**Webinar on "KEEPING IN PACE WITH THE FAST-MOVING WORLD OF
MACHINE LEARNING"**

A Webinar was organized on "KEEPING IN PACE WITH THE FAST-MOVING WORLD OF MACHINE LEARNING" on August 02, 2020 (SUNDAY). Mr. Vishal Yadav, Data Scientist-Barclays, PLC, Glasgow, United Kingdom, (MIT BATCH CS 2015) has delivered his talk on one of the emerging technology popular now a days. The speaker emphasized that Machine Learning refers to the capacity to adjust to new information autonomously and through emphasis. Fundamentally, applications gain from past calculations and exchanges and use "acknowledgment" to deliver solid and educated outcomes.

The link of the event was shared with all the student and faculty members of MIT, Meerut and as well as with other institutions and universities across India. 154 participants attended the webinar which includes faculty members, research scholars and students.

The event was live on the official Facebook page @mit2007 of Meerut Institute of Technology, Meerut. The recording of the same has also been uploaded on the official YouTube channel @MITMeerut of Meerut Institute of Technology, Meerut. The YouTube link for the same is <https://youtu.be/TgVRrwrLENU>. The feedback link was shared with the participants. The feedback given was analysed and the report is attached.

Mr. Ayush Singhal, Innovation Ambassador at MIT, Meerut extends his gratitude to all the attendees and participants. Prof. (Dr.) Alok Chauhan (Director, MIT, Meerut) has appreciated the organizing committee to organize this event and congratulated the speaker for the very informative presentation.
