

Objective of Conference:

- To create a forum for interaction among academicians, industry partner, scientists, engineers and students in the broad areas of science and technology.
- To create a platform towards meaningful deliberation in the recent aspects of Innovation, Science & Technology.
- To bring awareness in students and teaching faculty members about importance of new innovations in science, engineering & technology.
- To stimulate researchers towards new technique in modeling simulation.

About The Institute:

Meerut Institute of Technology, Meerut is an academic institution affiliated to Dr. A.P.J. Abdul Kalam Technical University(AKTU), Lucknow, approved by AICTE New Delhi, Pharmacy Council of India (PCI), and Accredited by NAAC with Grade 'A'. Its singular objective and mission is to facilitate and promote Studies & Research with a focus on Professional Higher Education in Engineering-Technology, Science, Management, Computer Applications and other emerging areas. This will equip the students to become effective professionals with good career prospects to meet the emerging, Global and Industrial needs of the Society and Nation.

About The Udyami Foundation

Meerut Udyami Foundation is a business incubator at Meerut Institute of Technology and is recognized by Ministry of Micro, Small and Medium Enterprises. It focuses on the socio-economic upliftment of farmers and agripreneurs. The foundation provides hand-holding support to farmers, Farmer Producer Organizations (FPOs), agripreneurs, and entrepreneurs working in allied sectors. It aims to develop communities with distinct traits and skills to explore and utilize opportunities in the fields of environment and its allied areas.
