestock in the animal husbandry section emphasized sustainable practices and efficient resource utilization. The vermicomposting process showcased the power of earthworms in converting organic waste into nutrient-rich compost, promoting eco-friendly practices.

On same day i.e. 13/8/2024 students further visited Krishi Vigyan Kendra, Baghra, Distt. Muzaffarnagar with an objective to provide knowledge about agricultural practices. Dr. Virender Singh was in charge of this KVK. He made students and Faculty aware about the role of organic farming in control of plant diseases.

We express our gratitude to our professors and the KVK staff for organizing this insightful trip, bridging the gap between theory and practice in agriculture. The knowledge and experiences gained during our visit will shape our perspectives and inspire us to make a positive impact in the agricultural sector.

At 3:30pm all students and teachers return back to MIT, Meerut
