Bridge Course

Commencement of Bridge Course for Newly Admitted Students Session 2026-27.

Bridge Courses: are specialized, short-term preparatory programs designed to close the gap between a student's previous academic background and the demands of a new higher education curriculum.

Think of them as an intellectual "buffer zone" that helps students transition smoothly without feeling immediately overwhelmed by advanced college courses.

All newly admitted students of **BBA, BCA, B.Com NEP, B.Com Hons, B.Sc Chemistry Hons & B.Sc AG Hons (1st Year)** of Academic Session 2026-27 are hereby informed that their Bridge Course classes will **commence from 10th July, 2026 (Friday) onwards.**

All are required to attend the Bridge Course classes regularly.
