Deloitte.
We are proud of you.

CSE Department – Turning aspirations
into achievements

The Department of Computer Science & Engineering at Meerut Institute of Technology proudly congratulates Vanshika Saxena (B.Tech CSE, Batch 2026) for being successfully placed in Acmegrade, Bangalore.

Her achievement is a reflection of her dedication, perseverance, and the strong technical foundation nurtured by the CSE Department.

WORLD ENTREPRENEURS DAY

Institution's Innovation Council, proudly organized an Awareness Session on Entrepreneurship, Innovation, and Leadership on the occasion of “**World Entrepreneur's Day**” on **August 21, 2025**.

The session was graced by **Prof. Dr. K.L.A. Khan (Director, MIT Meerut & IIC President)**, who inspired students and faculty members with his insightful talk on fostering innovation, building entrepreneurial mindsets, and nurturing leadership qualities for future-ready professionals.

The event witnessed active participation from 120+ students along with 10–12 faculty members, making it a highly engaging and impactful session.

MIT, Meerut continues its journey of empowering young innovators and leaders of tomorrow.

DEPARTMENT OF BBA - ORIENTATION PROGRAM

The Department of Business Administration, organized its Orientation Program titled “*ABHINANDAN*” to welcome the new batch of B.B.A. students.

DEPARTMENT OF AGRICULTURE - ORIENTATION PROGRAM

The Department of Agriculture, organized its Orientation Programme titled “Unnayan: Path of Growth” to welcome the new batch of B.Sc. (Hons.) Agriculture students.

The programme was graced by **Dr. Hans Raj Singh, Professor & Head, Krishi Vigyan Kendra (KVK), Muzaffarnagar**, as the Chief Guest. The programme concluded with an interactive session, where students expressed their aspirations and received valuable insights from the dignitaries and faculties.

DEPARTMENT OF MECHANICAL ENGINEERING - ORIENTATION PROGRAM

Department of Mechanical Engineering, successfully organized the orientation programme for the academic session 2025-26 on 29th August 2025. The event was inaugurated by our Respected Director sir's motivating words set a positive tone for the program.

Mr. Vijay Kumar (H.O.D.), Dr. Ali Nawaz and Mr. Gaurav Kumar were the distinguished speakers.

DEPARTMENT OF COMPUTER APPLICATIONS - ORIENTATION PROGRAM

The Department of Computer Applications inaugurated the new academic year with an inspiring orientation program, “Udbhav – A New Beginning”, held in the state-of-the-art seminar halls A and B. The event welcomed over 400 enthusiastic students, setting an energetic and motivating tone for the journey ahead.

DEPARTMENT OF CIVIL ENGINEERING - ORIENTATION PROGRAM

The **Department of Civil Engineering** organized an orientation program to welcome the new students and introduce them to the academic environment, faculty members and departmental activities.

The session aimed to inspire and guide the newcomers as they embark on their journey in civil engineering

BLOOD DONATION CAMP

The students from the **Department of Agriculture**, enthusiastically participated in the “**Blood Donation Camp**” organized by the **Brahma Kumaris Foundation**. The camp aimed to promote the spirit of humanity, service, and compassion, encouraging youth to contribute towards saving lives. Agriculture students came forward with great zeal, reflecting their social responsibility and commitment towards community welfare. The event not only created awareness about the importance of blood donation but also inspired students to carry forward the message of service to society along with their academic journey.

STUDENT PARTICIPATION IN ICT SPONSORED PROGRAM ON MONGODB

The Department of Computer Science & Engineering and the Department of MCA are delighted to share the enthusiastic participation of students in the ICT Academy sponsored program on MongoDB.

A total of 250+ students actively took part in the program. The program offered hands-on learning experiences, enabling participants to strengthen their technical skills, enhance industry readiness, and engage with emerging tools beyond the classroom curriculum.

MARKETING CLUB ACTIVITY

The “Marketing Club” of Department of Business Administration has organized a marketing club activity “AD-MAD SHOW”, where students from all three years participated. Students from second year coordinated and organized the activity under the guidance of Ms. Shivalika Gupta (Coordinator-Marketing Club). Looking forward for more such initiatives from marketing Club.

MOVIE: AN INTRODUCTORY CLASS ON ENTREPRENEURSHIP

Not Just a Movie: An Introductory Class on Entrepreneurship"

The **Department of Business Administration** conducted an engaging Entrepreneurial Activity featuring a special episode of **Shark Tank** focused on **Youth Entrepreneurs**.

Students from 2nd and 3rd year actively participated and gained valuable insights into the entrepreneurial world.

The session highlighted how one can learn, innovate, and transform ideas into impactful ventures.

An inspiring beginning for many future entrepreneurs!

FACULTY ACHIEVEMENT

Dr. Ali Nawaz from the **Mechanical Engineering Department** participated in the 2-days workshop on **“DESIGN & 3D PRINTING”** organized by the department of mechanical engineering, production and automobile engineering, **Delhi Technological University, Delhi** held during 20th-21st August 2025.

EK PED MAA KE NAAM

MIT Meerut proudly hosted a Poster-Making competition on “Ek Ped Maa ke Naam”, an initiative of the Government of India organized by My Bharat, Ministry of Youth Affairs and Sports.

3-DAYS WORKSHOP ON DIGITAL MARKETING BY E-TRAIN INDIA, NOIDA

The **3-day Digital Marketing Skilling Program** kicked off with full zeal and enthusiasm, witnessing the active participation of 180+ students. Students were delighted to receive certificates from **ADOBE & NASSCOM** Foundation on the very first day. We extend our gratitude to **Ms. Aashi Agarwal Mittal (Director, EtrainIndia)** and her team.

AGRI-CLINIC

The **Department of Agriculture**, has established an **Agri-Clinic** with the **objective of providing practical exposure, advisory services and innovative solutions to farmers, students and entrepreneurs.**

The Agri-Clinic will serve as a knowledge and support hub, offering guidance on:

Crop and soil health management, Plant protection & disease diagnosis, Livestock & dairy advisory, Mushroom & horticultural ventures, Agripreneurship and value addition opportunities.

This initiative is aimed at bridging the gap between academic knowledge and field application, thereby empowering students with hands-on skills and strengthening the farming community with scientific recommendations.

NATIONAL SPACE DAY

The **Department of Agriculture**, celebrated **National Space Day** with great enthusiasm to honor India's remarkable achievements in the field of space science and technology. The programme highlighted India's journey from Aryabhata to Chandrayaan and beyond, showcasing how space innovations are contributing to agriculture, weather forecasting, remote sensing and resource management.

INDEPENDENCE DAY

Independence Day celebrations focus on commemorating the country's independence, often featuring flag hoisting, patriotic speeches, and cultural programs. Event was graced by the presence of Chairman Sir and participation by students from different department participated in Flag Hoisting ceremony, Cultural dance performances.

INDEPENDENCE DAY & JANAMASHTAMI CELEBRATION AT BBA

Department of Business Administration celebrated **Independence Day and Krishna Janamashtami**.

Students from all the three years participated in the Poster Making, Rangoli and Non Fire Cooking competitions themed on Janamashtami. Students participated in the Independence Day Quiz, Slogan presentation and speeches on different Topics.

Time: 3:30 pm
Venue: Room no- 107

DEPARTMENT OF BUSINESS ADMINISTRATION FACULTY LECTURE SERIES

MR. TUSHAR KUMAR
(Assistant Professor)

Date: 23 August 2025
Time: 3:30 pm
Venue: Room no- 107

DEPARTMENT OF BUSINESS ADMINISTRATION FACULTY LECTURE SERIES

MS. SHAZIA SAIFI
(Assistant Professor)

Date: 30 August 2025
Time: 11 Am
Venue: Room no- 107

Formability Study of Tailored Blanks Fabricated through CGP Technique

Date: 08/08/2025
Time: 03:30 PM
Venue: F-Block, Room No. - 008

Speaker:
Mr. Gaurav Kumar
Assistant Professor
(Department of ME)

GUEST LECTURE

Guest Lecture by **Mr. Gagan Singh**, Department of Business Administration on the Topic - **“LEARN START-UP & MINIMUM VIABLE PRODUCT”** organized by **Meerut Udyami Foundation & Institution's Innovation Council, MIT.**

the **DEPARTMENT OF BUSINESS ADMINISTRATION** organized an insightful lecture by **Ms. Namami Sharma** on **“LIVING A HEALTHY LIFEWITH POSITIVE THOUGHTS AND A HEALTHY ROUTINE.”**

The session focused on stress management, healthy lifestyle practices, and building a positive mindset.

Ms. Sharma encouraged students to adopt daily habits such as exercise, meditation, balanced diet, and mindfulness techniques for overall well-being.

Students actively participated and shared feedback, making the session highly interactive and impactful.

AN EXPERT TALK FOR THE STUDENTS OF B.TECH

The **Department of Electronics & Communication Engineering** organized an engaging expert talk on the topic **“Managing Stress, Anger, and Motivation for Career Success”** by **Dr. Baby Dalal**.

The session focused on:

Practical strategies to handle stress and control anger, Importance of self-awareness & emotional balance, Power of positive thinking to stay motivated & career-focused

Students gained valuable insights into how emotional management & motivation are key drivers of professional success.

FACULTY ACHIEVEMENT

Dr. Rashmi Rani (Department of Commerce) completed the **NEP 2020 Orientation Sensitization Programme** under the **Malaviya Mission Teacher Training Programme (MM-TTP)** of the **UGC**. The training was organized by **MMTTC, Jamia Millia Islamia, New Delhi**, from 19th to 27th August 2025. The programme enriched her understanding of the **National Education Policy** and its pedagogical implementation.

Dr. Rashmi Rani (Department of Commerce) successfully participated in the **Faculty Development Program on Quantum Computing** held from 11th to 18th August 2025. The program was jointly organized by **Ramrao Adik Institute of Technology (DY Patil Deemed University)**, **KIIT University**, and **New Horizon College of Engineering**, in collaboration with **ExcelR Edtech Pvt. Ltd.** It provided valuable insights into emerging technologies and their academic applications.

The **Department of Computer Science & Engineering** proudly congratulates **Dinesh Tripathi (B.Tech CSE, Batch 2025)** for his outstanding achievement of qualifying the **GATE examination** and securing admission in the prestigious **M.Tech** program at **Thapar University**.

This milestone reflects his hard work, perseverance, and strong academic foundation built in the **CSE Department**. His success not only brings glory to the department but also inspires fellow students to pursue excellence in higher education and research.

BOOTCAMP ON AI & DATA ANALYTICS

Meerut Institute of Technology in collaboration with Edunet Foundation, successfully organized a 2-day bootcamp on IBM SkillsBuild and VOIS (Vodafone Intelligent Solutions) on August 20–21, 2025. The program was designed to expose students to upcoming technologies in the industry, with a **special focus on Artificial Intelligence and Data Analytics (Power BI)**.

Coordinator, Mr. Ayush Singhal highlighted the importance of such industry-oriented initiatives for students' career growth. All departmental heads were present during the program, ensuring strong academic support.

Prof. (Dr.) K.L.A. Khan (Director MIT, Meerut) appreciated the Training & Placement Cell for their efforts and acknowledged the expertise of the trainers from Edunet Foundation. The event was graced by eminent dignitaries including **Vice-Chairman Mr. Puneet Agarwal, Dr. Himanshu Sharma, Dr. Neeraj Kant Sharma, and all HoD's**, who applauded the initiative for bridging the gap between industry and academia.

GUEST LECTURE

On August 28, 2025, the **Department of Computer Science & Engineering** organized an insightful guest lecture on **“Artificial Intelligence: Applications, Challenges, and Opportunities.”**

The session was graced by **Prof. (Dr.) Tanveer Ikram** from **Indraprastha Engineering College**, who shared valuable perspectives on global AI innovations and their transformative applications across education, healthcare, business, industry, and transportation. The event began with a lamp-lighting ceremony by **Prof. (Dr.) K.L.A. Khan (Director), Prof. (Dr.) M.I.H. Ansari (HoD, CSE), Prof. (Dr.) Suneet Shukla, and Prof. (Dr.) Praveen Kumar**, who encouraged students to embrace emerging technologies like AI with innovation and integrity. The program was **coordinated by Dr. Himanshu Sirohi and Mr. Varun Kumar** and **was smoothly anchored by Ms. Lekhika Prakash**. More than 150 students actively participated, making the lecture highly interactive and impactful through a vibrant Q&A session.

NATIONAL SPORTS DAY

The Department of Business Administration & Student Welfare Team, organized a vibrant sports event on National Sports Day to mark the birth anniversary of Major Dhyan Chand, the legendary hockey player of India.

Students from all years of the BBA program participated with great enthusiasm and showcased their sportsmanship in a variety of games.

It was indeed a great event!

Chess

WINNERS

SUDOKU LUDO

CERTIFICATE OF APPRECIATION BY INTERNSHALA

Meerut Institute of Technology has been awarded a Certificate of Appreciation by Internshala for securing All India Rank 124 among 800+ participating colleges in Internship Day 2025.

This recognition highlights MIT's strong commitment towards promoting industry-oriented learning and empowering students with valuable internship opportunities. Special appreciation goes to Mr. Ayush Singhal for his dedicated efforts in guiding and supporting students in securing internships.

RESEARCH & DEVELOPMENT CELL

RESEARCH & DEVELOPMENT CELL

CONGRATULATES TO

Mr. Sachin Kaushik

(Assistant Professor)

Department of Computer Applications

For registration of design patent titled as "AI Based Display Device for Digital Marketing" In August 2025.

RESEARCH & DEVELOPMENT CELL

CONGRATULATES TO

Dr. Manish Kumar
Assistant Professor

Dr. Krishna Kaushik
Assistant Professor

Department of Agriculture

For publishing a book titled "HI TECH HORTICULTURE: NEXT - GENERATION HORTICULTURE PRACTICES" by OVS Scientific PUBLICATION, MATHURA in August 2025.

RESEARCH & DEVELOPMENT CELL

Congratulates to

Dr. Rishipal Singh
Associate Professor
(Department of Agriculture)

For publication of research article as "Genetic diversity in Inseed (*Linum usitatissimum*) cultivars based on RAPD analysis" In *VEGETOS* (Springer) August 2025.

RESEARCH & DEVELOPMENT CELL

Congratulates to "Department of Business Administration"

Dr. Ravindra Kumar
Associate Professor

Prof. (Dr.) Ankur Gool

Mr. Satendra Kumar
Assistant Professor

For publication of research article 'A Comparative Study on Working Capital Management of Asset-Light Startups In India' In Seminar Compendium - Sustainability in Dynamic Global Environment - 2025, ISBN No-978-93-343-8030-9 In August '25.

Chapter 18 Quantum-Resistant Digital Watermarking— Preparing for Post- Quantum Cryptography

Quantum-Resistant Digital Watermarking—Preparing for Post-Quantum Cryptography

Academic Milestone : A notable academic feat has been accomplished by **Mrs. Shilpi Gupta**, faculty member from **B.Tech department**, with the publication of her book chapter, "**Quantum-Resistant Digital Watermarking—Preparing for Post-Quantum Cryptography**," in the esteemed **IGI Global Scientific Publications (Scopus Indexed)**.

Innovative Confluence of Intellectual Property Validation

The **Certificate of Registration of Design**, issued by The Patent Office, Government of India, certifies the registration of a design for an "**IOT BASED AGRICULTURAL DECISION SYSTEM**". The design number is 461544-001. From the **B.Tech department**, **Dr. Sanyam Sharma**, **Ms. Nigarish Saifi**, and **Mr. Rohit** are the applicants. The design is registered under class 14-02 as per the Designs Act, 2000, and Designs Rules, 2001.

DR. SANYAM SHARMA
ASSOCIATE PROFESSOR
DEPARTMENT OF MECHANICAL ENGINEERING

MS. NIGARISH SAIFI
ASSISTANT PROFESSOR
DEPARTMENT OF APPLIED SCIENCE

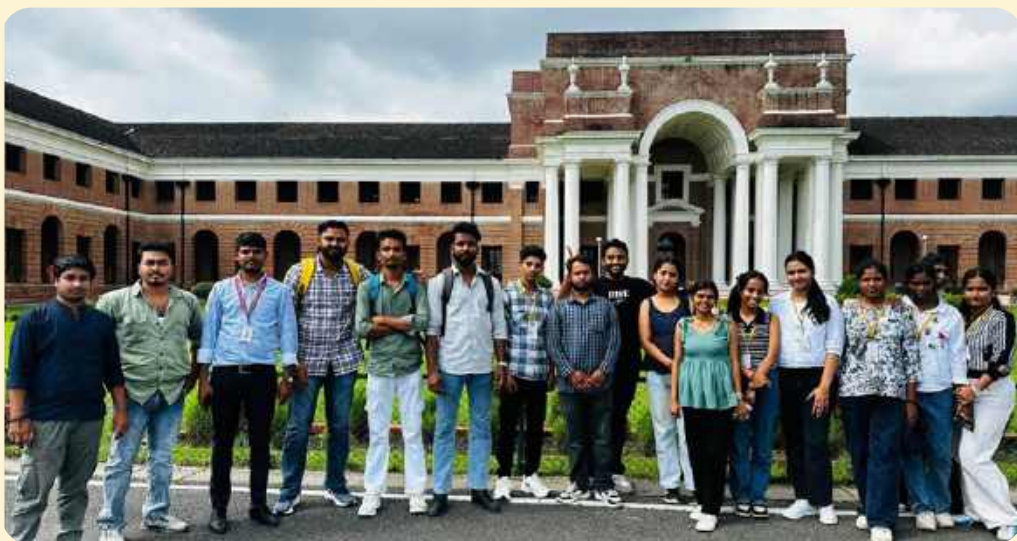

MR. ROHIT KUMAR
ASSISTANT PROFESSOR
DEPARTMENT OF MATHEMATICS

EDUCATIONAL VISIT

The **Department of Agriculture**, organized an educational visit for **B.Sc. (Hons.) Agriculture students to the “Forest Research Institute (FRI)”, Dehradun**. The visit provided students with valuable exposure to forestry research, biodiversity conservation, wood technology, and environmental sustainability.

They explored various Museums, Research Divisions, and Demonstration Units of FRI, gaining insights into the latest research advancements and practical applications in forestry and Allied Sciences. This experiential learning opportunity not only enriched their academic knowledge but also motivated them to understand the importance of forest resources, ecosystem services, and sustainable management practices.

VISUAL VOICES 2025 – CREATIVITY MEETS ACADEMICS!

The **Department of Commerce**, organized **VISUAL VOICES – Letting Students “Speak through Art and Designs”** on 19th August 2025.

Students showcased their academic concepts through: **Poster Making, and Classroom Decoration, Presentations**

With teams of 3–5 members, the event enhanced subject understanding, encouraged teamwork, and boosted confidence while nurturing visual communication skills.

Judging Criteria: Creativity – 40%, Presentation – 40%, Team Coordination – 20%

This unique initiative beautifully merged creativity with academics, inspiring students to transform complex ideas into compelling visual narratives.
