

MEERUT INSTITUTE OF TECHNOLOGY (PC), MEERUT

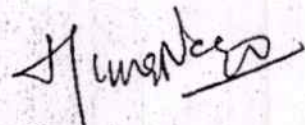

DEPARTMENT OF AGRICULTURE

NOTICE

Date: 29-02-2024

All the students of B. Sc. Agriculture are hereby informed that Department of Agriculture will organized a "Seminar on Importance of Meteorology in addressing global challenges" on dated 2-03-2024 at 10.00 am to 12.30 pm (in seminar room 005). Dr. U.P Sahi Professor, SVPDAT, Meerut will deliver the lecturer on Importance of Meteorology.

All the students are advised to participate.

(Dr. Hema Negi)

HOD, Agriculture

Report on: Seminar on "Importance of meteorology in addressing global challenges"

A Seminar was organized on the topic "**Importance of meteorology in addressing global challenges**" and it was delivered by Dr. U.P Sahi, Professor SVPUAT, Meerut, 2/3/2024 in the seminar hall (005) of Meerut Institute of Technology Meerut. In this lecture Dr. U.P Sahi was the keynote speaker. The Head of the Department of Agriculture Dr. Hema Negi formally welcomed Dr. U.P Sahi. In her address, Dr. Negi emphasized the relevance of meteorology in today's context.

On this occasion Dr. Sahi, talked about different weather systems, different meteorological tools, and the role of the India Meteorological Department in Weather Forecast, Weather Monitoring, and Weather Warnings. He presented practical and scientific views on the important role of the Meteorology in crop production as well.

Dr. Sahi emphasized the critical role of meteorology in various fields. He highlighted its importance in agriculture, explaining that meteorology provides vital weather information to help protect crops. Discussing its contribution to environmental conservation, Dr. U.P Sahi noted that meteorology offers precise data about environmental conditions, enabling efforts toward environmental protection. Additionally, he pointed out that meteorology significantly influences economic development by guiding weather-based economic decisions.

Dr. U.P Sahi further explained that meteorology involves the study of the atmosphere, including weather processes and forecasting. He emphasized its importance in predicting natural disasters such as storms, floods, and droughts, enabling us to take proactive measures to mitigate their impact. Dr. Sahi concluded by stating that, for all these reasons, meteorology plays a pivotal role in addressing global challenges.

He interacted with the students and encourages them to protect nature, strengthening the commitment of the people present towards environmental protection. The lecture concluded with a collective environmental oath to safeguard nature, reinforcing the students' commitment to environmental protection.

Seminar on Natural farming: A way forward to Regenerative Agriculture

The Department of Agriculture organized an educational and interactive 'Lecture' on 1.03.2024 at 10.00 a.m. in the seminar hall (007) of Meerut Institute of Technology Meerut.

The speaker was Shri Satya Dev Arya, an Agriculturalist and a progressive farmer from Meerut district. The Topic of his lecture was " Natural farming: A way forward to regenerative agriculture." The event began with welcome address by Dr. Raghuvir Singh Dean Agriculture. He introduced the guest speaker before the audience.

Shri Satya Dev Arya, shared his experiences of farming with the students and faculty of Department of Agriculture. He emphasised on natural farming which is an indigenous traditional farming totally based on low cost agricultural practices that work in harmony with nature. According to him in this system no externally purchased inputs namely synthetic, chemical, or organic fertilizers are used, thus, it reduces the input cost of farming and improves economic benefits of farmers.

He discussed about the use of Trichoderma in the field in which he explain that, Trichoderma spp. have been widely used in agricultural applications due to its well known biological control mechanism. As a biocontrol agent, Trichoderma acts as a natural antagonist to various plant pathogens, mitigating soil-borne diseases and protecting crops without the need for synthetic pesticides. By harnessing the power of Trichoderma, farmers can reduce their reliance on chemical inputs, embrace sustainable farming practices, and cultivate healthier crops in a harmonious balance with the environment.

He also explained the process of making Jivamrit, Bijamrita and Agniastara. He said that Jeevamrit, is a fermented microbial solution that is rich in beneficial microorganisms and made from locally available ingredients such as cow dung, cow urine, jaggery, and water. When applied to the soil, Jeevamrutha enhances soil fertility, improves soil structure, and boosts nutrient availability for plants. He also explained the importance of Beejamrutha an another natural farming technique that involves treating seeds with a microbial solution before planting.

Shri Satya Dev Arya highlighted an environmentally friendly alternative to synthetic pesticides that is Agniastara. He also made aware the students the ingredients involve in its preparation. It does not harm beneficial insects, pollinators, or other non-target organisms. According to Shri Satya Dev Arya, we can improve the quality of our crops by opting natural farming methods.

Around 100 participants comprising students of different BSc Ag. (Hons.) program along with the faculty members attended the lecture, and all the queries put forward by the audience were addressed by the speaker. The audience found it very informative and quite relevant to their subject. The lecture was concluded with a vote of thanks by Dr. Hema Negi HOD Agriculture. The program was actively supported by all the members of the Department.

Workshop Report

Instrumentation and Operation of Analytical Instruments

Date: 09-03-2024

Location: Central Instrument Lab, J. N. Tata Block

Organizer: Department of Pharmacy Meerut Institute of Technology

OVERVIEW:

The workshop on "Instrumentation and Operation of Analytical Instruments" aimed to provide participants with comprehensive knowledge and practical skills necessary for utilizing analytical instruments effectively in various scientific and industrial applications. The workshop covered a wide range of topics, including principles of instrumentation, operation procedures, data analysis techniques, and troubleshooting methods.

KEY OBJECTIVES:

- To familiarize participants with different types of analytical instruments and their applications.
- To provide hands-on training on the operation and maintenance of analytical instruments.
- To enhance participants' understanding of data interpretation and analysis techniques.
- To address common challenges and troubleshooting methods associated with analytical instruments.

WORKSHOP AGENDA:

Introduction to Analytical Instruments

- Overview of different types of analytical instruments (UV spectroscopy, High Performance Liquid chromatography, Brookfield Viscometer, Bio Analyzer, Photo Fluorimeter etc.).
- Importance of analytical instruments in various industries (pharmaceuticals, environmental monitoring, food safety, etc.).

Instrumentation Principles

- Basic principles of operation for above mentioned analytical instruments.
- Components of analytical instruments and their functions.
- Calibration procedures and quality control measures.

Operation and Maintenance

- Hands-on training sessions on operating specific analytical instruments.

- Maintenance procedures to ensure the longevity and accuracy of instruments.
- Safety protocols for handling hazardous materials and equipment.

Data Analysis Techniques

- Introduction to data analysis software and tools.
- Interpretation of analytical data and generation of reports.
- Statistical analysis methods for data validation and quality assurance.

Troubleshooting and Problem-solving

- Common issues encountered during instrument operation and their troubleshooting.
- Strategies for troubleshooting instrument malfunctions and optimizing performance.
- Case studies illustrating real-world challenges and solutions.

PARTICIPANTS & FEEDBACK:

A total number of 27 participants (Faculty, Students and Lab Technicians) of different colleges were benefitted. Participants found the workshop to be highly informative and beneficial for their professional development. The hands-on training sessions were particularly praised for their practical relevance and applicability. Some suggestions for improvement included incorporating more interactive activities and providing additional resources for further learning.

CONCLUSION:

The workshop on "Instrumentation and Operation of Analytical Instruments" successfully achieved its objectives of enhancing participants' knowledge and skills in utilizing analytical instruments effectively. Participants gained valuable insights into instrument operation, maintenance, data analysis, and troubleshooting techniques, which will contribute to their proficiency in various scientific and industrial settings. The organizers received positive feedback and are encouraged to continue offering similar workshops in the future.

ACKNOWLEDGMENTS:

We extend our gratitude to all participants, organizers, and sponsors for their valuable contributions to the success of the workshop. Special thanks to the instructors for sharing their expertise and facilitating engaging learning experiences.

Glimpses of the Workshop

Demonstration of High Performance Liquid Chromatography by Mr. Shyambir Singh, In-Charge
Sophisticated Analytical Instrument Lab, MIET

Mr. Vikas Sagar, Assistant Professor, MIET, addressing issues encountered during HPLC
operation

Hands on Training of High Performance Liquid Chromatography to Participants

Demonstration of UV Spectrophotometer by Mr. Shyambir Singh, In-Charge Sophisticated Analytical Instrument Lab, MIET

Trainers addressing queries of participants

Hands on Training of UV Spectrophotometer to Participants

Demonstration of Brookfield Viscometer by Mr. Shyambir Singh, In-Charge Sophisticated Analytical Instrument Lab, MIET

Demonstration of Photo Fluorimeter by Mr. Shyambir Singh

Distribution of certificates of Appreciation to the trainers and

Dear Sir/Madam,

We, are pleased to announce the upcoming workshop on '**Instrumentation and Operation of Analytical Instruments**' that emphasizes experiential learning, giving participants a practical insight into the instrumentation, operations, handling and best practices of analytical instruments. Please find the detailed plan below.

Session Overview:

Topic: Workshop on Instrumentation and Operation of Analytical Instruments

Date: 09-03-2024

Day: Saturday

Duration: 6 Hours (10:00 AM - 4:00 PM)

Venue: Central Instrumentation Room (E-205), Department of Pharmacy, MIT, Meerut

Time	Activity
10:00-12:00	Session 1
10:00 - 12:00	Hands-on Task 1 (High-Performance Liquid Chromatography)
12:00 - 1:00	Lunch Break
1:00-4:00	Session 2
1:00 - 2:00	Hands-on Task 2 (UV-Visible Spectroscopy)
2:00 - 2:15	Tea Break
2:15 - 3:00	Hands-on Task 3 (Brookefield Viscometer)
3:00 - 3:45	Hands-on Task 4 (Flame Photometer)
3:45 - 4:00	Closing Remarks and Q/A Session

Purpose:

Aim of this hands on training and workshop is to introduce a cutting-edge knowledge about instrumental methods of analysis and advanced tools in pharmaceutical sciences, chemistry, biology and life sciences to master's and doctoral level students, faculties and technical staff. A hands-on training on instrumental methods of analysis will be useful to excel in understanding questions related to chemical analysis as well as scientific thinking.

Hands-on training is crucial for the practical application of theoretical knowledge. We believe this session will enrich understanding and capabilities of participants from diverse domain of science in integrating technological solutions effectively.

Interested candidates please fill the Google form: <https://forms.gle/7temo8TsgMvAee7E8>

Looking forward to a successful training day!

शनिवार को एमआईटी में कैंसर दिवस पर जागरूकता सेमिनार का आयोजन हुआ।

कैंसर से रोकथाम को जागरूकता जरूरी

मेरठ। पर्यावरण एवं स्वच्छता क्लब के सहयोग से मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में विश्व कैंसर दिवस की पूर्व संध्या पर जागरूकता सेमिनार हुआ। शुभारम्भ मुख्य अतिथि कैंसर विशेषज्ञ डॉ. सुधि अग्रवाल कम्बोज, विशिष्ट अतिथि डायटिशियन डॉ. खुशबू अग्रवाल, पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष, पीयूष गोयल, वरिष्ठ समाजसेवी विपुल सिंघल, निदेशक डॉ. सोमेश्वर शुक्ला और अजय चौधरी ने किया।

सेमिनार में कैंसर विशेषज्ञ डॉ. सुधि

अग्रवाल कम्बोज ने कहा कि कैंसर हमारे देश में मौत का एक प्रमुख कारण है। कैंसर के मामलों को जीवनशैली में बदलाव करके या प्रमुख जोखिम कारकों से परहेज करके रोका जा सकता है। कैंसर से बचने के लिए जागरूकता जरूरी है। कैंसर का शीघ्र पता लगने से जान बचाई जा सकती है। डायटिशियन डॉ. खुशबू अग्रवाल ने छात्रों को चीनी, मेदा, चावल आदि कम से कम मात्रा में खाने पर जोर दिया। बच्चों को जंक फूड से परहेज करने के लिए प्रेरित किया।

मेरठ। पर्यावरण एवं स्वच्छता क्लब के सहयोग से मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में विश्व कैंसर दिवस की पूर्व संध्या पर जागरूकता सेमिनार का आयोजन किया गया। इसमें कैंसर विशेषज्ञ डॉ. सुधि अग्रवाल ने कहा कि देश में पिछले वर्ष इस बीमारी से 8.5 लाख लोगों की मौत हुई थी। उन्होंने कहा कि 30 प्रतिशत से अधिक कैंसर के मामलों की जीवनशैली में बदलाव करके या प्रमुख जोखिम कारकों से परहेज करके रोका जा सकता है। कैंसर से बचने के लिए जागरूकता जरूरी है। कैंसर का शीघ्र पता लगने से जान बचाई जा सकती है।

सेमिनार का उद्घाटन मुख्य अतिथि कैंसर विशेषज्ञ डॉ. सुधि अग्रवाल, डायटिशियन डॉ. खुशबू अग्रवाल, पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल और

अजय चौधरी ने दीप जलाकर किया। डॉ. खुशबू अग्रवाल ने छात्रों को चीनी, मैदा, चावल आदि कम से कम मात्रा में खाने पर जोर दिया। उन्होंने बच्चों को जंक फूड से परहेज करने के लिए प्रेरित किया। उन्होंने बताया कि स्वस्थ भोजन करने से हमारे शरीर में एंटीऑक्सिडेंट का निर्माण होता है जो शरीर की रोगप्रतिरोधक क्षमता बढ़ाकर स्वस्थ बनाता है। पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल ने कहा कि

कैंसर जैसी घातक बीमारी सबसे अधिक महिलाओं में देखी जा रही है। महिलाओं में स्तन और बच्चेदानी में कैंसर के मामले बढ़ते जा रहे हैं। इसलिए महिलाएं अधिक सजग रहें। वरिष्ठ समाजसेवी विपुल सिंघल ने भी जागरूक रहने की अपील की। फार्मसी प्राचार्य डॉ. नीरज कांत शर्मा, अजय चौधरी, रितिमा, एचआर सोनल अहलावत, जोनी, अखिल गौतम, कविता शर्मा आदि मौजूद रहे।

मेरठ। पर्यावरण एवं स्वच्छता क्लब के सहयोग से मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में विश्व कैंसर दिवस की पूर्व संध्या पर जागरूकता सेमिनार का आयोजन किया गया। सेमिनार का उद्घाटन मुख्य अतिथि कैंसर विशेषज्ञ डॉ सुधि अग्रवाल कम्बोज, विशिष्ट अतिथि डायटिशियन डॉ खुशबू अग्रवाल, पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल, वरिष्ठ समाजसेवी विपुल सिंघल, निदेशक डॉ सोमेंद्र शुक्ला और अजय चौधरी ने दीप प्रज्वलित कर किया इस अवसर पर बोलते हुए कैंसर विशेषज्ञ डॉ सुधि अग्रवाल कम्बोज ने कहा कि कैंसर हमारे देश में मौत का एक प्रमुख कारण है, पिछले वर्ष में 8.5 लाख लोगों की मौत हुई थी। हालत अक्सर डर पैदा करती है जो अनजानता और गलत धारणा से आती है। 30% से अधिक कैंसर के मामलों को जीवनशैली में बदलाव करके या प्रमुख जोखिम कारकों से परहेज करके रोका जा सकता है। कैंसर से बचने के लिए जागरूकता जरूरी है। कैंसर का शीघ्र पता लगने से जान बचाई जा सकती है। डायटिशियन डॉ खुशबू

अग्रवाल ने छात्रों को चीनी, मेदा, चावल आदि कम से कम मात्रा में खाने पर जोर दिया। बच्चों को जंक फूड से परहेज करने के लिए प्रेरित किया। उन्होंने बताया कि स्वस्थ भोजन करने से हमारे शरीर में एंटीऑक्सीडेंट का निर्माण होता है जो शरीर की रोग प्रतिरोधक क्षमता को बढ़ाकर शरीर को स्वस्थ बनाता है। पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल ने कहा कि आज कैंसर जैसी घातक जानलेवा बीमारी सबसे अधिक महिलाओं में देखी जा रही है। महिलाओं में स्तन कैंसर और

बच्चेदानी में कैंसर के मामले लगातार बढ़ते जा रहे हैं। इसीलिए बहुत जरूरी हो गया है कि महिलाएं इसके बारे में जाने और सावधान रहें। वरिष्ठ समाजसेवी विपुल सिंघल ने कैंसर को लेकर लोगों को अधिक से अधिक जागरूक करने की अपील की, ताकि हमारी आने वाली पीढ़ी इस घातक रोग से मुक्त जीवन जी सके। इस अवसर पर फामेसी के प्राचार्य डॉ नीरज कांत शर्मा, अजय चौधरी, रितिमा, एचआर सोनल अहलावत, जोनी, अखिल गौतम, कविता शर्मा मौजूद रहे। मंच संचालन कविता शर्मा ने किया।

A REPORT

ON

NATIONAL PHARMACOVIGILANCE WEEK

2023

National Pharmacovigilance week was celebrated at the Department of Pharmacy Meerut Institute of Technology on 22th Sept' 2023 to advocate and appreciate the role of Pharmacist in improving health conditions around the world. This year's theme **"Pharmacovigilance: Methods for Reporting Adverse Events & Future Career Opportunities"** explains how the profession is united for health. The theme highlighted that pharmacists are a trusted source of knowledge and advice, not only for patients but for other healthcare professionals.

Chief Guest, Shavya Singh, Assistant Manager – Pharmacovigilance and medical affairs (Kusum Group of Companies) along with Principal DPMIT Dr. N.K. Sharma Inaugurated the function by cutting the ribbon. All the dignitaries lightened the lamp and gave the tribute to Goddess Saraswati before starting the event. Dr. N.K. Sharma welcomed the chief guest with plant. The program was facilitated with the coordination of Ms. Prachi sengar Assistant Professor & Dr. N. K. Sharma, Principal DPMIT explained about pharmacovigilance and future career opportunities.

Ms. Shavya Singh has 10 years of experience in the field of pharmacovigilance and drug regulatory affairs and is a trained professional under the supervision of former Drug Controller General of India (DCGI) Dr. G. N. Singh. She discussed "The science and activities relating to detection, assessment, understanding and prevention of adverse effects or any other drug related problem and future career opportunities present to the students. She won the hearts of all audience with his special and typical way of interaction and at the same time encouraged the students.

To celebrate the day, poster presentation organized in the DPMIT campus on the basis of theme **"Methods for Reporting Adverse Events"**

The last session of the day witnessed the artistic effort by the students in the form of poster presentation. In poster competition more than 10 teams participated and the winners were screened on the basis of a strong verbal debate on the theme. All the D. Pharm and B. Pharm students attended the program and took part with great enthusiasm. All the participants were really good and the competition was very touch.

Prizes were distributed by respected authorities to the winners, the winners were as follows:-

Poster making competition:-

1st prize - Ajay chaudhary

2nd prize – Sneha sharma, Stuti, prathiba, pragati

The Program was formally ended by vote of thanks from Dr. N.K. Sharma.

कृषि क्षेत्र के लिए अंतरिक्ष प्रौद्योगिकी के उपयोग पर लघु अवधि पाठ्यक्रम शुरू

by NewsUP 24x7 on November 21, 2023 in EDUCATION, अन्य राज्य, मेरठ

“ इनस्पेस का लक्ष्य कृषि क्षेत्र को अंतरिक्ष प्रौद्योगिकियों के सैद्धांतिक और व्यावहारिक ज्ञान से लैस करना : डॉ. विनोद कुमार ”

ग्रेटर नोएडा। आईआईटी रुड़की के ग्रेटर नोएडा कैम्पस में इन-स्पेस, इसरो, एआईसीटीई और एमआईटी मेरठ, इंद्रप्रस्थ इंजीनियरिंग कॉलेज साहिबाबाद के संयुक्त प्रयासों से पांच दिवसीय अल्पकालिक पाठ्यक्रम “प्रशिक्षकों को प्रशिक्षित करें” आयोजित किया गया। जिसका विषय कृषि क्षेत्र में अंतरिक्ष प्रौद्योगिकी रहा।

इस दौरान कार्यक्रम का उद्घाटन इन-स्पेस के संवर्धन निदेशालय के निदेशक डॉ. विनोद कुमार, डॉ. वीएम चौधरी, समूह निदेशक, एनआरएससी/इसरो, ब्रिजेश कुमार सोनी, उप निदेशक, आईएन-स्पेस और डॉ. राजेंद्र सिंह, निदेशक शोध एवं विकास, एमआईटी, मेरठ (पूर्व वैज्ञानिक आईएआरआई/आईसीएआर), एमआईटी के वाइस चैंसलर पुनीत अग्रवाल ने संयुक्त रूप से दीप प्रज्वलित कर किया।

कार्यक्रम में 5 दिनों तक फसल क्षेत्र का अनुमान एवं उत्पादन पूर्वानुमान, कृषि भूमि निगरानी, हानिकारक कीट रोग का पता लगाना एवं घटना का पूर्वानुमान, फसल प्रणाली विश्लेषण, मृदा मानचित्रण एवं निगरानी, कृषि सुखा आकलन एवं निगरानी, बागवानी सुखा आकलन, जल संसाधन निगरानी आदि विषयों पर वरिष्ठ वैज्ञानिकों एवं शिक्षाविदों द्वारा चर्चा होगी।

एमआईटी से डॉ. राजेंद्र सिंह ने बताया की इस पाठ्यक्रम में पौधों में पोषक तत्वों की कमी के लक्षणों के अध्ययन, सटीक कृषि के लिए सेंसिंग तथा विश्लेषण में प्रगति और फाइबरऑन प्रौद्योगिकी के मौलिक अनुप्रयोगों जैसे विषय भी शामिल हैं। इसमें कृषि के व्यावहारिक पहलुओं पर ध्यान केंद्रित किया गया है, जिसमें मिट्टी का नमूना लेना, मिट्टी का प्रसंस्करण, ड्रोन और रोबोट प्रदर्शन और मिट्टी के विश्लेषण के तरीके शामिल हैं।

इन-स्पेस के संवर्धन निदेशालय के निदेशक डॉ. विनोद कुमार ने कहा की प्रधानमंत्री नरेंद्र मोदी के दूरदर्शी नेतृत्व में भारत सरकार ने अंतरिक्ष क्षेत्र में ऐतिहासिक सुधार शुरू किए हैं। इन अंतरिक्ष सुधारों का उद्देश्य निजी क्षेत्र की भागीदारी के माध्यम से भारत को वैश्विक स्तर पर अग्रणी अंतरिक्ष अर्थव्यवस्था बनाना है। अंतरिक्ष गतिविधियों को शुरू करने के लिए गैर-सरकारी संस्थाओं (एनजीई) और शिक्षा जगत को बढ़ावा देने और पर्यवेक्षण करने के लिए अंतरिक्ष विभाग (डीओएस) के तहत भारतीय राष्ट्रीय अंतरिक्ष संवर्धन एवं प्राधिकरण केंद्र (इनस्पेस) का नामक स्वायत्त संस्था को गठन किया गया है। इनस्पेस का लक्ष्य लोगों को कृषि क्षेत्र में अंतरिक्ष प्रौद्योगिकियों के सैद्धांतिक और व्यावहारिक ज्ञान से लैस करना है।

इन-स्पेस, इसरो और आईसीटीई ने कृषि क्षेत्र के लिए अंतरिक्ष प्रौद्योगिकी के उपयोग पर नवीन प्रशिक्षण आयोजित करने के लिए हाथ मिलाया है।

इनस्पेस का लक्ष्य कृषि क्षेत्र को अंतरिक्ष प्रौद्योगिकियों के सैद्धांतिक और व्यावहारिक ज्ञान से लैस करना : डॉ. विनोद कुमार

Campus Adda November 21, 2023

“ कृषि क्षेत्र के लिए अंतरिक्ष प्रौद्योगिकी के उपयोग पर लघु अवधि पाठ्यक्रम शुरू ”

ग्रेटर नोएडा। आईआईटी रुड़की के ग्रेटर नोएडा कैंपस में इन-स्पेस, इसरो, एआईसीटीई और एमआईटी मेरठ, इंदूरस्थ इंजीनियरिंग कॉलेज साहिबाबाद के संयुक्त प्रयासों से पांच दिवसीय अल्पकालिक पाठ्यक्रम "प्रशिक्षकों को प्रशिक्षित करें" आयोजित किया गया। जिसका विषय कृषि क्षेत्र में अंतरिक्ष प्रौद्योगिकी रहा।

इस दौरान कार्यक्रम का उद्घाटन इन-स्पेस के संवर्धन निदेशालय के निदेशक डॉ. विनोद कुमार, डॉ. वीएम चौधरी, समूह निदेशक, एनआरएससी/इसरो, ब्रिजेश कुमार सोनी, उप निदेशक, आईएन-स्पेस और डॉ. राजेंद्र सिंह, निदेशक शोध एवं विकास, एमआईटी, मेरठ (पूर्व वैज्ञानिक आईएआरआई/आईसीएआर), एमआईटी के वाइस चैयरमैन पुनीत अग्रवाल ने संयुक्त रूप से दीप प्रज्वलित कर किया।

कार्यक्रम में 5 दिनों तक फसल क्षेत्र का अनुमान एवं उत्पादन पूर्वानुमान, कृषि भूमि निगरानी, हानिकारक कीट रोग का पता लगाना एवं घटना का पूर्वानुमान, फसल प्रणाली विश्लेषण, मृदा मानचित्रण एवं निगरानी, कृषि सुखा आकलन एवं निगरानी, बागवानी सुखा आकलन, जल संसाधन निगरानी आदि विषयों पर बरिष्ठ वैज्ञानिकों एवं शिक्षाविदों द्वारा चर्चा होगी।

एमआईटी से डॉ. राजेंद्र सिंह ने बताया की इस पाठ्यक्रम में पौधों में पोषक तत्वों की कमी के लक्षणों के अध्ययन, सटीक कृषि के लिए सेंसिंग तथा विश्लेषण में प्रगति और फाइटोट्रॉन प्रौद्योगिकी के मौलिक अनुप्रयोगों जैसे विषय भी शामिल हैं। इसमें कृषि के व्यावहारिक पहलुओं पर ध्यान केंद्रित किया गया है, जिसमें मिट्टी का नमूना लेना, मिट्टी का प्रसंस्करण, ड्रोन और रोबोट प्रदर्शन और मिट्टी के विश्लेषण के तरीके शामिल हैं।

इन-स्पेस के संवर्धन निदेशालय के निदेशक डॉ. विनोद कुमार ने कहा की प्रधानमंत्री नरेंद्र मोदी के दूरदर्शी नेतृत्व में भारत सरकार ने अंतरिक्ष क्षेत्र में ऐतिहासिक सुधार शुरू किए हैं। इन अंतरिक्ष सुधारों का उद्देश्य निजी क्षेत्र की भागीदारी के माध्यम से भारत को वैश्विक स्तर पर अग्रणी अंतरिक्ष अर्थव्यवस्था बनाना है। अंतरिक्ष गतिविधियों को शुरू करने के लिए गैर-सरकारी संस्थाओं (एनजीई) और शिक्षा जगत को बढ़ावा देने और पर्यवेक्षण करने के लिए अंतरिक्ष विभाग (डीओएस) के तहत भारतीय राष्ट्रीय अंतरिक्ष संवर्धन एवं प्राधिकरण केंद्र (इनस्पेस) का नामक स्वायत्त संस्था को गठन किया गया है। इनस्पेस का लक्ष्य लोगों को कृषि क्षेत्र में अंतरिक्ष प्रौद्योगिकियों के सैद्धांतिक और व्यावहारिक ज्ञान से लैस करना है।

इन-स्पेस, इसरो और एईसीटीई ने कृषि क्षेत्र के लिए अंतरिक्ष प्रौद्योगिकी के उपयोग पर नवीन प्रशिक्षण आयोजित करने के लिए हाथ मिलाया है।

अंतरराष्ट्रीय बालिका दिवस पर एमआईटी में 'महिला स्वच्छता और मानसिक स्वास्थ्य' पर कार्यशाला

एनपीटी ब्यूरो

मेरठ। अंतरराष्ट्रीय बालिका दिवस के अवसर पर मेरठ इंस्टिट्यूट ऑफ टेक्नोलॉजी में कार्यशाला का आयोजन किया गया। जिसका विषय 'महिला स्वच्छता एवं मानसिक स्वास्थ्य' रहा। पर्यावरण एवं स्वच्छता क्लब और एमआईटी वूमन सेल के सहयोग से 400 से अधिक बालिकाओं ने कार्यशाला में भाग लिया। कार्यशाला का शुभारंभ मुख्य अतिथि वरिष्ठ मनोचिकित्सक डॉ. राशि अग्रवाल, पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल, वरिष्ठ समाजसेवी विपुल सिंघल, एमआईटी निदेशक डॉक्टर सोमेंद्र शुक्ला, मीडिया हेड अजय चौधरी ने संयुक्त रूप से दीप प्रज्वलित कर किया।

मुख्य अतिथि वरिष्ठ मनोचिकित्सक डॉ. राशि अग्रवाल ने कहा कि महिलाओं में मानसिक धर्म एक

प्राकृतिक प्रक्रिया है। ये सिर्फ सामान्य प्रक्रिया नहीं है, बल्कि प्रजनन के लिए भी अति आवश्यक है। अफसोस की बात है कि एक नितांत प्राकृतिक प्रक्रिया को धर्म और संस्कृति का अमलीजामा पहना कर, उसे बहुत जटिल और अस्वास्थ्य कर बना दिया गया है। जिस कारण लाखों महिलाएं और विशेषकर किशोरियों को अनेक समस्याओं का सामना करना पड़ता है। इस दौरान बालिकाओं को व्यक्तिगत

स्वच्छता, मानसिक धर्म के दौरान महिलाओं का स्वास्थ्य, हार्मोन: भूमिका और प्रभाव आदि विषयों पर जानकारी दी।

आयुष पीयूष गोयल ने कहा कि लड़कियां हमारे देश का भविष्य हैं। बेटियों को सशक्त एवं आत्मनिर्भर बनाना हम सभी का कर्तव्य है। लड़कियां अपने आप को कमजोर न समझें। लड़कियों को अपनी ताकत पहचानने की जरूरत है।

वरिष्ठ समाजसेवी विपुल सिंघल ने कहा कि नारी के बिना सृष्टि की कल्पना नहीं की जा सकती। भारतीय संस्कृति में नर नारी को समानता दी गई है, जिसमें विशेष रूप से नारी का स्थान पूजनीय है। हमें हर प्रकार की स्थिति में, हर क्षेत्र में तथा हर स्थान पर नारी का सम्मान करना चाहिए। धर्म ग्रंथों में नारी को शक्ति, समर्पण और त्याग का स्वरूप माना है। इसके बगैर सृष्टि की कल्पना नहीं की जा सकती है।

निदेशक डॉ. सोमेंद्र शुक्ला ने कहा कि महिलाएं हर क्षेत्र में आगे बढ़ रही हैं। अगर शिक्षा की बात करें तो आप किसी भी बोर्ड का रिजल्ट देख सकते हैं, लड़कियां हमेशा टॉप करती हैं और लड़कियों का पार्सिंग परसेंटेज भी ज्यादा होता है।

इस दौरान एमआईटी वूमन सेल से डॉ. सपना देशवाल, एचआर सोनल अहलावत, तान्या शर्मा आदि मौजूद रहे।

अंतर्राष्ट्रीय बालिका दिवस पर एमआईटी में महिला स्वच्छता और मानसिक स्वास्थ्य पर कार्यशाला

एमआईटी वूमन सेल के सहयोग से 400 से अधिक बालिकाओं ने कार्यशाला में लिया भाग।

मेरठ। अंतर्राष्ट्रीय बालिका दिवस के अवसर पर मेरठ इंस्टिट्यूट ऑफ़ टेक्नोलॉजी में कार्यशाला का आयोजन किया गया। जिसका विषय 'महिला स्वच्छता एवं मानसिक स्वास्थ्य' रहा। पर्यावरण एवं स्वच्छता क्लब और एमआईटी वूमन सेल के सहयोग से 400 से अधिक बालिकाओं ने कार्यशाला में भाग लिया। कार्यशाला का शुभारंभ मुख्य अतिथि वरिष्ठ मनोचिकित्सक डॉ राशि अग्रवाल, पर्यावरण एवं स्वच्छता क्लब के निदेशक आयुष पीयूष गोयल, वरिष्ठ समाजसेवी विपुल सिंघल, एमआईटी निदेशक डॉक्टर सोमेंद्र शुक्ला, मीडिया हेड अजय चौधरी ने संयुक्त रूप से दीप प्रज्वलित कर किया। मुख्य अतिथि वरिष्ठ मनोचिकित्सक डॉ. राशि अग्रवाल ने कहा कि महिलाओं में मासिक धर्म एक प्राकृतिक प्रक्रिया है। ये सिर्फ सामान्य प्रक्रिया नहीं है, बल्कि प्रजनन के लिए भी अति आवश्यक है। अफसोस की बात है कि एक नितांत प्राकृतिक प्रक्रिया को धर्म और संस्कृति का अमलीजामा पहनाकर, उसे बहुत जटिल और अस्वास्थ्य कर बना दिया गया है। जिस कारण लाखों महिलाएं और विशेषकर किशोरियों को अनेक समस्याओं का सामना करना पड़ता है। इस दौरान बालिकाओं को व्यक्तिगत स्वच्छता, मासिक धर्म के दौरान महिलाओं का स्वास्थ्य, हार्मोन: भूमिका और प्रभाव आदि विषयों पर जानकारी दी। आयुष पीयूष गोयल ने कहा कि लड़कियां हमारे देश का भविष्य हैं। बेटियों को सशक्त एवं आत्मनिर्भर बनाना हम सभी का कर्तव्य है। लड़कियां अपने आप को कमजोर न समझें। लड़कियों को अपनी ताकत पहचानने की जरूरत है। वरिष्ठ समाजसेवी विपुल सिंघल ने कहा की नारी के बिना सृष्टि की कल्पना नहीं की जा सकती। इस दौरान एमआईटी वूमन सेल से डॉ सपना देशवाल, एचआर सोनल अहलावत, तान्या शर्मा आदि मौजूद रहे।

अग्रवाल ने कहा कि महिलाओं में मासिक धर्म एक प्राकृतिक प्रक्रिया है। ये सिर्फ सामान्य प्रक्रिया नहीं है, बल्कि प्रजनन के लिए भी अति आवश्यक है।

आणुष पोणुष गोयल ने कहा कि बेटियां हमारे देश का भविष्य हैं। उन्हें सशक्त एवं आत्मनिर्भर बनाना हम सभी का कर्तव्य है। बेटियों को अपनी ताकत पहचानने की

जरूरत है। विपुल सिंघल ने कहा, हमें हर प्रकार की स्थिति में, हर क्षेत्र में तथा हर स्थान पर नारी का सम्मान करना चाहिए। धर्म ग्रंथों में नारी को शक्ति, सम्पन्न और त्याग का स्वरूप माना है। डॉ. सोमेंद्र शुक्ला ने कहा कि महिलाएं हर क्षेत्र में आगे बढ़ रही हैं। डॉ. सपना देशवाल, एचआर सोनल अहलवाल, तान्या शर्मा मौजूद रहे।

छात्राओं को मौलिक अधिकार बताए

राता स्मारक कन्या इंटर कॉलेज में आयोजित कार्यक्रम में शामिल छात्राएं। संवाद मेरठ। राता स्मारक कन्या इंटर कॉलेज में अंतरराष्ट्रीय बालिका दिवस के अवसर पर कार्यक्रम आयोजित हुआ। कार्यक्रम में प्रधानाचार्य अलका अदित्य ने छात्राओं को बालिकाओं से संबंधित कामों तथा मौलिक अधिकारों के बारे में जानकारी दी। बच्चों ने सुंदर पोस्टर बनाए तथा छात्रा शिवा ने मां दुर्गा का रूप धारण कर सबका मन मोह लिया। अचला जैन, अर्चना, निरुपमा, नूतन, आशा, सोनी, चेतना, सुनील व विमला आदि उपस्थित रहीं। संवाद

दैनिक जागरण

छात्राओं ने ली स्वास्थ्य और स्वच्छता की जानकारी
मेरठ : परतापुर बाईपास स्थित मेरठ इंस्टीट्यूट आफ टेक्नोलॉजी में शुक्रवार को पिकिश फाउंडेशन, एमआइटी महिला सेल और एनएसएस द्वारा मासिक धर्म स्वास्थ्य और स्वच्छता विषय पर कार्यशाला का आयोजन किया गया। पिकिश फाउंडेशन की राजरानी शर्मा ने छात्राओं को मासिक धर्म के दौरान स्वास्थ्य, व्यक्तिगत स्वच्छता के अलावा रजोनिवृत्ति की जानकारी दी। उन्होंने कहा कि हमारा उद्देश्य युवतियों को मासिक धर्म स्वच्छता और इसके प्रबंधन की बढ़ती कमजोरियों के बारे में सशक्त बनाना है।

मासिक धर्म स्वास्थ्य और स्वच्छता पर एक दिवसीय प्रशिक्षण कार्यशाला आयोजित

एनपीटी ब्यूरो

मेरठ। परतापुर बाईपास स्थित मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में पिकिश फाउंडेशन, एमआईटी महिला सेल और एनएसएस के संयुक्त तत्वाधान में मासिक धर्म स्वास्थ्य और स्वच्छता पर एक दिवसीय प्रशिक्षण कार्यशाला का आयोजन किया गया। कार्यशाला में पिकिश फाउंडेशन से राजरानी शर्मा, करुणा शर्मा, सीमा पंवार, रितु कौशिक, एचआर हेड एवं प्रोग्राम कोऑर्डिनेटर सोनल अहलावत, रीतिमा, सोनम तोमर ने संयुक्त रूप से दीप प्रज्ज्वलित किया।

पिकिश फाउंडेशन से राजरानी शर्मा ने बताया की कार्यक्रम में विशेष रूप से महिलाओं के समग्र स्वास्थ्य, व्यक्तिगत स्वच्छता, मासिक धर्म स्वच्छता, पीसीओएस, रजोनिवृत्ति आदि पर ध्यान केंद्रित किया गया, जो अभी भी समाज में सामाजिक वर्जनाओं के रूप में मौजूद हैं

और कई लोग इन मुद्दों से अनजान हैं। उन्होंने आगे कहा की हमारा उद्देश्य युवा महिलाओं और लड़कियों को मासिक धर्म स्वच्छता और इसके प्रबंधन की बढ़ती कमजोरियों के बारे में सशक्त बनाना है।

करुणा शर्मा ने कहा कि मासिक धर्म प्रजनन चक्र का एक प्राकृतिक हिस्सा है। हालाँकि, देश के अधिकांश हिस्सों में, यह एक वर्जित विषय बना हुआ है और इसके बारे में शायद ही कभी बात की जाती है, जो लैंगिक मुद्दों और सभी असामाजिक गतिविधियों को बढ़ावा देता

है। उन्होंने कहा कि इस कार्यशाला का उद्देश्य मासिक धर्म और इसकी स्वच्छता पर जागरूकता पैदा करना है। सीमा पंवार ने मासिक धर्म के पीछे के विज्ञान और इससे जुड़े मिथकों के बारे में बताया।

प्रशिक्षण कार्यक्रम में 250 से अधिक बालिकाओं ने हिस्सा लिया। पिकिश फाउंडेशन द्वारा सभी बालिकाओं को सेनेटरी पैड वितरित किये गये। इस अवसर पर एमआईटी महिला सेल से रीतिमा, सोनम तोमर, शिवी सिंहल, कविता शर्मा मौजूद रहीं।

A Report on Seminar on “Essentials of English Communication & Soft Skills”

On the 7th of February 2024, the Meerut Institute of Technology, Meerut, hosted an engaging and insightful seminar on *Essentials of English Communication & Soft Skills*. The seminar was aimed at enhancing the communication abilities and soft skills of the students, crucial for their academic success and future career prospects. A total of 260 students from various departments attended the seminar, making it a large-scale and highly impactful event.

Objective of the Seminar:

The primary objective of the seminar was to:

- Equip students with essential communication skills, particularly in English.
- Enhance their proficiency in spoken and written English for academic and professional use.
- Emphasize the importance of soft skills, including teamwork, leadership, problem-solving, and emotional intelligence, in personal and professional development.
- Encourage self-confidence and the ability to present ideas clearly in both formal and informal settings.

Key Highlights of the Seminar:

Session 1: Importance of Effective English Communication

- The first session focused on the significance of effective communication in English, especially in academic and professional environments. The speaker explained the impact of good communication skills in building career prospects and professional networks.

Session 2: Mastering Soft Skills for Career Growth

- The second session focused on understanding and developing soft skills, which are indispensable in today's work environment. The speaker highlighted how soft skills play a vital role in personal growth, teamwork, and leadership.

Interactive Activities:

- Both sessions included interactive discussions, role-playing activities, and group exercises to ensure active student participation.

- Activities like "Effective Communication through Gestures" and "Team Building Exercises" allowed students to practice what they had learned and interact with their peers in a real-world context.

Key Takeaways:

The students left the seminar with valuable insights and practical skills, including:

- Improved ability to communicate more effectively in English, both verbally and in writing.
- An understanding of the key soft skills required to succeed in the workplace, such as adaptability, problem-solving, and emotional intelligence.
- Enhanced awareness of how to present themselves confidently in various professional and social settings.
- Tools for continuous improvement in communication and soft skills.

Conclusion:

The *Essentials of English Communication & Soft Skills* seminar was a huge success in terms of both attendance and the valuable knowledge shared. It not only enhanced students' understanding of the importance of good communication skills but also prepared them for the demands of the professional world. The event successfully met its objectives, providing the students with tools to improve both their technical and interpersonal abilities.

The seminar concluded with a note of appreciation from the organizing committee, thanking the keynote speakers, facilitators, and students for their enthusiastic participation. The event left a lasting impression, empowering students to develop their soft skills and communication competencies further.

एआईसीटीई द्वारा एमआईटी में सार्वभौमिक मानवीय मूल्यों पर 3 दिवसीय संकाय विकास कार्यक्रम शुरू

by NewsUP 24x7 on March 13, 2024 in मेरठ

मेरठ। परतापुर बाईपास स्थित मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में अखिल भारतीय तकनीकी शिक्षा परिषद द्वारा अनुमोदित सार्वभौमिक मानवीय मूल्यों पर तीन दिवसीय संकाय विकास कार्यक्रम शुरू हुआ। उद्घाटन एमआईटी के निदेशक डॉ आलोक चौहान, बीटेक निदेशक डॉ सोमेश शुक्ला, प्राचार्य डॉ हिमांशु शर्मा, रिसोर्स पर्सन पारुल वर्मा, ऑब्जर्वर कोशल गुप्ता, डॉ प्रदीप कुमार तलन, हिमानी मिश्रा, रितिमा एवं सोनल अहलावत ने संयुक्त रूप से दीप प्रज्वलित कर किया। कार्यक्रम में एकेटीयू, लखनऊ से सम्बन्धित विभिन्न शिक्षा संस्थानों से 53 शिक्षकों ने प्रतिभाग किया। एफडीपी का उद्देश्य छात्रों में सार्वभौमिक मानवीय मूल्यों को विकसित करने के तरीके, न्यायसंगत और समतामूलक समाज में सार्वभौमिक मानवीय मूल्यों की भूमिका, 21वीं सदी में सार्वभौमिक मानवीय मूल्यों की चुनौतियाँ, सार्वभौमिक मानवीय मूल्यों की चुनौतियों पर काबू पाने के तरीके शामिल हैं।

कार्यक्रम में एआईसीटीई की तरफ से मुख्य वक्ता पारुल वर्मा ने शिक्षकों की भूमिका पर प्रकाश डालते हुए बताया कि किस प्रकार से स्वयं का और स्टूडेंट्स का समग्र विकास किया जाए। उन्होंने बताया कि मनुष्य को जिस प्रकार की शिक्षा और संस्कार दिए जाते हैं, वैसा ही उसका आचरण बनता है। एक स्टूडेंट के विकास में अभिभावक, शिक्षक और समाज तीनों ही महत्वपूर्ण भूमिका निभाते हैं। डॉ प्रदीप कुमार तलन ने कहा की मानवीय आचरण शिक्षा संस्कार से निर्धारित होते हैं। मानव स्वयं में जितना परिष्कृत एवं स्थिरप्रज्ञ होगा उतना ही बेहतर सम्बन्ध परिवार, समाज एवं प्रकृति के साथ स्थापित होगा।

शिक्षकों को मानवीय मूल्यों का पाठ पढ़ाया
-एमआईटी में तीन दिवसीय संकाय विकास कार्यक्रम संपन्न

मेरठ। परतापुर बाईपास स्थित एमआईटी में एआईसीटीई द्वारा अनुमोदित सार्वभौमिक मानवीय मूल्यों पर तीन दिवसीय संकाय विकास कार्यक्रम सम्मान हुआ। इस दौरान एआईसीटीई की ओर से रिसोर्स पर्सन पारुल वर्मा, ऑब्जर्वर कौशल गुप्ता, डॉ प्रदीप कुमार तलन ने मेरठ जिले के आसपास के विभिन्न कॉलेज के शिक्षकों को मानवीय मूल्यों का पाठ पढ़ाया। कार्यक्रम में 53 शिक्षकों ने भाग लिया। वक्ताओं ने विस्तृत एवं रोचक तरीके से मानव के स्वभाव, विचार, व्यवहार, समझ, सम्बन्ध एवं सुख इत्यादि विषयों पर व्याख्यान प्रस्तुत किया। इसी क्रम में वक्ताओं ने उचित समझ एवं सम्बन्ध के द्वारा जीव चेतना से मानव चेतना में परिवर्तन, स्वयं, परिवार, समाज एवं प्रकृति के बीच सामंजस्य सम्बन्ध को उचित उदाहरणों के साथ प्रस्तुत किया।

कोऑर्डिनेटर हिमानी मिश्रा ने बताया की कार्यक्रम का उद्देश्य शिक्षकों में मानवीय मूल्यों को विकसित करना था ताकि वे छात्रों में भी मानवीय मूल्यों को विकसित कर सकें। कार्यक्रम को सफल बनाने में रितिमा, हिमानी मिश्रा, सोनल अहलावत का योगदान रहा।

1. Introduction:

The Meerut Udyami Foundation hosted an Entrepreneurship Development Program in collaboration with Mr. Bert Boerma from PUM Netherlands. The program aimed to empower local entrepreneurs by providing them with essential skills, knowledge and resources to thrive in their respective fields.

2. Participants: The event attracted a diverse group of participants, including aspiring entrepreneurs, Farmer Producer Organizations, small business owners and individuals interested in starting their ventures. Mr. Bert Boerma, a seasoned expert from PUM Netherlands, led the program, bringing in valuable insights and experiences from the International Entrepreneurship landscape.

3. Agenda: The Entrepreneurship Development Program spanned a full day and covered a wide range of topics essential for budding entrepreneurs. The agenda included:

- (1) **Introduction to Entrepreneurship:** Mr. Bert Boerma provided an overview of entrepreneurship, highlighting its importance in driving economic growth and innovation.
- (2) **Business Idea Generation:** Participants engaged in interactive sessions aimed at brainstorming and refining business ideas. They learned how to identify market opportunities and assess the feasibility of their concepts.
- (3) **Business Planning:** The program delved into the essentials of business planning, including market research, financial projections and strategic goal-setting. Practical exercises helped participants develop comprehensive business plans tailored to their ventures.
- (4) **Marketing and Branding:** A session on marketing and branding strategies equipped participants with the tools to effectively promote their business and build strong brand

identities. Topics such as target audience analysis, digital marketing and customer relationship management were explored.

- (5) **Financial Management:** Financial experts provided guidance on managing finances, budgeting and accessing funding sources. Participants gained insights into financial literacy and learned how to navigate challenges related to cash flow and investment.
- (6) **Networking and Collaboration:** The program emphasized the importance of networking and collaboration in the entrepreneurial journey. Participants had the opportunity to connect with fellow entrepreneurs, mentors and industry experts, fostering potential partnerships and support networks.

4. Key Takeaways:

- Participants gained a deeper understanding of entrepreneurship and its role in driving economic development.
- They learned practical skills for idea generation, business planning, marketing and financial management.
- The program facilitated networking opportunities, allowing participants to expand their professional contacts and support systems.
- Insights from Mr. Bert Boerma provided valuable perspectives from the International Entrepreneurship community, enriching the learning experience.

5. Conclusion:

The Meerut Udyami Foundation Entrepreneurship Development Program, in collaboration with Mr. Bert Boerma from PUM Netherlands, proved to be a valuable initiative in fostering entrepreneurship and empowering local entrepreneurs. By equipping participants with essential

skills, knowledge and resources, the program contributes to the growth and sustainability of small business and the overall economy.

1. Introduction:

The Meerut Udyami Foundation is a unique Agri-business Incubator located in Uttar Pradesh-West, with a primary mission to uplift the socio-economic status of farmers and Agripreneurs, who are the backbone of our economy. The foundation provides extensive support to Farmers Producer Organisations (FPOs), Self-help Groups, Agripreneurs, and Entrepreneurs in related sectors, equipping them with the necessary skills and resources to tap into opportunities in Food Technology and its allied fields. By fostering a shift from traditional agriculture to agri-business, the foundation aims to make Indian Agriculture a more attractive and profitable venture.

The event was skillfully Coordinated by Dr. Madhuri Gupta, the CEO of Meerut Udyami Foundation, and was supported by a dedicated team including Dr. Swapan Suman, the Chief Mentor Trainer for Self-Help Groups and Mr. Punit Kumar, the Office Assistant.

The central focus of the event revolved around bridging the gap between startups, industries, self-help groups, and Farmer Producer Organizations (FPOs) with different connects. This initiative represents a significant step towards the ambitious goal of "doubling farmers' income," as led by the Meerut Udyami Foundation in collaboration with Meerut Institute of Technology, Meerut. The event successfully brought together individuals from the agri-industry, Agri-startups, FPOs, and Self-Help Groups, creating a robust network of connections and opportunities.

2. Purpose/Objectives:

- Celebrate the achievements and contributions of women of Indian Industry Association & women entrepreneurs at Meerut Udyami Foundation.
- Raise awareness about gender quality and women's rights.
- Empower and inspire women to strive for equality and leadership positions.

- Provide a platform for networking and collaboration among women entrepreneurs from diverse backgrounds.
- Showcase the importance of diversity and inclusion in achieving societal progress.

3. Attendees:

- **Keynote Speakers List**

1. **Garima Agarwal:** Chairwomen of IIA Women Entrepreneur Wing; CA and heading the Accounts and Finance Department in her Company.
 2. **Pallavi Jain:** Heads Digital Marketing Department.
 3. **Srishti Gupta:** Heads the E-Commerce Division.
 4. **Prerna Maheshwari:** Business of writing Personal Biographies.
 5. **Prachi Premi:** Looking after daily production and new product development.
 6. **Smriti Gupta:** Running a successful Garments Studio.
 7. **Sakshi Jain:** Heading the Production and Sales Department.
 8. **Aashi Gupta:** Personality Development Coach, Professional Photography, Book Club.
 9. **Shikha Sharma:** Management and Media Division.
 10. **Akansha Jain:** Heading Digital Marketing, PR and Client Management.
 11. **Millee Rastogi:** CA and Handling Accounts, Finance and Liaisoning
- **Attendees from various sectors including business and industries**
 1. **Riya Payal** from Gorofy.
 2. **Poonam Rani** from Vedi Ji Mushroom Products.
 3. **Vijay** from Radha Krishna Self Help Group.
 4. **Jogindri** from Rubi Self Help Group.
 - **Representatives from Women's Industries.**

Madhu Gupta

- **Students and Young Professionals.**

4. Agenda/Activities:

1. Opening Ceremony and Welcome Address by Ms. Tanvi & Dr. Madhuri Gupta
2. Keynote Speech on the theme of International Women's Day 2024: "Breaking Barriers, Building Bridges"
3. Speeches On "Empowering Women in Leadership Roles"
4. Networking Break and Exhibition showcasing achievements of women entrepreneurs and Self Help Groups.
5. Interactive Workshops on topics such as:
 - Overcoming gender biases in the workplace
 - Career development strategies for women
 - Advocacy and activism for gender equality
6. Closing Ceremony

5. Key Highlights:

- Inspirational Keynote speech delivered Mrs. Garima Agarwal, President, Indian Industries Association, Meerut Chapter, emphasizing the importance of gender equality and collective action.
- Engaging panel discussion featuring prominent women leaders sharing their experiences and insights on breaking barriers in various sectors.
- Interactive workshops facilitated meaningful discussions and provided practical strategies for advancing women's rights and opportunities.
- Networking opportunities facilitated valuable connections and collaborations among attendees.

- Exhibition showcasing the achievements of women entrepreneurs and Self Help Groups received positive feedback and appreciation from participants.

Date: 18th July 2024

Event Coordinators:

1. **Dr. Madhuri Gupta**, CEO, Meerut Udyami Foundation
2. **Md Adnan Rahaman**, Assistant Incubation Manager, Meerut Udyami Foundation

1. Introduction

Situated in Uttar Pradesh-West, the Meerut Udyami Foundation stands out as a distinctive Agri-business Incubator with a primary objective of enhancing the socio-economic status of farmers and Agripreneurs, pivotal contributors to our economy. This foundation plays a pivotal role in supporting Farmers Producer Organisations (FPOs), Self-help Groups, Agripreneurs, and Entrepreneurs in associated sectors, empowering them with essential skills and resources to explore opportunities in Food Technology and related fields. By encouraging a shift from conventional agriculture to agri-business, the foundation endeavours to make Indian Agriculture a more lucrative and appealing venture.

The event, expertly coordinated by Dr. Madhuri Gupta, the CEO of Meerut Udyami Foundation, and Md Adnan Rahaman, the Assistant Incubation Manager, focused on bridging the gap between start-ups, industries, and Farmer Producer Organizations (FPOs). This initiative aligns with the ambitious goal of doubling farmers' income, led by the Meerut Udyami Foundation in collaboration with Meerut Institute of Technology. The event successfully facilitated connections and opportunities, fostering a robust network among individuals from the agri-industry, Agri-startups, FPOs, and Self-Help Groups.

2. Workshop Highlights:

The Digital Printing Workshop, held on 18th July 2024, was conducted in collaboration with HP. The workshop focused on the latest trends in digital printing and sustainable packaging practices. Attendees had the opportunity to learn about:

- Cost-saving techniques for packaging
- Reducing environmental impact through sustainable practices
- Creating attractive packaging to enhance product appeal

Dr. Madhuri Gupta and Mr. Ashish Vasudeva, Brand Innovation and Business Development Manager - HP Indigo, signed a Memorandum of Understanding (MoU) during the event. The MoU aims to provide digital assistance for product packaging to start-ups, MSMEs, and Self-Help Groups associated with the foundation.

Mr. Ashish Vasudeva delivered a detailed presentation on the innovative packaging options available through HP that can boost sales and market presence for small businesses. His

presentation covered the benefits of digital printing and how it can be leveraged for better market positioning.

Mr. Deepak Indora from HORA Arts accompanied Mr. Vasudeva and contributed to the discussions by sharing his insights on creative packaging designs.

3. Participants

The workshop saw a diverse group of 15 participants, comprising representatives from Farmer Producer Organizations (FPOs), Self-Help Groups (SHGs), and various start-ups. The attendees demonstrated a strong interest in learning about innovative digital printing and sustainable packaging practices that could benefit their businesses and communities. The diversity of the participants underscored the broad relevance and appeal of the workshop topics.

Notable Attendees:

Dr. Poonam Rani from Vedji Organic Mushroom Farming and Food Processing: Dr. Rani was highly engaged throughout the workshop, recognizing the critical role that innovative packaging plays in preserving the quality and extending the shelf life of organic products. She expressed enthusiasm for applying the learned techniques to enhance her products' marketability. Her interest in adopting digital printing solutions for packaging reflects a commitment to both quality and sustainability, aiming to meet the growing consumer demand for well-packaged, eco-friendly organic products.

Mr. Prafull Goswami from Madhoganj Agro Farmers Producer Limited: Mr. Goswami exhibited a keen interest in the new packaging solutions presented during the workshop. He acknowledged the potential of digital printing to transform the packaging of agricultural products, making them more attractive and competitive in the market. Mr. Goswami's proactive approach to integrating these innovations demonstrates his dedication to improving the market presence and profitability of his FPO's offerings.

4. Outcomes

The Digital Printing Workshop facilitated significant networking opportunities for participants. Farmer Producer Organizations (FPOs) and start-ups established valuable connections with potential buyers and industry experts. This networking platform enabled them to explore new markets and collaboration opportunities, enhancing their business prospects. By interacting with industry leaders and peers, participants gained insights into current market trends, consumer

preferences, and best practices in packaging. These connections are expected to foster long-term relationships that will support their business growth and development.

Attendees gained comprehensive insights into cost-effective packaging solutions, which can substantially enhance their product appeal and marketability. By leveraging the digital printing technology presented by HP, participants can improve their packaging aesthetics, thus attracting more customers and potentially boosting sales. The ability to create visually appealing and professional packaging can set their products apart from competitors, making them more attractive to consumers. This differentiation is crucial in today's crowded market, where consumers are often overwhelmed with choices. High-quality packaging not only catches the eye but also conveys a message of quality and reliability, building consumer trust and loyalty.

The MoU signed between Meerut Udyami Foundation and HP will pave the way for future collaborations, providing continuous support for digital printing and packaging innovations. This partnership is expected to bring long-term benefits to the associated start-ups, MSMEs, and Self-Help Groups. By having access to HP's advanced digital printing technology and expertise, these businesses can continually innovate and refine their packaging strategies. This ongoing support will help them stay ahead of market trends and consumer demands, ensuring their products remain relevant and appealing.

In conclusion, the workshop highlighted the transformative potential of premium packaging for small businesses. By adopting digital printing technology and innovative packaging solutions, participants can enhance their product appeal, expand their market reach, and build a stronger brand presence. The continued collaboration between Meerut Udyami Foundation and HP will ensure that these businesses receive the necessary support to thrive in the competitive market, ultimately contributing to their long-term success and sustainability.

1. Introduction:

The Meerut Udyami Foundation is a unique Agri-business Incubator located in Uttar Pradesh-West, with a primary mission to uplift the socio-economic status of farmers and Agripreneurs, who are the backbone of our economy. The foundation provides extensive support to Farmers Producer Organisations (FPOs), Self-help Groups, Agripreneurs, and Entrepreneurs in related sectors, equipping them with the necessary skills and resources to tap into opportunities in Food Technology and its allied fields. By fostering a shift from traditional agriculture to agri-business, the foundation aims to make Indian Agriculture a more attractive and profitable venture.

The program took place in Kuala Lumpur, Malaysia, and was adeptly attended by Dr. Madhuri Gupta, the CEO of Meerut Udyami Foundation. The primary focus of the event centered on closing the gap between startups, industries, self-help groups, and Farmer Producer Organizations (FPOs) through various connections. This endeavor signifies a significant stride towards achieving the ambitious objective of "doubling farmers' income," spearheaded by the Meerut Udyami Foundation in collaboration with Meerut Institute of Technology, Meerut. The

Madhuri Gupta

event successfully brought together participants from the agricultural industry, Agri-startups, FPOs, Self-Help Groups, and diverse incubators, establishing a robust network of connections and opportunities.

Connections Established:

The program in Kuala Lumpur, Malaysia, organized by Meerut Udyami Foundation, witnessed the establishment of significant connections with key industry players. Notable among them is Lady Puan Sri Dr. Susan Cheah from the Sunway Group, whose role as an EXCO Member opens avenues for potential collaborations in agri-business initiatives and technology integration. Suraj Arora, Co-Founder & Managing Director of Kuala Lumpur Tech City, presented opportunities for exploring tech-driven agricultural solutions and fostering partnerships. Nicholas Low, Senior Advisor at CRFG Malaysia Berhad, showcased potential collaboration prospects in agricultural infrastructure and technology development.

Dr. h.c. Azeeza Jalaludeen, Founder & Chairperson of Go Global Accelerator, emerged as a valuable connection for potential collaborations in global agri-business acceleration programs. Avienash Vilet and Tathagath Mariswamy from BEYOND 4, as Community Manager and Head of Projects, Operations & Delivery respectively, provide promising avenues for technological solutions in agriculture and potential collaborations in agri-tech projects. Kuldeep Mirani, Co-Founder & CEO of Beyond Seed, presented opportunities for seed funding and agri-startup incubation.

Malwadkar Sachin, Ph.D, Project Manager in the New Business Division at Mitsui Chemicals Group, highlighted potential collaborations in innovative agri-chemical solutions and research. Dr. V. S. S. Kiran, CEO of Garudalytics Private Limited, emerged as a connection with potential for exploring data analytics applications in agriculture. Rajesh Setia, Director of TESTPAN

INDIA PRIVATE LIMITED, provided insights into potential collaborations in agricultural testing and quality assurance.

Dr. Siddharth Kumar, CEO of Wellbe, offered perspectives on exploring wellness and health aspects in agriculture. Piyush Mishra, Chief Operating Officer cum Chief Financial Officer at STARTUP INCUBATION AND INNOVATION CENTRE IIT KANPUR, presented collaboration opportunities in agri-tech incubation and innovation. Vishesh Shukla, Senior Manager (Strategy) at STARTUP INCUBATION AND INNOVATION CENTRE IIT KANPUR, emerged as a strategic planning resource for agri-tech startups and incubation support. These connections collectively represent a diverse range of opportunities for Meerut Udyami Foundation and its partners to contribute significantly to the advancement of agricultural technologies and practices.

5. Outcome of the platform provided by Meerut Udyami Foundation:

Key Outcomes of Connections Established at the Kuala Lumpur Program:

1. Sunway Group Collaboration:

- Lady Puan Sri Dr. Susan Cheah's involvement as an EXCO Member presents potential collaborations with the Sunway Group in agri-business initiatives and technology integration.

2. Tech-driven Agriculture Opportunities:

- Suraj Arora, Co-Founder & Managing Director of Kuala Lumpur Tech City, offers opportunities for exploring and implementing tech-driven agricultural solutions.

3. Agricultural Infrastructure Collaboration:

- Nicholas Low, Senior Advisor at CRFG Malaysia Berhad, opens avenues for potential collaborations in agricultural infrastructure and technology development.

4. Global Agri-business Acceleration Programs:

- Dr. H.C. Azeeza Jalaludeen's role as the Founder & Chairperson of Go Global Accelerator provides a valuable connection for potential collaborations in global agri-business acceleration programs.

5. Technological Solutions with BEYOND 4:

- Avienash Vilet (Community Manager) and Tathagath Mariswamy (Head of Projects) from BEYOND 4 offer promising avenues for technological solutions in agriculture and potential collaborations in agri-tech projects.

6. Seed Funding and Incubation Opportunities:

- Kuldeep Mirani, Co-Founder & CEO of Beyond Seed, presents opportunities for seed funding and agri-startup incubation.

7. Innovative Agri-chemical Solutions:

- Malwadkar Sachin, Ph.D, Project Manager at Mitsui Chemicals Group, highlights potential collaborations in innovative agri-chemical solutions and research.

8. Data Analytics Applications in Agriculture:

- Dr. V. S. S. Kiran, CEO of Garudalytics Private Limited, emerges as a connection with potential for exploring data analytics applications in agriculture.

9. Collaborations in Agricultural Testing:

- Rajesh Setia, Director of TESTPAN INDIA PRIVATE LIMITED, provides insights into potential collaborations in agricultural testing and quality assurance.

10. Exploration of Wellness in Agriculture:

- Dr. Siddharth Kumar, CEO of Wellbe, offers perspectives on exploring wellness and health aspects in agriculture.

11. Agri-tech Incubation and Innovation Collaboration:

- Piyush Mishra, Chief Operating Officer cum Chief Financial Officer at STARTUP INCUBATION AND INNOVATION CENTRE IIT KANPUR, presents collaboration opportunities in agri-tech incubation and innovation.

12. Strategic Planning Support:

- Vishesh Shukla, Senior Manager (Strategy) at STARTUP INCUBATION AND INNOVATION CENTRE IIT KANPUR, emerges as a strategic planning resource for agri-tech startups and incubation support.

These diverse connections collectively signify numerous opportunities for Meerut Udyami Foundation and its partners to contribute significantly to advancing agricultural technologies and practices.

- **Organized by:** Department of Computer Science & Engineering, MIT, and conducted in collaboration with ICT Academy
- **Trainer:** A well-versed expert in Salesforce Administration
- **Number of Registrations:** 29 Faculty Members
- **Number of Successful Participants:** 21 Faculty Members
- **Participants' Institutions:**
 - Meerut Institute of Technology (MIT)
 - Meerut Institute of Engineering & Technology (MIET)

INTRODUCTION

The Faculty Development Program (FDP) on Salesforce Administrator was held from January 8th to January 11th, 2024, at Meerut Institute of Technology, Meerut. This program was conducted in collaboration with ICT Academy and hosted by the Department of Computer Science & Engineering (CSE) at MIT. The FDP was designed to equip faculty members with the foundational and advanced concepts of Salesforce administration to help them enhance their knowledge in this fast-growing domain.

OBJECTIVE

The main objective of the FDP was to provide comprehensive training to faculty members on the Salesforce platform. The focus was on the Salesforce Administrator role, including managing data, user interfaces, automating processes, and security management within Salesforce. The session aimed at enhancing the faculty's skills in the Salesforce environment so they can incorporate these insights into their academic curriculum and effectively use the platform in practical applications.

TRAINING OVERVIEW

The sessions were led by a skilled trainer with significant experience in Salesforce administration. The trainer provided detailed explanations of various aspects of the Salesforce ecosystem. The key topics covered during the FDP included:

- Overview of Salesforce and its CRM capabilities.
- Role and responsibilities of a Salesforce Administrator.
- Data management, including data import/export and data security.
- Salesforce user management and security settings.
- Process automation techniques and tools within Salesforce.
- Best practices for maintaining and optimizing Salesforce implementations.
- The FDP included a mix of theoretical sessions, live demonstrations, and hands-on activities. Interactive discussions and problem-solving exercises were also encouraged to ensure practical understanding.

The program received appreciation from the senior leadership of the institution for its successful execution and the knowledge imparted during the FDP.

- Prof. (Dr.) Alok Chauhan (Campus Director, MIT, Meerut) and Dr. Somendra Shukla (Director, MIT, Meerut) congratulated the Department of Computer Science &

Engineering, particularly the Coordinator and the Head of the Department (HoD), for their tireless efforts in organizing this highly beneficial training session.

- The trainer (Mr. Aditya Jha) and the ICT Academy were also appreciated for their expert contribution in delivering high-quality training.

CONCLUSION

The FDP on Salesforce Administrator was a major success, with excellent participation and engagement from the faculty members. The knowledge gained during this program will not only enhance the participants' skills but also contribute significantly to the academic curriculum and the overall growth of the department. The Department of Computer Science & Engineering at MIT aims to continue hosting such skill-enhancing programs to further benefit faculty members and students.

On January 23, 2024, a webinar titled "The Mystery of a True Leader" was held online (Google Meet), featuring Dr. Somendra Shukla as the speaker. The webinar aimed to delve into the life of a true leader Netaji Subhash Chandra Bose, exploring his leadership qualities, skillsets, and significant contributions to the nation.

During the webinar, Dr. Somendra Shukla delivered insightful reflections on Subhash Chandra Bose's life, highlighting various aspects of his leadership journey. The key highlights included:

- 1. Life of Subhash Chandra Bose:** Dr. Shukla provided a detailed overview of Subhash Chandra Bose's life, from his early years to his prominent role in India's struggle for independence.
- 2. Leadership Skillsets:** The speaker elucidated the leadership qualities exhibited by Subhash Chandra Bose, emphasizing traits such as courage, determination, and strategic thinking. Participants gained valuable insights into effective leadership practices through historical anecdotes and analysis.
- 3. Contribution to the Nation:** Dr. Shukla underscored Subhash Chandra Bose's significant contributions to the Indian freedom movement, shedding light on his innovative approaches and unwavering commitment to the nation's cause.

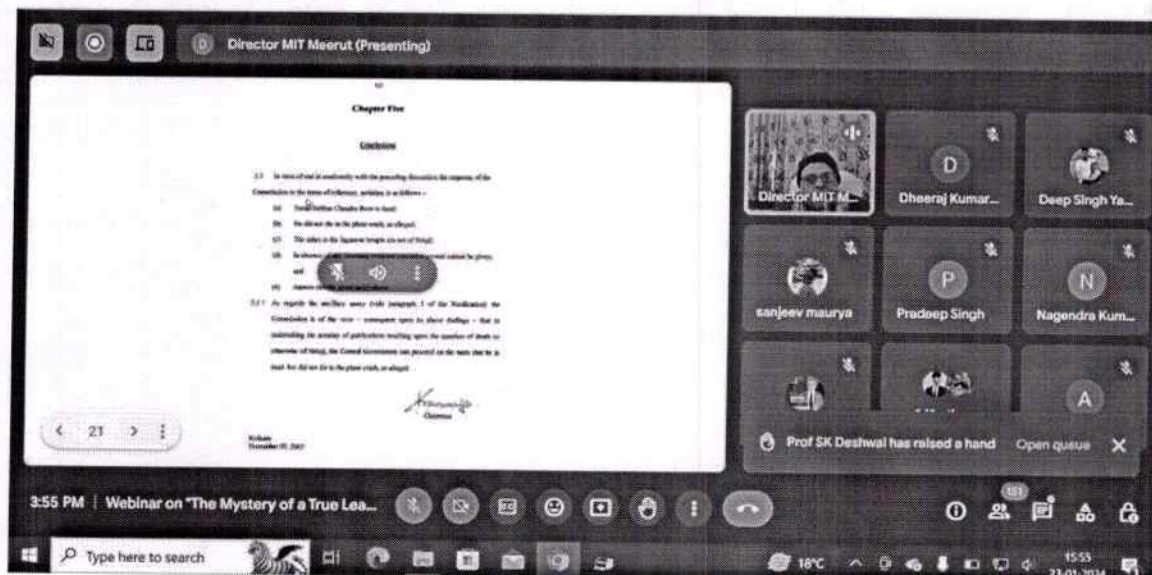

A total of 214 participants registered for the webinar, indicating a strong interest in the subject matter. Among them, 94 participants fulfilled the requirements for certification, showcasing active engagement with the webinar content.

The session recording was available on the official You Tube Channel MIT, Meerut @MITMeerut2007 is: <https://www.youtube.com/watch?v=Vf-fJscpv6Q>

The webinar concluded with a vote of thanks delivered by Mr. Ayush Singhal, the Innovation Ambassador, expressed gratitude to Dr. Somendra Shukla for his enlightening session and extended appreciation to the participants for their active involvement. The vote of thanks

served as a fitting conclusion, acknowledging the speaker's contributions and the audience's engagement. The webinar proved to be an enriching experience, offering attendees valuable insights into the life and leadership of Subhash Chandra Bose. It provided a platform for reflection on timeless principles of leadership and their relevance in contemporary contexts.

Title: A Talk on Viksit Bharat @ 2047

The poster is for an event titled "A TALK ON VIKSIT BHARAT @2047". At the top, it features the MIT logo and the text "Meerut Institute of Technology". Below this, it lists various academic programs: B.Tech, CSE, CSE (Data Science), ECE, ME, CE, AI & ML, B. Pharm, D. Pharm, MBA, BCA, B.Com, B. Com. (Hons.), B. Sc. Agriculture, B. Sc. (Hons.) Chemistry, B. Voc. The event details are: DATE: 26-DEC-2023, TIME: 02:00PM, Venue: Online / (Google Meet). A starburst graphic states "E-certificate will be given to the participants." The Faculty Co-ordinator is Ayush Singhal, Assistant Professor (Department of CSE), MIT Meerut. The Speaker is Prof. (Dr.) Somendra Shukla, Director, MIT Meerut. A QR code for the Registration Link is provided. The bottom of the poster includes social media handles for MIT Meerut on YouTube, Facebook, LinkedIn, and Instagram, along with the address: 201-88, Meerut Bypass Road, Bara Patepur, Meerut Uttar Pradesh - 201002, and contact numbers: 6389002121, 8917033338. It also lists websites: www.mitmeerut.ac.in and www.mitpharmacy.org.

The talk on "Building Viksit Bharat @ 2047" aimed to promote a vision of India as a developed nation by 2047, marking the centenary of its independence. The discussion centred around key pillars of development including economic prosperity, infrastructure advancement, technological innovation, social welfare, environmental sustainability, and global leadership. Through a combination of visionary goals, strategic planning, and collaborative efforts, the mission of Viksit Bharat seeks to propel India towards a future characterized by progress, inclusivity, and global prominence.

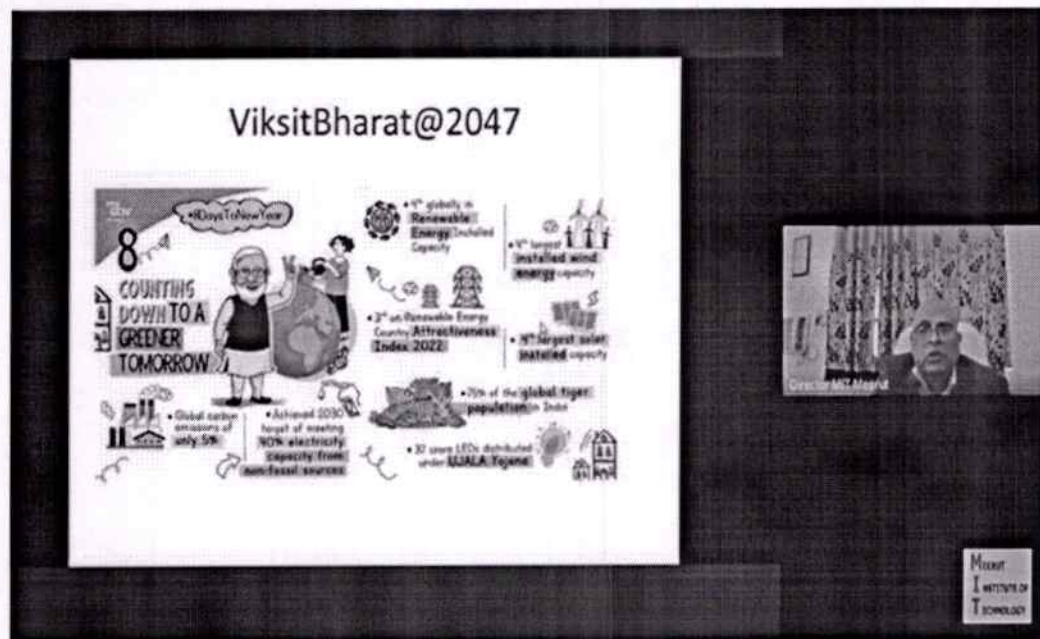

Introduction:

The talk began with an introduction to the concept of "Viksit Bharat," highlighting its significance as a national mission aimed at realizing India's full potential by 2047. Emphasizing the importance of collective action and forward-thinking strategies, the speaker underscored the need for a concerted effort from all stakeholders to achieve the ambitious goals set forth by the mission.

Key Pillars of Development:

1. **Economic Prosperity:** The discussion delved into strategies for driving sustainable economic growth, fostering entrepreneurship, and creating employment opportunities. Leveraging India's demographic dividend and promoting innovation-led growth were identified as key drivers of economic prosperity.
2. **Infrastructure Advancement:** The importance of robust infrastructure development in enabling seamless connectivity, enhancing productivity, and attracting investments was highlighted. The talk explored initiatives aimed at modernizing transportation networks, expanding energy infrastructure, and promoting digital connectivity to bridge urban-rural divides.
3. **Technological Innovation:** The role of technological innovation in driving transformative change across various sectors was discussed. Initiatives to promote research and development, harness emerging technologies, and foster a culture of innovation were highlighted as crucial for India's competitiveness in the global arena.
4. **Social Welfare:** Ensuring social inclusivity and addressing disparities in education, healthcare, and basic services were key focal points of the discussion. The talk underscored the importance of implementing effective social welfare programs to uplift marginalized communities and improve overall quality of life.

5. **Environmental Sustainability:** Recognizing the urgent need to address environmental challenges, the talk explored strategies for promoting sustainable development practices. Initiatives aimed at reducing carbon emissions, conserving natural resources,

and promoting renewable energy adoption were discussed as essential for mitigating climate change and preserving ecological balance.

6. **Global Leadership:** The talk underscored India's potential to emerge as a global leader across various domains including technology, innovation, and sustainable development. The importance of fostering international collaborations, strengthening diplomatic relations, and contributing to global initiatives for peace and prosperity was emphasized.
7. **Geopolitical Influence:** A developed and prosperous India could wield greater geopolitical influence, both regionally and globally. This could lead to enhanced diplomatic relations, strategic partnerships, and geopolitical stability.

Conclusion:

In conclusion, the talk on "Building Viksit Bharat @ 2047" highlighted a vision of India as a developed nation characterized by inclusive growth, technological excellence, and global leadership. Through concerted efforts guided by visionary leadership, innovative policies, and active participation from all sections of society, the mission of Viksit Bharat aims to realize this vision and position India as a beacon of progress and prosperity on the global stage.

A total of **364 participants** (students, academicians, faculty members and industry personnel) registered for this webinar, out of which **164 participants** attended the session who got the e-certificate.

Prof. (Dr.) Alok Chauhan (Campus Director, MIT, Meerut) appreciated the efforts of the Innovation Ambassador & Coordinator of the event (Mr. Ayush Singhal (MIT, Meerut)) for organising the session that will definitely guide the youth in the field of innovation, entrepreneurship, incubation which in turn will help to achieve the mission of Viksit Bharat@2047.

Report on Workshop: Machine Learning Using MATLAB

Title: Machine Learning Using MATLAB

Instructor: Mr. Manoj Kumar, Assistant Manager - Technical Support, MathWorks, DesignTech Systems Pvt. Ltd.

Date of Workshop: May 7, 2024

Venue: B-Block Seminar Hall, Meerut Institute of Technology, Meerut

Organized by: Department of Computer Science, Meerut Institute of Technology, Meerut

1. Introduction

The workshop titled "*Machine Learning Using MATLAB*" was conducted on May 7, 2024, by Mr. Manoj Kumar, Assistant Manager - Technical Support at MathWorks, DesignTech Systems Pvt. Ltd. The session was aimed at providing students from diverse engineering branches, including Computer Science (CS), Computer Science Data Science (CS DS), Electronics and Communication (EC), Civil Engineering (CE), Mechanical Engineering (ME), and BCA, with a hands-on introduction to machine learning using MATLAB.

The workshop was organized by the Department of Computer Science at Meerut Institute of Technology, Meerut, from 2:00 PM to 4:00 PM at the B-Block Seminar Hall.

2. Workshop Overview

The workshop was designed to equip students with a foundational understanding of machine learning concepts and demonstrate how MATLAB, a leading programming environment, can be utilized for various machine learning tasks. Mr. Manoj Kumar, with his vast experience in technical support at MathWorks, guided students through both theoretical and practical aspects of the subject.

The following key points were covered during the two-hour session:

1. Introduction to Machine Learning (ML):

The session started with an overview of machine learning, its relevance in modern industries, and its applications across various domains. Mr. Kumar explained the fundamental types of machine learning: supervised learning, unsupervised learning, and reinforcement learning.

2. Importance of MATLAB in ML:

The instructor introduced MATLAB as a powerful tool for implementing machine learning algorithms. MATLAB's simplicity and powerful toolboxes, such as *Statistics and Machine Learning Toolbox*, were highlighted. The role of MATLAB in accelerating the development, testing, and deployment of machine learning models was also discussed.

3. Practical Hands-On Session:

Following the theoretical introduction, students were provided with an opportunity to explore MATLAB's capabilities hands-on. The instructor demonstrated how to load data, preprocess datasets, and apply common machine learning algorithms like decision trees, k-nearest neighbors, and support vector machines (SVMs) using MATLAB.

Key topics covered included:

- Data import and preparation
- Feature selection and normalization
- Model training and validation
- Performance evaluation using cross-validation and confusion matrices
- Hyperparameter tuning using MATLAB tools

4. Real-World Applications:

Mr. Kumar emphasized the role of machine learning in various industries such as healthcare, finance, manufacturing, and civil engineering. He demonstrated how MATLAB can be used to analyze data from real-world problems, such as predicting disease outbreaks, optimizing production lines, and predicting traffic patterns in civil engineering.

3. Key Takeaways

By the end of the workshop, participants gained the following key takeaways:

- **Understanding of Machine Learning Concepts:** Students developed a solid understanding of machine learning basics and its types, such as supervised and unsupervised learning.
- **Familiarity with MATLAB Tools:** Students became familiar with MATLAB's machine learning toolbox and learned how to apply algorithms to real-world datasets.
- **Practical Skills:** Hands-on experience in training and evaluating machine learning models using MATLAB, improving their problem-solving skills in data science and engineering.
- **Exposure to Real-World Problems:** Students were exposed to how machine learning can be applied across various domains such as healthcare, civil engineering, and finance.

4. Conclusion

The workshop on *Machine Learning Using MATLAB* provided students with valuable insights into the world of machine learning and data analysis. Under the expert guidance of Mr. Manoj Kumar, participants not only understood the theoretical aspects of machine learning but also gained hands-on experience in implementing machine learning algorithms using MATLAB.

This event served as an excellent platform for students from multiple engineering disciplines to explore the potential of machine learning and MATLAB in solving real-world problems. The Department of Computer Science at Meerut Institute of Technology is grateful to Mr. Manoj Kumar for his insightful session and looks forward to organizing more such workshops in the future.
