Group Discussion Report

The group discussion was conducted with the objective of exploring various strategies to enhance individual readiness for the industry. Out of 16 students 12 students from 1st and 2nd year participated. Students participated in two groups. One student from each group is responsible for group representation. Participants shared their insights and experiences to identify key areas of improvement and actionable steps. Both the groups have different opinion and strategies so one group was opposing the opinion of other.

Our facilitator Dr Sapna Deshwal and Mr Harsh Rathi helped the students in identifying their weak points and motivated them to express their thought and opinion.

Our facilitator Dr Sapna Deshwal look after the whole Group Discussion session and discussed some strategies for improvement.

Skill Development

- **Technical Skills:** Emphasis on learning industry-specific software and tools. Participants highlighted the importance of certifications and continuous learning.
- **Soft Skills:** Communication, teamwork, and problem-solving skills were deemed essential. Role-playing exercises and workshops were suggested as methods to improve these skills.

2.2. Practical Experience

- **Internships and Apprenticeships:** Gaining hands-on experience through internships was recommended. Participants discussed the value of real-world applications of theoretical knowledge.
- **Project Work:** Engaging in industry-relevant projects during academic years helps in understanding practical challenges and solutions.

2.3. Networking

- **Professional Networks:** Building connections through platforms like LinkedIn and attending industry events. Networking with alumni and professionals in the field was considered vital.
- **Mentorship:** Seeking guidance from mentors who can provide insights and advice based on their experience.

2.4. Personal Development

- **Time Management:** Effective time management techniques were discussed. Participants suggested tools and apps that can help in organizing and prioritizing tasks.
- **Continuous Learning:** Adopting a mindset of lifelong learning. Reading industry-related articles, journals, and books to stay updated with the latest trends.
- **Strategies for Improvement**
- **Setting Goals:** Establishing short-term and long-term goals for career development. Creating a roadmap and regularly reviewing progress.
- **Feedback Mechanism:** Seeking feedback from peers, mentors, and industry professionals to identify areas of improvement.
- **Adaptability:** Being open to change and adaptable to new technologies and methodologies.

Conclusion

The discussion highlighted the multifaceted approach required to improve oneself for the industry. Participants agreed that a combination of technical skills, practical experience, networking, and personal development is essential for career growth. The insights and strategies shared during the session provided a comprehensive guide for individuals aiming to enhance their industry readiness.

GROUP DISCUSSION SESSION

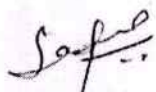

Dear Students,

We are pleased to announce that we have scheduled a group discussion session on 1st Dec 2023 in the Department of Chemistry, MIT. The topic of discussion is "Use of elements to Improve Health". It will provide you the chance to showcase and improve your communication and leadership skills. It is mandatory for all the students of 1st and 2nd year to attend this group discussion session.

Dr. Sapna Deshwal
Head, Department of Chemistry
MIT, Meerut

MEERUT INSTITUTE OF TECHNOLOGY
DEPARTMENT OF CHEMISTRY
GROUP DISCUSSION REPORT

A group discussion session was conducted with the objective of identifying use of different elements. Its primary focus was on understanding how essential elements such as minerals, vitamins, and other trace elements contribute to improving overall health. The discussion aimed to explore the role of these elements in the human body and ways to integrate them into daily life for enhanced well-being.

Out of 16 students from 1st and 2nd year 15 students participated in this group discussion session. Students participated in 3 group with 5 students in each group. One student from each group is representing the group. All the groups have different opinion and points of view. All the groups are opposing each other thoughts.

Our Facilitator Dr Sapna Deshwal and Mr Sumit Rana discussed the significance of key elements like iron, zinc, magnesium and vitamins in maintaining good health.

Dr Sapna Deshwal share practical tips on using these elements to enhance health and prevents deficiencies. She also discussed the role of elements in health.

- **Role of Elements in Health:** Participants discussed the crucial roles of various elements in the body:
 - **Calcium** for strong bones and teeth.
 - **Iron** for the production of red blood cells and oxygen transportation.
 - **Magnesium** for muscle function and energy production.
 - **Zinc** for immune support and healing.
 - **Vitamins** like Vitamin D (for calcium absorption) and Vitamin C (for immune function).
- **Sources of Essential Elements:** The group identified food sources rich in these key elements. For example:
 - Calcium is abundant in dairy products, leafy greens, and fortified foods.
 - Iron can be obtained from red meat, legumes, spinach, and fortified cereals.
 - Zinc is found in meat, seafood, nuts, and whole grains.
 - Magnesium sources include nuts, seeds, legumes, and green vegetables.
 - Vitamin D can be synthesized through sunlight exposure, and Vitamin C is commonly found in citrus fruits and vegetables.

Conclusion

The group discussion provided valuable insights into the role of essential elements in improving health. Participants agreed that a balanced and varied diet is the best way to obtain the necessary minerals and vitamins for optimal health. The importance of being aware of nutritional needs and making informed dietary choices was emphasized, with a focus on prevention through proper nutrition.

Report on International Yoga Day

21 June 2024

International Yoga Day was celebrated by the students and the faculty members on 21st June 2024 with great enthusiasm. Dr. Somendra Shukla, Director, MIT and Dr. Gaurav Sharma, Dean, MIT and other dignitaries also participated in the celebration.

The Director MIT explained that regular practice of yoga will help students to achieve better mental and physical health. The Coordinator Ms Ritima started yoga demonstration with the prayer. After which a few warm up and simple *asanas* were performed by the students and the teachers enthusiastically. The importance of these *asanas* were explained by her. She also encouraged the students to participate yoga and meditation on a regular basis for a healthy body and mind.

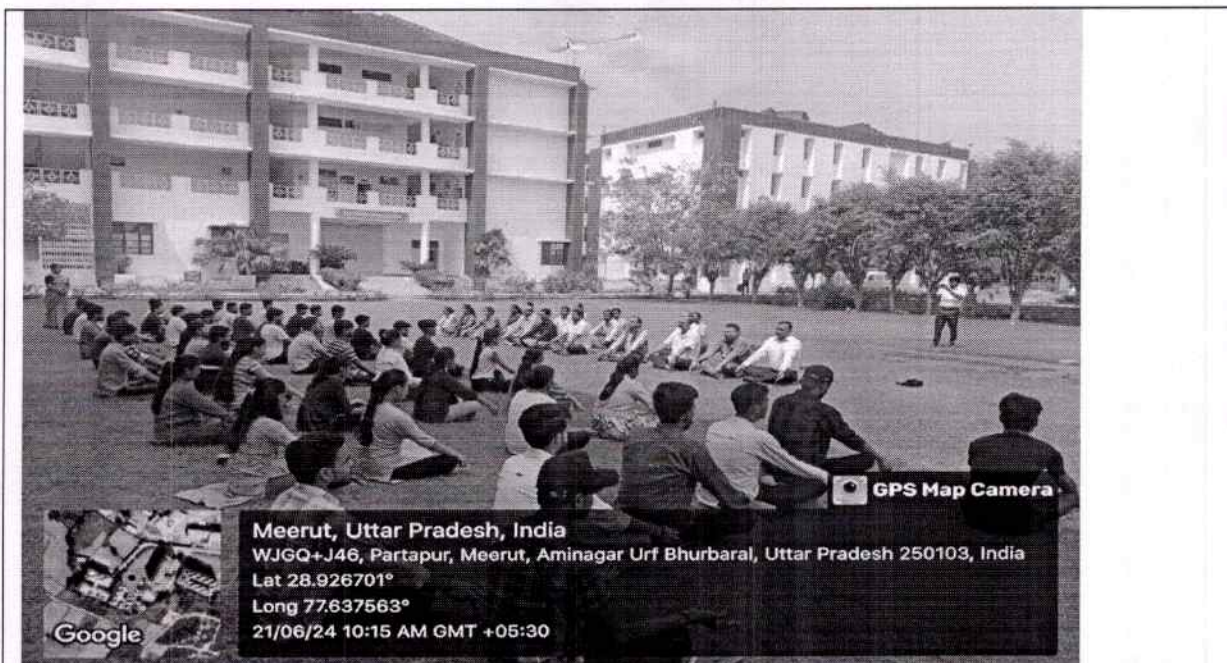

The function ended with a vote of thanks by Dr. Gaurav Sharma, Dean. The function was organized by Ms. Ritima, Mr Sachin Gupta along with all the faculty members and non teaching staff who put a lot of effort to make the event a success.
